CRMA, which stands for Certification in Risk Management Assurance, is the latest certification offered by the IIA. The CRMA exam was introduced in 2013. As the name suggests, the certification covers the skills required for a professional to educate and advice the management and audit committee on risk management concepts.

Risk Book Bundle. These four new releases provide effective risk assessment and management tools, including

strategies to leverage

The CRMA exam study guide is a good basis to know what topics to expect in the exam. I recommend reading it at least a couple of times. Practice questions from this book are also an important tool to prep for the exam. CRMA exam practice questions are sometimes quite tricky and long, but I think they are useful to make sure you know the concepts well.
