Chicago's V. I. Warshawski

"is at her stubborn, reckless,
compassionate best in this
complicated page-turner about
selfish secrets passed down
through generations"

(Booklist). In 1939, Dr. Lotty
Herschel, V. I. Warshawski's
closest friend in Chicago,
escaped the Holocaust in
Vienna with her childhood
playmate, Kitty Saginor
Binder. Though the two drifted
and animosities grew between

them over the years, when
Kitty's daughter finds her life in
danger, she turns to Lotty for
help. In turn, Lotty summons V.
I. to take the case. The threats
on the daughter's life at first
seem a simple case of bad
drug dealings, but V. I. soon
discovers that they are just the
tip of an iceberg of lies secrets
and silence whose origins
trace back to the deadly race
among America, Germany,
Japan, and England to develop
the atomic bomb. And while
the secrets may be old, the
people who continue to guard
them will do anything to make
sure they stay buried...

Broken G.P. Putnam's Sons
Chicago occupies a central

position in both the geography and
literary history of the United
States. From its founding in 1833
through to its modern incarnation,
the city has served as both a
thoroughfare for the nation's
goods and a crossroads for its
cultural energies. The idea of
Chicago as a crossroads of
modern America is what guides
this literary history, which traces
how writers have responded to a
rapidly changing urban
environment and labored to make
sense of its place in - and
implications for - the larger whole.
In writing that engages with the
world's first skyscrapers and
elevated railroads, extreme
economic and racial inequality, a
growing middle class, ethnic and

multiethnic neighborhoods, the Great Migration of African Americans, and the city's contemporary incarnation as a cosmopolitan urban center, Chicago has been home to a diverse literature that has both captured and guided the themes of modern America. Blacklist Penguin
Candid, shocking, and unforgettable, Broken is a haunting and clear-eyed tale that offers hope for all those wrestling with addiction Unlike some popular memoirs that have fictionalized and romanticized the degradations of drug addiction, Broken is a true-life tale of recovery that

stuns and inspires with virtually every page. The eldest son of journalist Bill Moyers, William Cope Moyers relates with unforgettable clarity the story of how a young man with every advantage found himself spiraling into a love affair with crack cocaine that led him to the brink of death-and how a deep spirituality allowed him to conquer his shame, transform his life, and dedicate himself to changing America's politics of addiction. "William Cope Moyers's lucid, measured tale of his own plunge into crack-addled hell [is] frightening in its very realism." -USA Today

Bleeding Kansas Cambridge University Press
" V.I. Warshawski is back—intelligent, tough, sarcastic and trouble-prone as ever....Body Work isn ' t just a satisfying whodunnit; it ' s a rich, well-written why-dunnit, striking some surprising chords that will resonate long after you finish the final page. " —St. Louis Post-Dispatch
Chicago ' s Club Gouge attracts an eclectic audience, from bohemian types to Ukranian mobsters to young men just back from the war. And tonight, V.I. Warshawski is in the crowd too. The edgy stage show stars

The Body Artist, who invites audience members to draw on her naked flesh. But things get a lot edgier when a woman sketches a picture on the Body Artist—and one of the veterans flies into a drunken rage. Next thing V.I. knows, she’s cradling the woman’s dying body in an alley, and a PTSD-stricken soldier is presumed guilty. But he’s also comatose after a drug overdose, and the mystery of what exactly set him off—and what kinds of shady activities are really happening at Club Gouge—will lead V.I. to a truth as explosive as the IEDs that lurk on the roadsides of Iraq.

Bonus in this Edition: A Short Story Featuring V.I. Warshawski
The Society for Useful Knowledge
WaterBrook
Chicago politics—past, present, and future—take center stage in this complex and compelling V.I. Warshawski novel from New York Times bestselling author Sara Peretsky. Tracking down missing persons is part of V.I. Warshawski’s job. But Lamont Gadsden has been missing for more than forty years—last seen heading out into the 1967 blizzard, in the midst of Chicago’s racial unrest. V.I. figured the search would be futile. She didn’t realize it would be lethal...or lead to troubling discoveries about her own family. And when her young

cousin Petra disappears, an angry preacher, a jailed gangbanger, and politics from both past and present interconnect—and plunge V.I. into a mystery as unsettling as the ‘60s themselves. A New York Times Notable Crime Book of the Year

BESTSELLER • “The best of Sara Paretsky’s mystery novels . . . all of [Sara] Warshawski’s feminist and liberal proclivities are in full boil, propelling a complex and action-filled plot.” Stubbornness has landed private eye V.I. Warshawski in

big trouble at her Chicago office. With her grand old Loop building set to be razed, she 's become a hold-out tenant amid frayed wiring and scary, empty corridors. Then she finds a homeless woman with three kids in the basement, and before she can rescue them, they disappear. Worst of all, she 's been implicated in a murder—after the body of Deirdre Messenger, a prominent lawyer 's wife, turns up sprawled across her desk. V.I., who had volunteered with Deirdre at a women 's shelter, suspects her death is linked to a case of upper-class domestic abuse so slickly concealed that

the police refuse to believe it. Increasingly at odds with the cops, V.I. is blindly plunging ahead after the truth. And her path may lead to corruption at the highest levels.or deep into the abandoned tunnels beneath Chicago 's streets, where secrets are hiding in the dark like a child 's—or V.I. 's—worst nightmare. “ Riveting . . . a ripsnorting climax . . . [Warshawski is] street-smart, feisty yet appealingly vulnerable. ” —Chicago Sun-Times
For Us, The Living LSU Press
The biography of a Minnesota politician who drew attention to civil rights and democratic values

and engaged in "people's diplomacy" by reaching out to everyday citizens at home and abroad.
Sara Paretsky Forge Books
From Grandmaster Robert A. Heinlein comes a long-lost first novel, written in 1939 and never before published, introducing ideas and themes that would shape his career and define the genre that is synonymous with his name. July 12, 1939 Perry Nelson is driving along the palisades when suddenly another vehicle swerves into his lane, a tire blows out, and his car careens off the road and over a bluff. The last thing he sees before his head connects with

the boulders below is a girl in a green bathing suit, prancing along the shore.... When he wakes, the girl in green is a woman dressed in furs and the sun-drenched shore has transformed into snowcapped mountains. The woman, Diana, rescues Perry from the bitter cold and takes him inside her home to rest and recuperate. Later they debate the cause of the accident, for Diana is unfamiliar with the concept of a tire blowout and Perry cannot comprehend snowfall in mid-July. Then Diana shares with him a vital piece of information: The date is now January 7. The year...2086.

When his shock subsides, Perry begins an exhaustive study of global evolution over the past 150 years. He learns, among other things, that a United Europe was formed and led by Edward, Duke of Windsor; former New York City mayor LaGuardia served two terms as president of the United States; the military draft was completely reconceived; banks became publicly owned and operated; and in the year 2003, two helicopters destroyed the island of Manhattan in a galvanizing act of war. This education in the ways of the modern world emboldens Perry to assimilate to

life in the twenty-first century. But education brings with it inescapable truths -- the economic and legal systems, the government, and even the dynamic between men and women remain alien to Perry, the customs of the new day continually testing his mental and emotional resolve. Yet it is precisely his knowledge of a bygone era that will serve Perry best, as the man from 1939 seems destined to lead his newfound peers even further into the future than they could have imagined. A classic example of the future history that Robert Heinlein popularized during his career,

For Us, The Living marks both the beginning and the end of an extraordinary arc of political, social, and literary crusading that comprises his legacy. Heinlein could not have known in 1939 how the world would change over the course of one and a half centuries, but we have our own true world history to compare with his brilliant imaginings, rendering For Us, The Living not merely a novel, but a time capsule view into our past, our present, and perhaps our future. The novel is presented here with an introduction by acclaimed science fiction writer Spider Robinson and an afterword by

Professor Robert James of the Heinlein Society. [A Woman's Eye](#) Bloomsbury Publishing USA
Despite the West's growing involvement in Muslim societies, conflicts, and cultures, its inability to understand or analyze the Islamic world threatens any prospect for East – West rapprochement. Impelled by one thousand years of anti-Muslim ideas and images, the West has failed to engage in any meaningful or productive way with the world of Islam. Formulated in the medieval halls of the Roman Curia and courts of the

European Crusaders and perfected in the newsrooms of Fox News and CNN, this anti-Islamic discourse determines what can and cannot be said about Muslims and their religion, trapping the West in a dangerous, dead-end politics that it cannot afford. In Islam Through Western Eyes, Jonathan Lyons unpacks Western habits of thinking and writing about Islam, conducting a careful analysis of the West's grand totalizing narrative across one thousand years of history. He observes the discourse 's corrosive effects on the social sciences, including sociology,

politics, philosophy, theology, international relations, security studies, and human rights scholarship. He follows its influence on research, speeches, political strategy, and government policy, preventing the West from responding effectively to its most significant twenty-first-century challenges: the rise of Islamic power, the emergence of religious violence, and the growing tension between established social values and multicultural rights among Muslim immigrant populations. Through the intellectual "archaeology" of Michel Foucault, Lyons reveals the

workings of this discourse and its underlying impact on our social, intellectual, and political lives. He then addresses issues of deep concern to Western readers—Islam and modernity, Islam and violence, and Islam and women—and proposes new ways of thinking about the Western relationship to the Islamic world.

Deadlock Dell

The 30th anniversary edition of the first V. I. Warshawski novel, *Indemnity Only*, featuring a new afterword from Sara Paretsky Meeting an anonymous client late on a sizzling summer night is

asking for trouble. But trouble is Chicago private eye V. I. Warshawski's specialty. Her client says he's the prominent banker John Thayer. Turns out he's not. He says his son's girlfriend, Anita Hill, is missing. Turns out that's not her real name. V. I.'s search turns up someone soon enough—the real John Thayer's son, and he's dead. Who's V. I.'s client? Why has she been set up and sent out on a wild-goose chase? By the time she's got it figured, things are hotter—and deadlier—than

Chicago in July. V. I. 's in a desperate race against time. At stake: a young woman 's life. Fallout Cambridge University Press THE NEW YORK TIMES BESTSELLER " Takes off with a bang—literally... V. I. remains a paragon among PIs, and Fire Sale is one of Paretsky 's best books yet. " —St. Louis Post-Dispatch A conscience can weigh a PI down more than the heaviest firearm—and get her into more trouble too. It 's that nagging conscience that makes V. I. Warshawski agree to fill in as coach for the girls ' basketball team at her South Chicago alma mater—which in turn leads her to the headquarters of By-Smart, the

global retail empire where V. I. hopes to get some desperately needed funds for the struggling squad. But conscience seems to be in short supply at By-Smart...with the exception of Billy Bysen, the earnest teenage grandson of the chain 's gruff, tightfisted founder. And when Billy disappears—along with a mysterious document much desired by By-Smart 's management team—V. I. is hurled onto a twisted, body-strewn path that runs through Chicago 's dirtiest places and reveals some of its dirtiest secrets... Chicago Dell Emory University professor Sally Wolff has carried on a fifty-year tradition of leading students on expeditions to "Faulkner country"

in and around Oxford, Mississippi. Not long ago, she decided to invite alumni on one of these field trips. One response to the invitation surprised her: "I can't go on the trip. But I knew William Faulkner." They were the words of Dr. Edgar Wiggin Francisco III, and in talking with Wolff he revealed that as a child in the 1930s and 1940s he did indeed know Faulkner quite well. His father and Faulkner maintained a close friendship for many years, going back to their shared childhood, but the fact of their friendship has been unrecognized because the two men saw much less of each other after the early years of their marriages. In Ledgers of History, Wolff recounts her conversations with Dr. Francisco --

known to Faulkner as "Little Eddie" -- and reveals startling sources of inspiration for Faulkner's most famous works. Dr. Francisco grew up at McCarroll Place, his family's ancestral home in Holly Springs, Mississippi, thirty miles north of Oxford. In the conversations with Wolff, he recalls that as a boy he would sit and listen as his father and Faulkner sat on the gallery and talked about whatever came to mind. Francisco frequently told stories to Faulkner, many of them oft-repeated, about his family and community, which dated to antebellum times. Some of these stories, Wolff shows, found their way into Faulkner's fiction. Faulkner also displayed an absorbing interest in a seven-

volume diary kept by Dr. Francisco's great-great-grandfather Francis Terry Leak, who owned extensive plantation lands in northern Mississippi before the Civil War. Some parts of the diary recount incidents in Leak's life, but most of the diary concerns business transactions, including the buying and selling of slaves and the building of a plantation home. During his visits over the course of decades, Francisco recalls, Faulkner spent many hours poring over these volumes, often taking notes. Wolff has discovered that Faulkner apparently drew some of the most important material in several of his greatest works, including *Absalom, Absalom!* and *Go Down, Moses*, at least in part from the diary.

Through Dr. Francisco's vivid childhood recollections, *Ledgers of History* offers a compelling portrait of the future Nobel Laureate near the midpoint of his legendary career and also charts a significant discovery that will inevitably lead to revisions in historical and critical scholarship on Faulkner and his writings. *The Monster in the Hollows* McFarland V. I. Warshawski explores secrets and betrayals that stretch across four generations in this New York Times bestselling novel from one of the most compelling writers in American crime fiction... "A thoughtful, high-tension mystery." —The Washington Post Book World "A genuinely

exciting and disturbing thriller. ” —Chicago Tribune As a favor to her most important client, V. I. agrees to check up on an empty mansion. But instead of a mysterious intruder she discovers a dead man in the ornamental pond—a reporter for an African-American publication whom the suburban cops are quick to dismiss as a suicide. When the man ’ s shattered family hires V. I. to investigate, she is sucked into a Gothic tale of sex, money, and power, leading her back to McCarthy-era blacklists and forward to some of the darker aspects of the Patriot Act. As V. I. finds herself penned in to a smaller and smaller space by an array of people trying to silence her, and

before she can untangle the sordid truth, two more people will die—and V.I. ’ s own life will hang in the balance.

Physical Examination of the Shoulder Houghton Mifflin Harcourt

Murder and intrigue on the steps of the United States capital building pulls Robert Brixton into his most personal case yet, in Margaret Truman's *Murder at the CDC 2017: A military transport on a secret run to dispose of its deadly contents vanishes without a trace. The present: A mass shooting on the steps*

of the Capitol nearly claims the life of Robert Brixton ’ s grandson. No stranger to high-stakes investigations, Brixton embarks on a trail to uncover the motive behind the shooting. On the way he finds himself probing the attempted murder of the daughter his best friend, who works at the Washington offices of the CDC. The connection between the mass shooting and Alexandra ’ s poisoning lies in that long-lost military transport that has been recovered by forces determined to change

America forever. Those forces are led by radical separatist leader Deacon Frank Wilhyte, whose goal is nothing short of bringing on a second Civil War. Brixton joins forces with Kelly Lofton, a former Baltimore homicide detective. She has her own reasons for wanting to find the truth behind the shooting on the Capitol steps, and is the only person with the direct knowledge Brixton needs. But chasing the truth places them in the cross-hairs of both Wilhyte ' s legions and his Washington enablers. At the

Why We Read Fiction

Penguin

NEW YORK TIMES BESTSELLER • “ A spectacular mystery—complex, fast-paced yet ruminative, and imbued with the grim awareness, shared by all intelligent hard-boiled novels, that the past always catches up with us . . . a thrilling and even moving mystery. ” —The Washington Post Book

World V.I. ' s journey begins with a national conference in downtown Chicago, where angry protesters are calling for the recovery of Holocaust assets. Replayed on the evening news is the scene of a slight man who has stood up at the conference to tell an astonishing story of a childhood shattered by the Holocaust — a story that has devastating consequences for V.I. ' s cherished friend and mentor, Lotty Herschel. Lotty was a girl of nine when she emigrated from Austria to England, one of a group of

children wrenched from their parents and saved from the Nazi terror just before the war broke out. Now stunningly—impossibly—it appears that someone from that long-lost past may have returned. With the help of a recovered-memory therapist, Paul Radbuka has recently learned his true identity. But is he who he claims to be? Or is he a cunning impostor who has usurped someone else's history . . . a history Lotty has tried to forget for over fifty years? As a frightened V.I. watches her friend unravel, she sets out to help in the only way she can: by investigating Radbuka's past. Already working on a difficult case for a poor family cheated of their life insurance, she tries to balance Lotty's needs with her client's, only to find that both are spiraling into a whirlpool of international crime that stretches from Switzerland and Germany to Chicago's South Side. As the atrocities of the past reach out to engulf the living, V.I. struggles to decide whose memories of a terrible war she can trust, and moves closer to a chilling realization of the truth—a truth that almost destroys her oldest friend.

Indemnity Only Penguin Why We Read Fiction offers a lucid overview of the most exciting area of research in contemporary cognitive psychology known as "Theory of Mind" and discusses its implications for literary studies. It covers a broad range of fictional narratives, from Richardson's *Clarissa*, Dostoyevski's *Crime and Punishment*, and Austen's *Pride and Prejudice* to Woolf's *Mrs. Dalloway*,

Nabokov's *Lolita*, and Hammett's *The Maltese Falcon*. Zunshine's surprising new interpretations of well-known literary texts and popular cultural representations constantly prod her readers to rethink their own interest in fictional narrative. Written for a general audience, this study provides a jargon-free introduction to the rapidly growing interdisciplinary field known as cognitive approaches to literature and culture. Mrs. Ambassador Burns New York Times bestselling

author of the Spenser series of crime thrillers—Book 1 in the series “The toughest, funniest, wisest, private eye in the field these days.” —Houston Chronicle Spenser earned his degree in the school of hard knocks, so he is ready when a Boston university hires him to recover a rare, stolen manuscript. He is hardly surprised that his only clue is a radical student with four bullets in his chest. The cops are ready to throw the book at the pretty blond coed whose prints are all over the murder weapon but Spenser knows there are no easy answers. He tackles some very heavy homework and

knows that if he doesn't finish his assignment soon, he could end up marked “D” —for dead. Photo Finish Dell 5 young men. 32 destroyed police vehicles. 1 spectacular bank robbery. This “cinematic” true crime story transports readers to the scene of one of the most shocking bank heists in U.S. history—a crime that’s almost too wild to be real (The New York Times Book Review). Norco ’80 tells the story of how five heavily armed young men—led by an apocalyptic born – again Christian—attempted a bank robbery that turned into one of the most violent criminal events in U.S. history, forever changing the face of American law enforcement.

Part action thriller and part courtroom drama, this Edgar Award finalist for Best Fact Crime transports the reader back to the Southern California of the 1970s, an era of predatory evangelical gurus, doomsday predictions, megachurches, and soaring crime rates, with the threat of nuclear obliteration looming over it all. In this riveting true story, a group of landscapers transforms into a murderous gang of bank robbers armed to the teeth with military – grade weapons. Their desperate getaway turns the surrounding towns into war zones. And when it ' s over, three are dead and close to twenty wounded; a police helicopter has been forced down from the sky, and

thirty – two police vehicles have been completely demolished by thousands of rounds of ammo. The resulting trial shakes the community to the core, raising many issues that continue to plague society today: from the epidemic of post – traumatic stress disorder within law enforcement to religious extremism and the militarization of local police forces.
