Business Environment and Concepts Wiley

The New Principles of Growth and Success Do you want to grow your business? In the past, have you struggled to realize the desired outcomes of your strategy? Do you feel that you're making all the right business moves but are still coming up short? In *Outsizing*, author Steve Coughran assembles decades of research, hundreds of interviews, and multi-industry consulting experience to identify the strategic factors that dictate the difference between exorbitant success and bankruptcy. This helpful guidebook walks you through crafting and implementing proven strategies to outgrow your limitations to achieve extraordinary results. *Outsizing* uniquely combines the principles of strategy, innovation, and finance into a comprehensive framework for generating value. Each chapter contains timely examples and proprietary insights to illustrate how businesses can form inimitable strategies that deliver value to the customer and capture value for the organization. The information is pertinent to any organization seeking to strengthen its culture, leverage advantages, focus on the essential, provide outstanding experiences to customers, and maximize financial returns. *Outsizing* will empower you to design strategies out of lessons learned as well as internal and external changes to build a foundation for enduring success.
