This field stores a set of options each having a number value and label. In other words, it is a dropdown field in CRM. You can also define Global Option Sets which can be used across multiple forms. 3: Two Options (Radio Button) This field provides two options for the user to select (0 or 1). In other words, it is a radio button field. 4: Image Login - The Crm Field Guide This curriculum is affectionately referred to (by me) as The CRM Field Guide Guide, and will help each role focus on their specific area of expertise or interest.
