#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just

trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

You are NOT who you think you are. In fact, according to bestselling author Craig Groeschel in Altar Ego, you need to take your idea of your own identity, lay it down on the altar, and sacrifice it. Give it to God. Offer it up. Why? Because you are who GOD says you are. And until you ’ ve sacrificed your broken concept of your identity, you won ’ t become who you are meant to be. When we place our false labels and self-deception on the altar of God ’ s truth, we discover who we really are as his sons and daughters. Instead of an outward-driven, approval-based ego, we learn to live with an “ altar ” ego, God ’ s vision of who we are becoming. Discover how to trade in your broken ego and unleash your altar ego to become a living sacrifice. Once we know our true identity and are growing in our Christ-like character, then we can behave accordingly, with bold behavior, bold prayers, bold words, and bold obedience. Altar Ego reveals who God says you are, and then calls you to live up to it.

The Emotional Incest Syndrome Ballantine Books

This compelling, story-driven message shows how those who persist through the burnout and valleys of the “ middle ” will find that miracles await them on the other side. If you've ever been on a long trip with small children, you've no doubt heard, "Are we there yet?" Maybe you've felt that same way as you have journeyed with God. It ’ s the midway point where most of us feel impatient and frustrated. It's also where our hidden doubts find their voice. Where most beginnings start with energy and expectation for all that is ahead, and endings bring the joy of completion as you arrive at your desired destination, the middle is different. This midpoint can too quickly become a low point, as energy is lacking and enthusiasm wanes. Yet how well you handle the middle reveals what is in the “ middle ” of you. The disciples found—in the middle of a lake—a revelation of Jesus that they had never seen on the shore. In the middle is where new navigational skills are found. It's also where some of the most significant lessons are learned. In Miracle in the Middle, you ’ ll learn how to: Candidly face the realities of life ’ s frustrations and respond to them biblically Persist in your efforts in your marriage, family, career, and ministry Navigate burnout during life ’ s valleys Gain eternal perspective on temporary situations Find strength in the struggle, passion to persist, wisdom in weariness, and joy for the

journey.

The Soul of Shame Thomas Nelson

Meet a man forced to live in a fast changing and godless society. He faced fears about the future, concern for his safety, and the discouragement of world that seemed to be falling apart at warp speed. Sound familiar? His name was Daniel, and with the power of hope, humility, and wisdom, he not only thrived, he changed an empire while he was at it. Though he lived thousands of years ago, he has a much to teach us today. Even in Babylon, God Is in Control In Thriving in Babylon, Larry Osborne explores the "adult" story of Daniel to help us not only survive – but actually thrive in an increasingly godless culture. Here Pastor Osborne looks at: - Why panic and despair are never from God- What true optimism looks like- How humility disarms even our greatest of enemies- Why respect causes even those who will have nothing to do with God to listen- How wisdom can snatch victory out of the jaws of defeat For those who know Jesus and understand the full implications of the cross, the resurrection, and the promises of Jesus, everything changes – not only in us, but also in our world.

Sandcastle Kings WaterBrook

The world seems to have figured out the formula for manufacturing material success, but when it comes to finding true, lasting happiness, we are as lost as ever. We yearn for more, or less, or something that's just different from what we have right now. Deep down, we know there must be satisfaction for our longing. We just don't know where to find it. In Sandcastle Kings, Rich Wilkerson, Jr. uses four powerful stories from the seventh chapter of Luke to explain why spiritual fulfillment cannot be found in ourselves, in other people, in material things, or even in religion. By studying the stories of the centurion's faith, the resurrection of the widow's son, Jesus' message about John the Baptist, and the anointing by the woman with the alabaster jar, you will be able to face your doubts and insecurities and overcome your anxiety, discontentment, and depression. Wilkerson wants you to understand that the only answer for your spiritual bankruptcy is Jesus and that until you turn to him you will never experience the lasting peace and joy you so desperately crave.

Hearing God Zondervan

In this hugely acclaimed author's new novel, history comes alive before us when, in the seventeenth century, a Jesuit missionary ventures into the wilderness in search of converts—the defining moment of first contact between radically different worlds, each at once old and new in its own ways. What unfolds over the next few years is truly epic, constantly illuminating and surprising, sometimes comic, always entrancing, and ultimately all-too-human in its tragic grandeur. Christophe, as educated as any Frenchman could be about the "sauvages" of the New World whose souls he has sworn to save, begins his true enlightenment shortly after he sets out when his native guides—terrified by even a scent of the Iroquois—abandon him to save themselves. But a Huron warrior and elder named Bird soon takes him prisoner, along with a young Iroquois girl, Snow Falls, whose family he has just killed. The Huron-Iroquois rivalry, now growing vicious, courses through this novel, and these three are its principal characters. Christophe and Snow Falls are held captive in Bird's massive village. Champlain's Iron People have only lately begun trading with the Huron, who mistrust them as well as this Jesuit Crow who has now trespassed onto their land; and Snow Falls's people, of course, have become the Hurons' greatest enemy. Bird knows that to get rid of them both would resolve the issue, but he sees Christophe, however puzzling, as a potential envoy to those in New France, and Snow Falls as a replacement for the two daughters he'd lost to the Iroquois. These relationships wax and wane as life comes at them relentlessly: a lacrosse match with an allied tribe, a dangerous mission to trade furs with the French for the deadly shining wood that could save the Huron nation, shocking victories in combat and devastating defeats, then a sickness the likes of which none of them has ever seen. The world of The Orenda blossoms to include such unforgettable characters as Bird's oldest friend, Fox; his lover, Gosling, who some believe possesses magical powers; two more Jesuit Crows who arrive to help form a mission; and boys from both tribes whose hearts veer wildly from one side to the other, for one reason or another. Watching over all of them are the spirits that guide their every move. The Orenda traces a story of blood and hope, suspicion and trust, hatred and love, that comes to a head when Jesuit and Huron join together against the stupendous wrath of the Iroquois, when everything that any of them has ever known or believed in faces nothing less than annihilation. A saga nearly four hundred years old, it is also timeless and eternal. This eBook edition includes a Reading Group Guide.

The Miracle in the Middle Thomas Nelson

THE NEW YORK TIMES BESTSELLER "A mesmerizing new historical novel" (O, The Oprah Magazine) from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane*, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village 's all-female diving collective, led by Young-sook 's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger.

Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The *Island of Sea Women* takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother 's position leading the divers in their village. Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man 's land between the two, this curious outsider wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary *Pilgrim 's Progress*, it traces the author 's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith

Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, Blindsight Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
