Arkady and Boris Strugatsky are widely known as the greatest Russian writers of science fiction, and their 1964 novel Hard to Be a God is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? Hard to Be a God has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated by Olena Bormashenko, whose translation of the authors' Roadside Picnic has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed context—reintroduces one of the most profound Soviet-era novels to an eager audience.

Stone Cold Fox Evangeline Anderson

What happens when you've been under an uglification spell your entire life and it suddenly gets lifted? Well, read my book if you want to find out--it's what you might call a cautionary tale... I used to be plain, boring, forgettable Emma Plunkett...but that was back when I thought I was human. Now, I'm something completely different. I have raven hair, purple eyes, and the power to Fascinate--not to mention two gorgeous Fae warriors who have both sworn their undying love and loyalty to me. (How can I choose between them when I want them both?)I've heard the other students at Nocturne Academy whispering behind my back. Either I'm a lost Fairy Princess...or a creature so dark and evil I could change the fate of the Fae Realm forever--only I don't know which!But I have a bad feeling I'm about to find out...

Brides of the Kindred-- A race of Alien Warriors from beyond the stars. Three very different types of Alpha males all focused on one thing...claiming their brides In all their years of travel the Kindred have come across only three worlds with species close enough to their own to initiate a trade. Earth is the fourth. Olivia Waterhouse is about to be Claimed Olivia Waterhouse has just graduated from nursing school and has her whole life ahead of her—until she gets drafted. Problem is, she isn ’ t being forced into the Army, she ’ s been chosen as a Kindred bride. The Kindred are huge alien warriors—a race of genetic traders whose population is ninety-five percent male. After saving Earth from the threat of invasion they demand a reward—the right to find brides among the population. The chances of being chosen are about the same as those of winning the lottery—guess it ’ s just Liv ’ s lucky day. Baird is a Beast Kindred who recently escaped imprisonment and torture at the hands of the malevolent Scourge. Through the torment and pain only one thing kept him sane—the thought of finding and claiming his bride—Olivia. His need to possess her is a burning intensity that threatens to consume them both. Angry at having her future and her family taken away from her, Liv vows to fight back the only way she can—by resisting. She has one month on the Kindred

Mothership with Baird—their claiming period. If she can keep from having bonding sex with him during that time, she can go home and get on with her life on Earth. But Baird isn ’ t going to make it easy for her. Every week he is allowed to touch Liv more and more intimately and according to the contract she signed, she has to let him. She ’ s determined to resist him but his touch sets her on fire. And just as she thinks she knows what she wants, a twist of fate and an attack by the faceless Scourge AllFather changes everything... A race of Genetic Traders from beyond the stars Three very different types of warriors All looking for one thing...their brides Beast Kindred—Savage in battle these dark, brooding warriors from Rageron bring their passion and intensity to the bedroom. They possess a very special endowment that ensures every sexual experience is a tantric one. Blood Kindred—Cold as ice to their enemies, these tall, blond warriors from Tranq Prime warm up when they find the right woman. But be careful...they bite. Twin Kindred—Muscular and rugged, these warriors from Twin Moons always come in pairs and cannot be separated. They experience physical pain when parted from each other...or the one woman they both choose to love. And then there is the enemy... The Scourge—A genetic trade gone wrong, these menacing outsiders have twisted desires and sexual needs fierce enough to frighten away even the most adventurous. Their need to dominate and possess their women completely has led to a strange prophesy that they must fulfill...or die trying.

From the Pulitzer Prize – winning author of The Looming Tower, and the pandemic novel The End of October: an unprecedented, momentous account of Covid-19—its origins, its wide-ranging repercussions, and the ongoing global fight to contain it "A book of panoramic breadth ... managing to surprise us about even those episodes we ... thought we knew well ... [With] lively exchanges about spike proteins and nonpharmaceutical interventions and disease waves, Wright ’ s storytelling dexterity makes all this come alive. ” —The New York Times Book Review From the fateful first moments of the outbreak in China to the storming of the U.S. Capitol to the extraordinary vaccine rollout, Lawrence Wright ’ s The Plague Year tells the story of Covid-19 in authoritative, galvanizing detail and with the full drama of events on both a global and intimate scale, illuminating the medical, economic, political, and social ramifications of the pandemic. Wright takes us inside the CDC, where a first round of faulty test kits lost America precious time . . . inside the halls of the White House, where Deputy National Security Adviser Matthew Pottinger ’ s early alarm about the virus was met with confounding and drastically costly skepticism . . . into a Covid ward in a Charlottesville hospital, with an idealistic young woman doctor from the town of Little Africa, South Carolina . . . into the precincts of prediction specialists at Goldman Sachs . . . into Broadway ’ s darkened theaters and Austin ’ s struggling music venues . . . inside the human body, diving deep into the science of how the virus and vaccines function—with an eye-opening detour into the history of vaccination and of the modern anti-vaccination movement. And in this full accounting, Wright makes clear that the medical professionals around the country who ’ ve risked their lives to fight the virus reveal and embody an America in all its vulnerability, courage, and potential. In turns steely-eyed, sympathetic, infuriated, unexpectedly comical, and always precise, Lawrence Wright is a formidable guide, slicing through the dense fog of misinformation to give us a 360-degree portrait of the catastrophe we thought we knew.

A fierce warrior, forced to feel the agony of others A girl with a past full of pain caused by his kind When the two of them go undercover on a dangerous mission will they bond? Or are they Cursed to be apart forever?

Commander Stavros Rii of the Kindred is a Sin Eater--thick black lines cover his back and neck causing him to feel the pain of others. It is a curse that threatens to shorten his life and makes him unable to bond with a female--not that he's ever found one he wants to bond with. Until he meets Charlie. Charlie Sayers is an agent with the Earth Protection Bureau-- and anti Kindred agency dedicated to ridding the world of the big aliens. Charlie joined the EPB out of a sense of patriotism but she has her own reasons to hate the Kindred. But she has bigger

---

problems than the Kindred at the moment--the Enhanced Ones have come to Earth and they're planning to take over the planet, enslave the inhabitants and strip them of all emotion. Charlie can't have that so she agrees to go undercover with Stavros to find the Heart of Love--an artifact which can destroy their mutual enemy forever. On their dangerous and difficult mission, Charlie learns that going undercover with your worst enemy can rapidly turn him into your best friend...or your lover. Can she hold on to her beliefs and stay true to herself, or will she lose her heart to Stavros? And even if she gives in to desire, will Stav be able to bond her to him? Or are they Cursed to be apart forever?
