What was one of the most memorable moments of Critical Failures II: Fail Harder? Cooper, the Half-Orc, receives several magic enhancements to his physical strength in order to climb a large cliff and help their friend Stuart climb down more quickly. One of these buffs is a bardic song, so Chaz of course plays Eye of the Tiger on his lute.

Knowing how to spot the signs of an imminent SSD failure, as well as understanding how to troubleshoot a malfunctioning SSD, can mark the difference between permanent data loss and a trouble-free recovery. Like any storage device, an NVMe SSD will eventually fail; the only variable is when. Unlike hard drives, SSDs can't send an audible

warning that something may be going wrong.

How to Answer Interview Questions About Failure

One common type of interview question that makes many job applicants nervous is any question about failure. One of the toughest interview questions about failure is, "Are you willing to fail?" It might feel unnatural to acknowledge your weaknesses and failures in an interview. However, there are ways to answer this question that will prove you are qualified for the job.

'Critical Failures II: Fail Harder' is the continuing hilarious tale of a small group of RPG players who are trapped in the fantasy realm of Caverns and Creatures. I have to say I'm loving this series. The first book was brilliant, ...
