National Indie Excellence Award Winner for Legal Thriller American Fiction Award Winner for Legal Thriller 2022 American Fiction Award Winner for Legal Thriller The last remaining fragment of truth—hidden in the mire of the Mystic Creek Boston star-prosecutor-turned-corporate-attorney Jack Marino has risen fast and far from his upbringing in the Mystic housing projects. But after he's savagely beaten in retaliation for his work as head of the District Attorney's Urban Gang Unit, he's fired because his powerful boss is running for governor and fears the beating may have shaken Jack's formidable confidence. Jack lands a plush suite at his father-in-law's mega law firm, making big money practicing corporate law. Although he seemingly has everything—money, privilege, and an heiress for a wife, what he doesn't have is his own self-respect. When he is given a chance to get back into criminal law—this time as defense counsel in a capital murder case—he finally feels alive again. But to save his client from death row, he'll face a criminal network far more organized and powerful than he could have imagined. The case will take Jack back to the projects he thought he'd escaped. He'll risk personal and professional ruin, and ultimately his very life, to fight the corrupt forces determined to see his client go down—forces that may have already given absolute immunity to the real killer. Perfect for fans of John Grisham and Scott Turow

From the bestselling author of *The Bomber Mafia*: discover Malcolm Gladwell's breakthrough debut and explore the science

behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. "A wonderful page-turner about a fascinating idea that should affect the way every thinking person looks at the world."
—Michael Lewis

Preservation of Library & Archival Materials Springer

I Am My Own Wife is the winner of the 2004 Pulitzer Prize for Drama. From the Obie Award-winning author of *Quills* comes this acclaimed one-man show, which explores the astonishing true story of Charlotte von Mahlsdorf. A transvestite and celebrated antiques dealer who successfully navigated the two most oppressive regimes of the past century—the Nazis and the Communists—while openly gay and defiantly in drag, von Mahlsdorf was both hailed as a cultural hero and accused of colluding with the Stasi. In an attempt to discern the truth about Charlotte, Doug Wright has written "at once a vivid portrait of Germany in the second half of the twentieth century, a morally complex tale about what it can take to be a survivor, and an intriguing meditation on everything from the obsession with collecting to the passage of time" (Hedy Weiss, *Chicago Sun-Times*).
Workplace Communications McGraw-Hill Companies

This is the terrifying story of the most dangerous radical-right hate group to surface since the Ku Klux Klan first rode a century ago. The Silent

Brotherhood attracted seemingly average citizens with their call for pride in race, family, and religion and their mission to save white, Christian America from a communist conspiracy. Here is how they became criminals and assassins in their effort to establish an Aryan homeland. 8-page photo insert.

Winner, Distinguished Literary Achievement, Missouri Humanities Council, 2015 The story behind the writing of the best-selling *Blue Highways* is as fascinating as the epic trip itself. More than thirty years after his 14,000-mile, 38-state journey, William Least Heat-Moon reflects on the four years he spent capturing the lessons of the road trip on paper—the stops and starts in his composition process, the numerous drafts and painstaking revisions, the depressing string of rejections by publishers, the strains on his personal relationships, and many other aspects of the toil that went into writing his first book. Along the way, he traces the hard lessons learned and offers guidance to aspiring and experienced writers alike. Far from being a technical manual, *Writing Blue Highways: The Story of How a Book Happened* is an adventure story of its own, a journey of "exploration into the myriad routes of heart and mind that led to the making of a book from the first sorry and now vanished paragraph to the last words that came not from a graphite pencil but from a letterpress in Tennessee." Readers will not find a collection of abstract formulations and rules for writing; rather, this book gracefully incorporates examples from Heat-Moon's own experience. As

he explains, " This story might be termed an inadvertent autobiography written not by the traveler who took Ghost Dancing in 1978 over the byroads of America but by a man only listening to him. That blue-roadman hasn't been seen in more than a third of a century, and over the last many weeks as I sketched in these pages, I've regretted his inevitable departure. " Filtered as the struggles of the " blue-roadman " are through the awareness of someone more than thirty years older with a half dozen subsequent books to his credit, the story of how his first book " happened " is all the more resonant for readers who may not themselves be writers but who are interested in the tricky balance of intuitive creation and self-discipline required for any artistic endeavor.

" After teaching a course to college students pursuing trade careers, George Searles realized his students needed a book that focused on practical applications, rather than theory—and that explored workplace communication in a user-friendly tone. Workplace Communications: The Basics takes a down-to-earth approach to writing and communicating on the job, teaching the essentials in an accessible style appropriate for any student or course. The clear, concise nature of the book meets the needs of not only its originally intended audience, but the needs of students taking technical communication at a wide range of institutions for any major as well. The Seventh Edition retains and enhances the text's pedagogical aids, rich examples, and practical exercises, preparing students to communicate successfully in any workplace environment. " --Publisher's description.

A deadly underground game might just be altering reality itself in this all-new adventure set in the world of the hit Rabbits podcast. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL • " A wild ride . . . impossible to put down. " —Publishers Weekly (starred review)

It's an average work day. You've been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m. You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444. Coincidence? Or have you just seen the edge of a rabbit hole? Rabbits is a mysterious alternate reality game so vast it uses the entire world as its canvas. Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown. So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself. But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising. And now the eleventh round is about to begin. Enter K—a Rabbits obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration.

Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price. Five days later, Scarpio is declared missing. Two weeks after that, K blows the deadline: Eleven begins. And suddenly, the fate of the entire universe is at stake.

THE STORY: George is a man consumed with preserving and documenting the dying languages of far-flung cultures. Closer to home, though, language is failing him. He doesn't know what to say to his wife, Mary, to keep her from leaving him, and he does

The Brotherhoods Ballantine Books

Do lobsters feel pain? Did Franz Kafka have a sick sense of humour? What is John Updike's deal anyway? And who won the Adult Video News' Female Performer of the Year Award the same year Gwyneth Paltrow won her Oscar? David Foster Wallace answers these questions and more in his new book of hilarious non-fiction. For this collection, David Foster Wallace immerses himself in the three-ring circus that is the presidential race in order to document one of the most vicious campaigns in recent history. Later he strolls from booth to booth at a lobster festival in Maine

and risks life and limb to get to the bottom of the lobster question. Then he wheedles his way into an L.A. radio studio, armed with tubs of chicken, to get the behind-the-scenes view of a conservative talkshow featuring a host with an unnatural penchant for clothing that only looks good on the radio. In what is sure to be a much-talked-about exploration of distinctly modern subjects, one of the sharpest minds of our time delves into some of life's most delicious topics.
