Home | Nicola Cox Creative Arts & Play Therapy
Play and Creative Arts Therapy is a type of therapy which is similar to counselling. It is a form of psychotherapy which uses play and creative arts as method of expression. The session takes place in a safe and contained environment where the child will work through their own conflicts and challenges alongside their therapist.
Creative Arts and Play Therapy for Attachment Problems ...
Welcome to the register of Play and Creative Arts Therapists This is the first register, for Play Therapists, accredited under a Programme set up in 2012 by the Department of Health and administered by an independent body, accountable to Parliament.

Whether your interest is art, play, sandtray, drama, music, or movement therapy, you will find valuable information and fresh clinical insights to inform your practice. Newer therapists will receive a solid grounding in a trauma-informed approach to expressive therapies, and seasoned therapists will find creative interventions to expand their clinical repertoires.

Creative Interventions with Traumatized Children, Second ...
Play Therapy is a way of helping children to express their thoughts and deal with their emotional problems, using play and creative arts as the main communication tool, rather than relying on words. Play enables us to disconnect from what was said or played out, and test out new ideas without yet claiming them as our own.
