Love has no caste until you come to India. In our country, caste still plays a major role when it comes to choosing a life partner.

Though our younger generation has ideas and beliefs that are constantly struggling to overcome the CasteD mind, this creates a cold conflict between them and their parents. Yash, a doctor and scientist, falls in love with a beautiful and intelligent girl, Shobhita, but life takes its twists and turns when he decides to marry her. Will he be able to convince his parents or will he marry a girl of their choice and forget his love? Whose heart will he break—that of his parents or his love? Or is life waiting to give him another shock?

Ashes to Embers is the journey of a heart and soul towards realizing its true worth and embracing itself in times of need. It is cleaved into four sections, each reflecting a different feeling. Entwining words around self-reflection, feeling the hidden strength in pain, letting go of the hurt and allowing one to hope for a better tomorrow, Ashes To Embers, as the name suggests, is an epiphany which expresses the hope to rise again from the ashes of pain and despair, to have belief in oneself and to look for love within oneself. It symbolizes the strength in hope and how it can set aside the shadows of doubts. Interlacing the words around love, hurt, healing, and hope, this book explores the raw human emotions.

Set in rural Ireland in the 19th-century, this is the true story of a family that lived on a farm by Lough Gur in County Limerick, a world in itself. The master with his men, the mistress with her maids, all worked in happy unity. The four little girls, growing up in this contented atmosphere, dreamed of saints and fairies. Their real and their dream world fused into an idyllic background for growing, learning and loving.

Did you know that Kolkata has the country's largest library? The city gave India its first printing press. The first foreign-recognised educational institution was also in Kolkata. The first lift (a squirrel cage one) was inaugurated in the city of joy. A large number of Nobel-nominated people and institutions are also from Kolkata. It's not just the Oriental connection which people link with Kolkata, it has stories of many religions, cultures, stalwarts, freedom struggle, education, architecture, nationalism, literature, sports, science, revolts and languages. This has attracted many, insiders as well as outsiders, to

the city. As an outsider to the city, the history bug caught the author as soon as he landed in Kolkata. The weekend habit of discovering the city has resulted in this novel where the author cherry-picks 21 places in and around Kolkata. He expects incremental awareness and eagerness towards these facets of history in particular and a sense of respect for all-historical elements of this great city in general.

Originally published in 1993 Locke's Distillery is being reissued to celebrate the one hundred and fiftieth anniversary of the company.

Despite market dominance by Scotch in this century, Irish whiskey remains its peer. Locke's Distillery has been manufacturing its famous brand of whiskey on the banks of the Brusna river in Kilbeggan, Co. Westmeath, since 1757, linking Ireland's industrial past to its future. From business archives and family papers, Andy Bielenberg has written a compelling history of the fluctuating fortunes of the distillery, tracing its origins and transformations in organization through the years to its present-day revival. He surveys the buildings and machinery, the process of distillation and marketing strategies, as well as documenting the Locke family's role within the company and their contribution to the social life of the midlands. Illustrated by period photographs, portraits and trade labels, and augmented by useful tables and appendix matter, Locke's Distillery will be of keen interest to regional and economic historians, and fascinate all who savour Irish whiskey and its traditions.

The elusive search for stability is the subject of Professor D. George Boyce's Nineteenth-Century Ireland, the fifth in the New Gill History of Ireland series. Nineteenth-century Ireland began and ended in armed revolt. The bloody insurrections of 1798 were the proximate reasons for the passing of the Act of Union two years later. The 'long nineteenth century' lasted until 1922, by which the institutions of modern Ireland were in place against a background of the Great War, the Ulster rebellion and the armed uprising of the nationalist Ireland. The hope was that, in an imperial structure, the ethnic, religious and national differences of the inhabitants of Ireland could be reconciled and eliminated. Nationalist Ireland mobilised a mass democratic movement under Daniel O'Connell to secure Catholic Emancipation before seeing its world transformed by the social cataclysm of the Great Irish Potato Famine. At the same time,

the Protestant north-east of Ulster was feeling the first benefits of the Industrial Revolution. Although post-Famine Ireland modernised rapidly, only the north-east had a modern economy. The mixture of Protestantism and manufacturing industry integrated into the greater United Kingdom and gave a new twist to the traditional Irish Protestant hostility to Catholic political demands. In the home rule period from the 1880s to 1914, the prospect of partition moved from being almost unthinkable to being almost inevitable. Nineteenth-century Ireland collapsed in the various wars and rebellions of 1912 – 22. Like many other parts of Europe then and since, it had proved that an imperial superstructure can contain domestic ethnic rivalries, but cannot always eliminate them. Nineteenth-Century Ireland: Table of Contents Introduction - The Union: Prelude and Aftermath, 1798 – 1808 - The Catholic Question and Protestant Answers, 1808 – 29 - Testing the Union, 1830 – 45 - The Land and its Nemesis, 1845 – 9 - Political Diversity, Religious Division, 1850 – 69 - The Shaping of Irish Politics (1): The Making of Irish Nationalism, 1870 – 91 - The Shaping of Irish Politics (2): The Making of Irish Unionism, 1870 – 93 - From Conciliation to Confrontation, 1891 – 1914 - Modernising Ireland, 1834 – 1914 - The Union Broken, 1914 – 23 - Stability and Strife in Nineteenth-Century Ireland

The autobiography of the Nobel laureate Before he emigrated to the United States, Czeslaw Milosz lived through many of the social upheavals

that defined the first half of the twentieth century. Here, in this compelling account of his early life, the author sketches his moral and intellectual history from childhood to the early fifties, providing the reader with a glimpse into a way of life that was radically different from anything an American or even a Western European could know. Using the events of his life as a starting point, Native Realm sets out to explore the consciousness of a writer and a man, examining the possibility of finding glimmers of meaning in the midst of chaos while remaining true to oneself. In this beautifully written and elegantly translated work, Milosz is at his very best.
