Impossible to read at one sitting, but utterly unputdownable, Schott's Original Miscellany is a unique collection of fabulous trivia. What other book boasts an index that includes shoelace lengths, sign language, and the seven deadly sins; dueling and dwarves; the hair color of Miss America and the Hampton Court maze? Where else can you find, packed onto one page, the names of golf strokes, a history of the Hat Tax, cricketing dismissals, nouns of assemblage, an unofficial motto of the US Postal Service, and the flag of Guadeloupe? Where else but Schott's Original Miscellany will you stumble across John Lennon's cat, the supplier of bagpipes to the Queen, the labors of Hercules, and the brutal methods of murder encountered by Miss Marple? A book like no other, Schott's Original Miscellany is entertaining, informative, unpredictable, and utterly addictive.

Who was the first National Leaguer to hit 50 home runs in two seasons? Even those who strike out on a few questions will relish these fascinating facts and insider 's trivia!

[Cricket Quiz](#) Sterling Publishing Company, Inc.

They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other.

Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split

apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat.

He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from A Boy at War "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water."

December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, The Last Mission, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

Think you know about the Pittsburgh Steelers? Put your knowledge to the test with this selection of quizzes on all things black and yellow. The book covers the whole history of the franchise, from the glorious Chuck Noll era, the renaissance under Bill Cowher and the successful teams of Mike Tomlin. The biggest names in Steelers history are present and correct so look out for questions on Terry Bradshaw, Joe Greene, Ben Roethlisberger, Antonio Brown, James Harrison and many, many more. There are 500 questions in all covering running backs and receivers, coaches and quarterbacks, pass rushers and punters and much else besides. Each quiz contains a selection of 20 questions and is either a mixed bag of pot luck testers or is centered on a specific category such as the 1990s or defense. There are easy, medium and hard questions offering something for new fans as well as professors of Pittsburgh history. Who returned a fifth successive interception for a touchdown in December 2015 to set a new NFL record? Which Steeler became the first player in NFL history to average over 100 rushing and 50 receiving yards per game in a single season? In 1992, who set the franchise record for the most rushing yards in a season with 1,690? The first draft pick of the Mike Tomlin era was used to select which defensive star? Find out the answers to these and many more questions in the Pittsburgh Steelers Trivia Quiz Book.

This is a must-have for both connoisseurs of the game and those who follow it as a profession.

[The Cricket in Times Square](#) Random House

Another Perspective provides a unique point of view on the revamping and development of Pakistan cricket. With a focus on a critical time period (1977 to 1998) left mostly unexplored by the body of cricket historians, the publication seeks to delve deeper into the behind the scenes of cricket, not only as a popular sport, but as one of the most expansive entertainment industries of Pakistan. A communications industry veteran, Taher Memon stepped into the sporting sphere with a profile in advertising, marketing and communication with a multinational, and, over a period spanning two decades, left his own indelible mark on the cricket industry.

Encouraged by Salim Parvez, cricket author and historian, he rose to the challenge of illuminating a phase of cricket history which featured, among many firsts of sports sponsorship in Pakistan, the memorable 1987 and 1996 World Cup events co-hosted by the Pakistan Cricket Board. Taher takes the reader through this previously uncharted territory, illustrating his account with factual evidence built on documents, photographs and video footage from his private archive. Through the lens of Pakistani culture and business, one can experience the social and patriotic dimensions of cricket and its proliferation across the nation. In a manner that is both authentic and captivating, he enables the reader to navigate the rapidly changing and challenging environment during this transformative time in cricket history. This first-hand account examines the driving forces behind the growth of cricket in Pakistan and the tireless efforts put in by a single sponsor, which lifted the game to a higher level. Bringing light to operations that typically occupy our periphery, Another Perspective expands the scope of cricket.

[The D'Oliveira Affair](#) MacMillan UK

Shadows across the Playing Field tells the story of the turbulent cricketing relations between India and Pakistan through the eyes of two men - Shashi Tharoor and Shaharyar Khan - who bring to the task not only great love for the game, but also deep knowledge of subcontinental politics and diplomacy. Shashi Tharoor, a former UN under-secretary-general and man of letters, is a passionate outsider, whose comprehensive, entertaining and hard-hitting analysis of sixty years of cricketing history displays a Nehruvian commitment to secular values, which rejects sectarianism in sports in either country. Shaharyar Khan, a former Pakistan foreign secretary, is very much the insider, who writes compellingly of his pivotal role as team manager and then chairman of the Pakistan Cricket Board at a time when cricket was in the forefront of detente between the two countries. In their essays, the two authors trace the growing popularization of cricket from the days of the Bombay Pentangular to the Indian Premier League. They show how politics and cricket became intertwined and assess the impact it has had on the game. But above all, their book is a celebration of the talent of the many great cricketers who have captivated audiences on both sides of the border. If politics and terrorism can at times stop play, the authors believe that cricket is also a force for peace and they look forward to more normal times and more healthy competition.

She's a guest and returning to New York. He was convinced she should never have come to India. But can Mr. Khan let her go now? He's prickly and growly. She's got no time for that. Unable to express his feelings, he accidentally records a video message for a departing Zoya. And his half-confession makes her realize her own feelings for Mr. Khan. But finding true love won't be easy. Zoya, the eternal misfit and optimist, came to India to find a long-lost father; she found much more instead. While his raging angst built precise walls at 90-degree angles, Zoya bumped into them leaving behind a glittery giggle heap. When Jahanpanah six packs collided with New York ki Jhansi ki Rani, stars fell to the earth and an unparalleled passion ignited.

[Berkmann's Cricketing Miscellany](#) Farrar, Straus and Giroux (BYR)

The Ultimate Test (pun intended) of your Cricketing Knowledge There is something about the mixture of craftsmanship and power that makes cricket suitable for every audience. If you have great patience and like the classic variant, Test Matches are for you. If you have been a fan for a decade or so, you probably like One Day Internationals. If you're a new fan, you might have discovered the sport through Twenty20 matches, probably through the Indian Premier League or another league similar to the IPL. From Don Bradman to Sachin Tendulkar, and from Dennis Lillee to Muttiah Muralitharan, great batsmen and bowlers have taken the sport of cricket to new heights over the decades. With the game expanding to dozens of new countries, and with women's cricket going from strength to strength, it is surely only a matter of time before the world's Commonwealth Game makes its appearance in the Olympics. This book contains a large number of trivia puzzles and clues that will lead you to the names of some of the best cricket batsmen, bowlers, and fielders of all time. I have tried to include as many different players as possible - from those who played mostly Tests to those who only played ODIs, from obscure players to household names, and from all-rounders to specialists in their field. There are famous names, controversial names, popular names - a great mix of people who will help you relive the glory days of cricket in your mind. The book can be read in many different ways. If you want, you can go through the questions and puzzles by yourself, and test your skill against the clock - the answers are all provided, and multiple hints to the identity of each player are given. In addition, you can also play with one or more friends - the structure of the book is ideally suited to cooperative attempts. Just like in the sport of cricket itself, teamwork makes everything better and easier! You can also use it as the basis for a cricket based trivia competition, since a contest makes everything a little more interesting. The knowledge contained in this book will make sure that your brain is enriched after even a casual reading. It will challenge your memory and your trivia store, and test those to the limits - only the very best can help for a century score. At the same time, it will also give your mind a thorough workout, as you solve the clues to the name of each player in isolation, your pattern recognition skills can help compensate for the lack of knowledge of a particular player. The scoring for the puzzle games in this cricket book can be done in many different ways. You can give yourself two runs for every Format 1 question you get right without the hints, and a boundary for every Format 2 (scramble) question that you get correct without the aid of hints. If you need to use the hints on the nationality and debut year of the cricketer in question, your points reduce by half. At the end of each set of six chapters, you can total your score and see if you were able to get to a half century or a century. The number of points up for grabs increases dramatically in the last few chapters: legendary trivia cricket players might even be able to score a double or a triple century towards the end. Are you one of them? There is something about nail biting last over finishes to an ODI or T20 World Cup match or a sublime triple century composed over multiple innings of a crucial Test Match that cannot be replicated easily in any other sport. This book is a celebration of the players who toiled for decades so that they could bring us those moments of joy, and elevate our viewing experience to something unforgettable. Thank you, cricketers! I am sure that you will have a great time with this book. All the very best!
