Doug and Andy are unlikely best friends--one a loner obsessed by his model trains, the other a popular student involved in football and theater--who grew up together and share a bond that nothing can sever.

[Death Wears a Red Hat](#) Primedia Business Directories & Books

In a lyrical love letter to guide dogs everywhere, a blind poet shares his delightful story of how a guide dog changed his life and helped him discover a newfound appreciation for travel and independence. Stephen Kuusisto was born legally blind—but he was also raised in the 1950s and taught to deny his blindness in order to "pass" as sighted. Stephen attended public school, rode a bike, and read books pressed right up against his nose. As an adult, he coped with his limited vision by becoming a professor in a small college town, memorizing routes for all of the places he needed to be. Then, at the age of thirty-eight, he was laid off. With no other job opportunities in his vicinity, he would have to travel to find work. This is how he found himself at *Guiding Eyes*, paired with a Labrador named Corky. In this vivid and lyrical memoir, Stephen Kuusisto recounts how an incredible partnership with a guide dog changed his life and the heart-stopping, wondrous adventure that began for him in midlife. Profound and deeply moving, this is a spiritual journey, the story of discovering that life with a guide dog is both a method and a state of mind.

[Who Wants to Be Normal Anyway?!](#) Andrews McMeel Pub In *The Wild Irish Girl*, the powerful Irish heroine's marriage to a heroic Englishman symbolizes the Anglo-Irish novelist Lady Morgan's re-imagining of the relationship between Ireland and Britain and between men and women. Using this most influential of pro-union novels as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps out the genealogy of this development, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s. Tracy's model enables him to elaborate the ways in which gender ideals are specifically contested in fiction, the discourses of political

debate and social reform, and the popular press, for the purpose of defining not only the place of the Irish in the union with Great Britain, but the nature of Britishness itself.

[Slavery in Germanic Society During the Middle Ages](#) Lin and Larry Pardey

Contains repair information for riding lawn mowers. [Storm Tactics](#) Primedia Business Directories & Books Includes how-to information for repairing lawnmowers and garden tractors, edgers, tillers, snow throwers, leaf blowers, chain saws, string trimmers, portable pumps and portable generators.

[The Wheel Turned](#) Andrews McMeel Publishing Lin and Larry Pardey demonstrate methods to help you bring your boat and crew safely through storms. Join them near South Africa's Cape of Storms to watch a live demonstration of setting and retrieving a para-anchor, then sail on board *Taleisin* during Lin & Larry's rounding of Cape Horn with storm sails in action in 70-knot winds. They demonstrate technical details of storm tactics for both modern and classic boats. Learn how to prepare your crew and boat to eliminate fear and face heavy weather with a plan. Learn how and when to use the sailor's safety valve, heaving-to, with or without a para-anchor. They also discuss gear and equipment, plus special sails for heavy weather.

[The Death of Money](#) Prentice Hall

Defines the template classes and functions of the standard template library (STL) component of the C++ programming language. A chapter is devoted to each of the 13 headers, providing a functional description of the header contents, suggestions for how best to use the facilities defined in the header, and the C++ code itself. Additional chapters introduce STL as a whole and discuss three overarching topics--iterators, algorithms, and containers. c. Book News Inc.

[The Handbook of Human Ownership](#) Routledge After spending eleven years sailing around the globe, husband and wife, Larry and Lin Pardey, decide to spend some time as landlubbers in Bull Canyon, California, and build their own boat, where they experience perhaps their most adventurous voyage yet.

[The Taiwan Economy In Transition](#) Cengage Learning "Kienzle's are the best books ever written about a cleric and among the best of everything in the past quarter century." —Otto Penzler, in *Mystery Magazine* "There are few authors whose books a reader anticipates from the moment he finished the last effort. . . . Add William Kienzle to the list." —Dallas Times Herald "Father Koesler is on the case, thank God." —Baltimore Sun In the fourth *Father Koesler* thriller, William X. Kienzle proved his versatility. Assault with Intent combines raucous humor with the same clever plotting and strong characterization that are his trademark. Murphy's Law seems to be the only force preventing four arcane conspirators from accomplishing their murderous plans to assassinate priests teaching in Detroit's seminaries. Incredibly, each of their attacks is thwarted by strange coincidence and ineptitude until they finally succeed—or do they? Father Robert Koesler, the crime-solving hero of Kienzle's mysteries, is drawn into the case first as a concerned friend of the intended victims and then as a target himself. Inspector Walter Koznicki returns to investigate for the Detroit police department and reporters Joe Cox and Pat Lennon continue their romance amid the rivalry of their two newspapers, the *Detroit News* and *Free Press*. Who is responsible for this series of assaults? A disgruntled seminary student who has gone too far? The dangerously fanatical leader of a secretive arch-conservative Catholic society? Another priest? There are far too few clues and too many possibilities. And when a zany crew of movie-makers arrives from Hollywood to film the story before the crime itself is solved, Assault with Intent becomes a three-ring circus of mystery and slapstick.

[40+ Stash-Busting Projects to Crochet!](#) Simon & Schuster [Mallard Fillmore](#) lampoons everything from political correctness to

Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.

[The Complete Guide to Crochet Dolls and Animals](#) Genealogical Publishing Com

It is the dawn of the 1960's. Meena is married to Anand, an army officer, and lives with him at an army cantonment in the verdant hills of Dharamshala. But their life together turns upside down when the unit is suddenly called to resist the Chinese in the North East. Anand goes to war and never returns. There is no news of him, nor is his body found. Has he been killed? Did he abscond from the battlefield? Was he captured alive? As her family and friends prepare her for the worst, Meena remains staunch in her belief that Anand would have fought like a brave soldier and would be safe somewhere, and would return to her some day. Weeks turn into months and the months into years. Another man enters her life, but Meena is not ready for this relationship, convinced that Anand will come back. She clings to her dreams, and her most precious possession, an old Tibetan prayer wheel, becomes her talisman of hope and happiness. She knows that it had brought her happiness once, and it would again show its magical powers. This is the story of a soldier's pride and courage on the battlefield and of a woman's faith and commitment; the story of tireless waiting and endless believing. Told with deep sensitivity, understanding and gentle humour, this story of Meena and the two men who love her moves to a heartrending climax. When the wheel turns, only Destiny knows who will be at the top...

Read "The Handbook of Human Ownership"--learn the secrets of your masters, the mystery of how the world is owned and controlled, and explode the Matrix of your programming.

[Have Dog, Will Travel](#) Createspace Independent Publishing Platform The next financial collapse will resemble nothing in history. . . . Deciding upon the best course to follow will require comprehending a minefield of risks, while poised at a crossroads, pondering the death of the dollar. The U.S. dollar has been the global reserve currency since the end of World War II. If the dollar fails, the entire international monetary system will fail with it. But optimists have always said, in essence, that confidence in the dollar will never truly be shaken, no matter how high our national debt or how dysfunctional our government. In the last few years, however, the risks have become too big to ignore. While Washington is gridlocked, our biggest rivals—China, Russia, and the oil-producing nations of the Middle East—are doing everything possible to end U.S. monetary hegemony. The potential results: Financial warfare. Deflation. Hyperinflation. Market collapse. Chaos. James Rickards, the acclaimed author of *Currency Wars*, shows why money itself is now at risk and what we can all do to protect ourselves. He explains the power of converting unreliable investments into real wealth: gold, land, fine art, and other long-term stores of value. Democracy Simon and Schuster

A brilliant exploration of character and conscience from the author of *COPENHAGEN*, set amid the tensions of 1960s Berlin In *Democracy*, Michael Frayn once again creates out of the known events of twentieth-century history a drama of extraordinary urgency and subtlety, reimagining the interactions and motivations of Willy Brandt as he became chancellor of West Germany in 1966 and those of his political circle, including Günter Guillaume, a functionary who became Brandt's personal assistant--and who was eventually exposed as an East German spy in a discovery that helped force Brandt from office. But what circumstances allowed Brandt to become the first left-wing chancellor in forty years? And why, given his progressive policies, did the East German secret police feel it necessary to plant a spy in his office and risk bringing down his government? Michael Frayn writes in his postscript to the play, "Complexity is what the play is about: the complexity of human arrangements and of human beings themselves, and the difficulties that this

creates in both shaping and understanding our actions."
