Blood Heir Hachette+ORM

An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, New York Times bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, New York Times bestselling author of *Drowning Ruth*

How We Fall Delacorte Press

From award-winning author, Ilona Andrews, an all-new novel set in the New York Times #1 bestselling *Kate Daniels World* and featuring Julie Lennart-Olsen, Kate and Curran's ward. Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders, prevent the prophecy from being fulfilled, and get out without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard.

Am I Messing Up My Kids? Harvest House Publishers

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Second Chance Summer NYLA

No one can tell in advance what form a movement will take. Grace Lee Boggs's fascinating autobiography traces the story of a woman who transcended class and racial boundaries to pursue her passionate belief in a better society. Now with a new foreword by Robin D. G. Kelley, *Living for Change* is a sweeping account of a legendary human rights activist whose network included Malcolm X and C. L. R. James. From the end of the 1930s, through the Cold War, the Civil Rights era, and the rise of the Black Panthers to later efforts to rebuild crumbling urban communities, *Living for Change* is an exhilarating look at a remarkable woman who dedicated her life to social justice.

Get Dirty Kathleen Turner

MY NAMEDAY—COME FOR DESSERT, which was first published in 1962, is an invitation to parents to celebrate the family's namedays. It contains the names, feasts, and symbols of our Blessed Mother and the saints, prayers of the liturgy, and appropriate desserts for the celebration of the sanctoral cycle of the Church year in the home. A nameday commemorates the feast of the saint whose name we received at baptism. To the Church's mind, the day of the saint's death is his real feastday, and that is the day usually assigned as his feast—his birthday into heaven. In some countries and in most religious orders it is customary to observe namedays instead of birthdays. On a child's nameday, "My Nameday—Come for Dessert" is a popular way to entertain. It is economical, festive and meaningful, and permits the family to splurge on a fabulous dessert without inflicting lasting wounds on the budget. It can be a "little evening"—a time for a party and a prayer for the child in the company of his friends, a time for pleasant

conversation for the grown-ups who accompany them.

"The Works and Days" of Hesiod and Virgil's "Georgics" are fundamental texts in the Greek canon. Here Nelson brings them together with a metaphysical eye, showing how the two writers each viewed the farming lifestyle as a system of belief unto itself. A translation of Hesiod is included.

Sydney Taylor Award-winning novel *Berlin Boxing Club* is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

Embracing the Wolf Bantam

Beatrice Alexander is no ordinary schoolteacher—she can move objects with her mind, an embarrassing skill she hasn't yet mastered or embraced. After nearly killing her brother by accident, she joins the F.R.E.A.K.S. Squad, the Federal Response to Extra-Sensory and Kindred Supernaturals. This top-secret branch of the FBI combats ghosts, ghouls, and other monsters threatening humanity. With her teammates—among them a handsome former-detective werewolf and an annoying Don Juan vampire who's dead-set on seducing her—Beatrice investigates her first case. Disgustingly dismembered bodies have turned up, bearing bite marks of the undead. Someone—or something—is raising a horde of hideous, bloodthirsty zombies. Armed with Bette, her trusty machete, Beatrice takes on the master of the flesh-devouring corpses, who's guarding a horrifying secret... Featuring a team of monster hunters with unique paranormal abilities, the F.R.E.A.K.S. Squad Investigation series combines humor, suspense, and supernatural crime-fighting. Praise: "The most engaging detectives to face the walking dead since Scully and Mulder. Part urban fantasy, part police procedural, and entirely marvelous, monstrous fun."—Library Journal "If Donald Westlake had ever gotten around to writing a paranormal mystery, it would have sounded like this. Harlow's genre debut is funny, creepy and refreshingly brash."—Kirkus Reviews "Jennifer Harlow's debut novel had me laughing and gasping from start to finish!"—Victoria Laurie, New York Times bestselling author of the *Ghost Hunter Mystery* series and the *Psychic Eye Mystery* series "Wonderful! A gritty, dramatic police-procedural with a compelling heroine and a fascinating group of sidekicks. Looking forward to the sequel!"—Karen Chance, New York Times and USA Today bestselling author of the *Cassandra Palmer* series "Mind Over Monsters is funny, scary, and creepy—and ridiculous amounts of fun!"—Kat Richardson, author of *The Greywalker Novels* "Mind Over Monsters is a non-stop rollercoaster ride that fans of urban fantasy will love! Fast-paced, fun, and wildly entertaining, Jennifer Harlow has given the paranormal police procedural a fresh spin with her loveable machete-wielding heroine. A quirky cast of characters and sharp writing make Mind Over Monsters a wholly wonderful debut. I can't wait to read more!"—Jeannie Holmes, author of *Blood Law and Blood Secrets* "With its breezy style and exuberant sense of fun, this monstrous mystery is a total delight!"—Carolyn Crane, author of *Mind Games* and *Double Cross* "Wildly fun and funny, Harlow offers treats for every paranormal lover to relish, with plenty of action, thrills and laughter."—Leanna Renee Hieber, award-winning, bestselling author of *The Strangely Beautiful* series "In her funny, fast-paced debut, Jennifer Harlow gives us an urban fantasy that sharply blends murder-mystery and horror, and introduces us to a world where the monster in your closet really does exist. Using both humor and logic to help solve a grisly double-murder, reluctant heroine Beatrice Alexander is a woman you can (and do) root for as she struggles to control her powerful telekinetic gift and to find her place in this brave (and sometimes scary) new world."—Kelly Meding, author of *Three Days to Dead*

Bitten Shame: Bend-Bite-Shift, #2 Harper Collins

The New York Times bestselling author begins her paranormal series with an "utterly unique" shapeshifter romance (Maggie Shayne, bestselling author of *Killing Me Softly*). Adam Bruno is no ordinary millionaire. The heir to an ancient race possessing a dark, powerful magic, he can shapeshift and create energy. His gifts make him a living weapon and have forced him to live in seclusion. But now an inhuman force hunts down Adam—just when he finds someone who makes him feel more human than he ever imagined possible . . . Home from combat in Iraq, Bobbie Carerra wants only peace, yet soon joins Adam in a terrifying battle against paranormal enemies who hide in plain sight. She's drawn to his strength of mind and body; he's attracted to her courage and intoxicating energy. Their scorching passion can either transport them to the heights of ecstasy or—if Adam's powers rage out of control—destroy them. But when an invisible brotherhood tightens its nets and someone Adam trusts betrays him, only a heartrending decision can save them. "A fascinating tale of surprising discoveries, intense passions and unique supernatural abilities."—Single Titles "Caridad Piñero establishes her new otherworld inside an action-packed story line."—Harriet Klausner "Wonderfully exciting and powerful."—Romance Reviews Magazine "Piñero's new series will excite readers, new and old . . . The Lost is an excellent beginning to a new series that will have readers counting the days until the second *Sin Hunters* book is released."—RT Book Reviews "Caridad Piñero actually seems to breathe life into each of her characters! Stellar!"—Huntress Reviews

Why Does He Do That? U of Minnesota Press

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can

remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

A promise broken. A bond betrayed. What do you do when an oath of devotion threatens to destroy the one you love? “The drama is high” (Booklist) in this paranormal sequel to *Swoon*. It’s been six months since ghost-turned-golem Sinclair Youngblood Powers confessed his love, stole Dice’s heart, and disappeared from *Swoon*, perhaps from existence. Despite the hurt, Dice has been moving steadily toward ordinary. Dreams of Sin still plague and pleasure her sleep, and the mark Sin left remains on her skin, still sore. But Dice has been throwing herself into music, finding solace in song and sometimes even in the arms of her band mate, Tosh. Life seems almost...normal. The last thing Dice wants is to mess with anything remotely supernatural. But when her best friend’s boyfriend goes missing, Dice has no choice but to become very much involved. She knows that his disappearance was no accident, and it somehow has everything to do with Sin. Because Dice can feel it: Sin is back. And the promises and deceptions he left in his wake have returned to haunt him.

Taylor Edwards family might not be that close - everyone is a little too busy and overscheduled, but for the most part, they get along just fine. Then Taylor's dad gets some devastating news, and her parents decide that the family will spend on last summer together at their old lake house in the Pcocono Mountains. Crammed into a place much smaller than they are used to, they begin to get to know each other again, but as the summer progresses they're more aware than ever that they're battling a ticking clock. And as Taylor tries to deal with the drama at home, she is faced with the fact that the friends she thought she'd left behind haven't actually gone anywhere. Her former summer best friend is still living across the lake and still as mad with Taylor as she was five years ago, and her first boyfriend has moved in next door... but he's much cuter at seventeen than he was at twelve. Can one summer be enough time to get a second chance - with family, friends, and love?

Mind Over Monsters Transmedia

"Kathleen Turner has goals. She moved to Indianapolis to start seeing to them, but things aren't

going quite as well as she'd hoped. She's a runner for a high-powered law firm in town, not the most prestigious of positions, but it and her part-time bartender gig at least pays the bills. And one of the senior partners is a dreamboat in that obscenely rich, disturbingly good looking, slightly snobbish sort of way. It is the middle of the night when Kathleen hears fighting coming from her neighbor Sheila's apartment. As disturbing as that is, it's the ominous sound of silence afterwards that keeps Kathleen from falling back to sleep. Slipping from bed with the intention of making sure everything is okay, Kathleen knocks on her friend's door, only to find Sheila murdered, her naked body sprawled on sheets stained crimson with her blood. Shock and horror are followed by gritty determination when it becomes clear that Sheila's death isn't random and it isn't the result of a jealous boyfriend. It's the opening gambit in a web of murder, deceit, conspiracy, and fraud that stretches to the law firm for which Kathleen works. Maybe to the very office that Blane Kirk commands. And Kathleen Turner, law office runner, can trust no one if she wants to survive."--Page 4 of cover.
