The Mindf*ck Series

Routledge

The series Genocide and Mass Violence in the Age of Extremes wants to provide an interdisciplinary forum for research on mass violence and genocide during the "short" 20th century. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You
He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed

and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and

desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his

angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

The traces of the Cold War

are still visible in many places

all around the world. It is the

topic of exhibits and new

museums, of memorial days

and historic sites, of

documentaries and movies, of

arts and culture. There are

historical and political

controversies, both nationally

and internationally, about how the history of the Cold War should be told and taught, how it should be represented and remembered. While much has been written about the political history of the Cold War, the analysis of its memory and representation is just beginning. Bringing together a wide range of scholars, this volume describes and analyzes the cultural history and representation of the Cold War from an international perspective. That innovative approach focuses on master narratives of the Cold War, places of memory, public and private memorialization, popular culture, and schoolbooks. Due to its unique status as a center of Cold War confrontation and competition, Cold War memory in Berlin receives a special emphasis. With the friendly support of the Wilson Center.

"There's a moment when it comes to amazing books... where you realize that the book you're reading completely and irrevocably owns you... [Surviving Raine] has that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... ...until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute,

and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the *only* accurate way to sum up the dark, unsettling, exciting, unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is Surviving Raine!!"

In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. An Irish mobster. A missing friend. Two loyalties, ripping me apart. I had a plan. Get in, get my information, and get out. Easy, right? Turns out, infiltrating the Irish mafia isn't exactly what I thought it would be. I just wanted a soldier. Someone I could flirt with to get me in the

Problem was, he wasn't a soldier. No, he was next in line for the throne of the Irish underworld. And he was determined to hate me from the outset. My sob story about needing a job? Yeah, he wasn't buying that either. Too bad for him, I won't let anyone get in the way of my mission. Who cares if we have some kind of crazy chemistry? From the incomparable New York Times bestselling author Bertrice Small comes a heroine as breathtaking as she is legendary. Indomitable and bold in an era of royalty and rogues, Skye O'Malley is a woman who embraces her unbridled sensuality as valiantly as she fights for her children, her lovers, her empire. A woman of justice and honor, she will match wits with and challenge the most dangerous and powerful woman of her time: Queen Elizabeth I. Though Skye is the object of every man's fantasy, only a handful have had the thrill of tasting her enticing passions—men whose own daring adventures match her exotic forays into a world of lust, longing, and remarkable destiny. Skye's is

a stunning tale that reaches from the emerald hills of Ireland to the lush palaces of Algiers to the helm of a shipping empire, where she will wage her greatest battle for love and vengeance against the crown itself. Praise for Skye O'Malley “Small creates cover-to-cover passion, a keen sense of history, and suspense.”—Publishers Weekly “Small continues to prove herself worthy of the title queen of sensuality!”—Literary Times
