Our hair is a reflection of our personality and style. While hair loss may not be a threat to our health, it can have devastating effects on self-image and well-being -- and it can be permanent if we don't take steps to treat it. Dr. Weaver's Black Hair Loss Guide introduces you to Seymour M. Weaver's Expert Care to Save Your Hair program, focusing particularly on conditions that are common among African Americans. You'll learn: how thinning hair can be an early sign of permanent baldness why a dermatologist is the best medical specialist to evaluate your hair loss how scalp disorders and hair loss are diagnosed how hair loss can be treated what to do if you get a bald spot and don't just cover it up

Breaking Normal Simon and Schuster
Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
Love, Peace, and Hair Grease Brandt Tobler
Over the past decade of creating epic personal development retreats, Daniel Eisenman has traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside Breaking Normal: ReWild Your Inner Child and Set the Truth Free?*You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. *You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. *You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

Using information pulled from the most recent peer-reviewed journals (research and reviews written by doctors for doctors), this quick reference book will help you understand and respond to your body's cries for help. You'll learn the difference between a heart attack and an attack of heartburn - whether your condition calls for an ambulance or just an antacid.

The Baking Soda Companion: Natural Recipes and Remedies for Health, Beauty, and Home (Countryman Pantry) Henry Holt and Company

Does your baby have trouble sleeping? You're not alone. Designed specifically for the very many parents encountering the same issues as you, this practical, no-nonsense book gives you the insights, tools and strategies to help your baby get the rest they need - however difficult the challenge. Featuring up-to-date safe sleeping guidance, and drawing on the latest clinical expertise, this book will help you to devise a gentle, sustainable sleep plan which will work for you and your baby. It is based on Andrea Grace's work with hundreds of families, and her decades of experience as the UK's longest-standing sleep consultant, to successfully formulate a gentle, sustainable approach without crying it out, or unnecessary distress for you or your child. It includes coverage of a variety of different needs, from colic to reflux and eczema, and provides welcome support for other carers and family members, from babysitters and childminders to grandparents and siblings. WHAT PARENTS SAY: 'We loved Andrea's method because it was gentle, kind and based around the needs of the baby.' 'Andrea has transformed our lives, she is amazing, a sleep guru!' 'I trusted Andrea and the results spoke for themselves from the very start.' 'I can't recommend Andrea Grace highly enough.'

Sauer's Manual of Skin Diseases Penguin
