CPC Exam Prep with Practice Test Questions for the Certified Professional Coder Exam AAPC Packed with test-taking tips and techniques, the OFFICIAL CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that helps you maximize your success on the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, giving you a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real-life examples. Each body system is reviewed, including coverage of anatomy, related diagnosis coding, CPT coding, HCPCS Level II coding, and modifiers. End-of-chapter questions are modeled after those on the actual certification exam, while operative notes give you hands-on experience coding what you have learned. Additional testing techniques and an end-of-guide practice exam lets you put your skills to the test. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CPC Practice Exam Questions AAPC

This is the exam review nurse anesthetists have been waiting for! Expertly written by the leading author team of Elisha, Nagelhout, and Heiner, Current Anesthesia Practice: Evaluate Your Knowledge, 1st Edition helps prepare nurse anesthetists for the NCE and CPC exam. Written by the leading experts in nurse anesthesia, Elisha and Nagelhout. Prepares you for both the current CRNA licensure exam and the new CPC exam. UNIQUE! End-of- section Knowledge Check questions with answers provided in the back of the book.

Ultimate Cpc Examination Bundle John Wiley & Sons

The effectiveness of flash cards joined with the ease of use and small size of a book! These CPC Certification Exam flash cards are not conventional, but at Trivium Test Prep, we don't subscribe to convention. Traditional flash cards are bulky, difficult to organize, and impossible to use on the go unless of course you bind them with a ring. We did that for you by putting it into the form of a book! These flash cards can be used anywhere, anytime without worry about losing any cards or getting cards out of order...not to mention the sheer bulk of flash cards is condensed into an easy to use size. This flash card set includes must-know information to save time on the CPC exam. These flash cards are essential for the student wanting to increase the test taking speed. You will be ready to ace the AAPC CPC Certification exam, in fact, we guarantee it!

Exam 100-105, Exam 200-105, and Exam 200-125 Delmar Pub

The Medical Coding CPC Practice Exam Bundle 2016 has been updated will all ICD-10-CM codes! It includes a 150 question practice exam, answers with full rationale, Medical Terminology, Common Anatomy, Official Proctor To Coder Instructions, The Exam Study Guide, and Scoring Sheets. It is designed for students preparing for the medical coding certification exam. ***** Look at what some students had to say after using our practice exams ***** "I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product (a practice exam and the strategies to pass) before sitting for the CPC exam. I received my results yesterday. I MADE A 92! I used all of the strategies you recommended (time management, highlighting, etc), which made all the difference in the world. Thank you so much!!!" - Heather T. "This is very good... I used your practice exam bundle and passed the first time. I also recommended this to

others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min. and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%." - Elizabeth H. "I am thrilled to report Greg that I passed my CPC Exam on December 12th!" - Kathleen C. "Your test was amazing, it help me out a lot." - Vickey L. "Well the practice test helped me pass my CPC exam. I got he good news last week!" - Erica J. "I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful." - Mark T. "Woooooohooooo, I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow I am glad that's over. Thanks again!" - Deanna A. "I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally new years eve! Thanks for the great exam!" - Sabrina. "I took the CPC exam Dec. 7. As a matter of fact, I did pass the CPC exam and your practice exam helped. Thanks! Go ahead and list my name in your Certified Coders section." - Lester B. "I have passed the CPC and thank you for all of your help with the preparation materials." - Victoria S.

This online practice exam will add 50 questions to your preparation.

Medical Assistant Study Guide Trivium LLC

Trivium Test Prep's CPC Practice Exam 2018-2019: CPC Practice Test Questions for the Certified Professional Coder Exam offers: A detailed overview of the CPC test, so that you know exactly what to expect on the Certified Professional Coder exam Testing of all of the subjects in the CPC exam Over 200 CPC practice exam questions for you to practice and improve Test tips and strategies to help you score higher on the CPC 2018 About Trivium Test Prep Trivium Test Prep's study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the CPC Practice Exam 2018-2019: CPC Practice Test Questions for the Certified Professional Coder Exam based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our CPC Practice Exam 2018-2019: CPC Practice Test Questions for the Certified Professional Coder Exam study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time.

CPC Practice Exam 2020 Trivium LLC

When it comes to getting a coding certification, the American Association of Professional Coder (AAPC)'s Certified Professional Coder (CPC) exam is one of the most well known. You'll need to be highly prepared for a test as intense and extensive as the CPC exam, which takes almost six hours to complete. In this section, we'll teach you the basics of the exam and provide you with valuable study techniques and test-taking strategies. We'll also go over each of the 24 sections that the CPC exam focuses on, meaning you'll know what to expect when it comes time to get certified. There are many areas of study that you must have a solid understanding of in order to successfully pass the CPC. It is important not to get overwhelmed once you open the test booklet -- just remember to focus on coding conventions and guidelines and don't get sidetracked in the minutia. The following list is a mini breakdown of the areas of study you should ensure you have a thorough understanding of prior to sitting for the exam: Medical terminology: Prefixes/suffixes

used for naming medical conditions/procedures
HCPCS: Alphanumeric designated codes that identify supplies/drugs/temporary codes
Modifiers: Two-digit suffix appended to the end of a code to indicate additional services/providers/statuses
ICD-10-CM: Diagnosis code reporting for physician and outpatient, coding conventions and guidelines for reporting of illnesses/conditions/accidents/injuries, and more
E&M (Evaluation and Management Visit Codes): Know what visit codes are used in each outpatient or inpatient setting.
Anesthesia Section: Understand the types of anesthesia -- general/regional/local anesthesia/conscious sedation.
Radiology Section: X-rays/diagnostic imaging/MRI/PET scan/ ultrasound/nuclear medicine
Path & Lab Section: Testing and identification of disease/infections/etiology
Medicine Section: Covers various procedures for all other medical specialties
Body Systems: Integumentary System
Musculoskeletal System
Respiratory System
Cardiovascular System
Digestive System
Urinary System
Reproductive System
Endocrine/Nervous System
Eye/Ear System
COC Exam Study Guide
Createspace Independent Publishing Platform

The CPC exam is comprised of 150 multiple-choice questions. The test takes five hours and 40 minutes to complete, making it fairly rigorous. There are two breaks in the middle of the test. The CPC exam costs \$300 to take, but only \$260 if the test-taker is a member of the AAPC (annual dues are \$125 for individuals and \$70 for students). The CPC exam thoroughly tests a coder's grasp of the entire coding process, from medical terminology to code sets and beyond. Per the AAPC's website, the CPC exam covers 24 subject areas, including anesthesia, radiology, and medicine. You should recognize a number of these (like Evaluation and Management, or Radiology) as sections of the CPT code manual. Others, like Anatomy and Physiology, are parts of the coder's everyday skill set. You should note that the questions on the exam are not divided or identified by the topic they are related to. That is, questions on the CPC exam will test you on all of the above 24 fields of medical coding, but they won't outright say, "This is an anesthesia question." Instead they'll just ask you about anesthesia, or surgery, or human anatomy. During the test, you'll be presented with a number of tests cases pertaining to the practice of coding. These test case questions will present you with a condensed medical report and ask you to select the correct set of codes from the answers below. For instance, a test case question might read: "Sarah, a 45-year-old patient, visits the doctor and presents symptoms including a sore throat, swollen lymph nodes, and a fever. After performing a rapid strep test, the doctor confirms a diagnosis of streptococcal sore throat. The doctor prescribes an Amoxicillin as an antibiotic. Which of the following are the correct codes for this diagnosis, procedure and prescription?" There are also general knowledge questions, like "Which types of joints are synovial?" that don't have an attached test case. That question's related to the musculoskeletal system, but the test won't come right out and say so. You'll have to rely on your knowledge of code sets, medical terminology, best practices, and the coding process in general to pass. Individuals who earn a score of 70 percent or better (105 correct questions) will pass the CPC exam. If you fail your first test, you are allowed one free retake. GETTING CERTIFIED
Once you pass the CPC exam, you are not officially certified by the AAPC until you fulfill a few other criteria. In order to complete a CPC certification, you must become a member of the AAPC. Certification is also limited to coders with two years of professional experience or those willing to complete an apprentice program. As such, the CPC exam is recommended for individuals who have already started their coding career. That won't prevent us from going over the basics of this important exam.

Registered Health Information Administrator (RHIA) Elsevier Health Sciences

Updated for the CPC's 2020 exam, Trivium Test Prep's unofficial NEW CPC Practice Exam Questions: CPC Exam Prep with Practice Test Questions for the Certified Professional Coder Exam provides you with a quick but total review of everything tested on the exam with real examples, graphics, and information.
