Just one of these decisions can alter the course of a person's life. What if you decided to master all

seven? In this revised and repackaged version of *Mastering the Seven Decisions*, master storyteller and life coach Andy Andrews has fast-forwarded the concept of success and what it takes to make it stick. Seeking out what separates the ordinary life from the extraordinary, Andrews has spent much of his life dissecting countless biographies and spending time with some of the most successful people on the planet in an effort to understand the principles that propel them toward greatness. The result: seven simple principles that – when applied consistently- render extraordinary lives. Through his entertaining, down-to-earth style, Andrews introduces these principles and offers all the tools necessary to make lasting changes in your life. The consistent application of the Seven Decisions brings about what can only be called miracles: What was once labeled “impossible” actualizes. Opportunities that once eluded you are now attracted to you. Dysfunctional relationships transform into harmonious ones. Life, which was once a struggle,

now becomes an exciting adventure! Praise for Andy Andrews “I read everything he writes again and again. Remodelista: A Guide to the 100 Most Beautiful, Useful Household Objects is an in-depth listing of the most recommended and timeless household objects, excerpted from Remodelista. Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, Remodelista has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think Design Within Reach meets Ikea). Remodelista decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; "The Remodelista 100," a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, Remodelista takes the guesswork out of the process.
