A thrilling debut, reminiscent of new fan favorites like *One of Us Is Lying* and the beloved classics by Agatha Christie, that will leave readers guessing until the explosive ending. “ Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting. ” What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it ’ s a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they ’ re all

connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor ’ s ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

Michael Nye's debut short story collection presents nine stories about people who find themselves at turning points in their lives—times of disruption and dislocation, yet also of reclamation and reinvention. These diverse characters include a war veteran turned radio broadcaster, a film projectionist, a former governor of Ohio, a second-generation comic book store owner, and a vascular surgeon at one of Boston's premier hospitals. Startling and precise in its evocations of the lives of memorable characters, *Strategies Against Extinction* is rich with energetic observation, attentive empathy, and a compelling spirit of uncertainty.

A glimpse of a future that may be right around the corner. Tech thriller *Catch-42* offers a mind-blowing tour of potential uses for AI, biotech, quantum computing, and robotics, all within a suspense-filled story packed with unexpected twists. Dan is an ordinary guy, scrambling to make a living, who has the most extraordinary dream. A mysterious voice from the future asks for his help. He finds himself transported to a technological wonderland where

everyone's dreams can come true. Could this be nirvana, a peaceful and clear state of mind, or is this life destroying the one thing that makes us human? Whose vision of the future should Dan believe: that of the New World Order of WeYou, or the revolution of an underground movement called Teccupy? Before Dan can make his choice, he must learn how we got from here to there. We are with Dan at every moment as he is forced to choose sides and think the unthinkable, make the impossible possible, and turn a hopeless situation into a solvable problem in his search for the ultimate catch-42.

Brimming with current scientific findings, *Catch-42* is a novel like no other that raises fundamental and philosophical questions whose answers depend on us all.

### ADVANCE

**PRAISE** “We added some new letters to the alphabet of life. *Catch-42* turns these new letters into a fascinating story about technology, our society, and future.” —Floyd E. Romesberg, Chemist, Synthetic Biologist, TED Speaker “In *Catch-42*, Felix Holzapfel spins his deep understanding of today's most important technology trends into a gripping narrative about choice, ethics, and the nature of humanity—and shows us that the future will truly be what we make it.” —Greg Verdino, Futurist, Author of “Never Normal” “Creative, inventive, an enjoyable read. Stretched my thinking with an outstanding understanding of emerging technologies and what's possible today, coupled with a futuristic mindset that challenges the reader to explore what's real and what's right.” —Michael Fulton, Academic Director of Digital Executive Education at The Ohio State University “Like it or not, technology will rapidly change our world. *Catch-42* demonstrates
