to Guidance - - CMS

This CPR course follows the American Heart Association guidelines and is for healthcare providers and other professional rescuers, as well as laypersons seeking infant, child and adult CPR certification. This course is intended for students both with and without a currently active AHA BLS card (2015 Guidelines for BLS training).

Cpr Guidelines Healthcare Providers

Staff must maintain current CPR certification for healthcare providers through CPR training that includes hands-on practice and in-person skills assessment.

Online-only certification is not acceptable. The CMS has revised surveyor guidance in Appendix PP of the State Operations Manual (SOM) under F155 to clarify CPR policies for nursing homes. [Basic Life Support \(BLS\) | American Heart Association CPR ...](#)
