St. Martin's Griffin
TO TAKE BACK LIFE, ONE MUST
FIRST FACE DEATH...
Conditioned in captivity to
maim, to kill and to
slaughter, prisoner 818
becomes an unrivaled and
unstoppable fighter in the
ring. Violence is all he
knows. After years of
incarceration in an
underground hell, only one
thought occupies his mind:
revenge... bloody, slow and
violent revenge. Revenge on
the man who wronged him. Kisa
Volkova is the only daughter
of Kirill 'The Silencer'
Volkov, head of the infamous
'Red' bosses of New York's
Russian Bratva. Her life is
protected. In reality, it's a
virtual prison. Her father's

savage treatment of his rivals
and his lucrative and coveted
underground gambling ring-The
Dungeon-ensures too many
enemies lurk at their door.
She dreams to be set free.
Kisa has known only cruelty
and loss in her short life.
While working for her church-
the only reprieve in her
constant surveillance-Kisa
stumbles across a tattooed,
scarred, but stunningly
beautiful homeless man on the
streets. Something about him
stirs feelings deep within
her; familiar yet impossibly
forbidden desires. He doesn't
talk. Doesn't communicate with
anyone. He's a man beyond
saving. But Kisa becomes
obsessed with him. Yearns for
him. Craves his touch. Needs
to possess this mysterious
man... ... this man they call
Raze.

The Mindf*ck Series Ballantine Books

The traces of the Cold War are still

visible in many places all around the

world. It is the topic of exhibits and

new museums, of memorial days and

historic sites, of documentaries and

movies, of arts and culture. There are

historical and political controversies,

both nationally and internationally,

about how the history of the Cold War

should be told and taught, how it

should be represented and

remembered. While much has been

written about the political history of

the Cold War, the analysis of its

memory and representation is just

beginning. Bringing together a wide

range of scholars, this volume

describes and analyzes the cultural

history and representation of the Cold

War from an international perspective.

That innovative approach focuses on

master narratives of the Cold War,

places of memory, public and private

memorialization, popular culture, and

schoolbooks. Due to its unique status

as a center of Cold War confrontation

and competition, Cold War memory in

Berlin receives a special emphasis.

The series Genocide and Mass Violence in the

Age of Extremes wants to provide an

interdisciplinary forum for research on mass

violence and genocide during the "short" 20th century. It will highlight the role of state and non-state actors, the perspectives of perpetrators, victims, and bystanders, and put violent events of the Age of Extremes in a larger political, social, and most important, cultural context. Anthologies and monographs will provide academic and non-academic readers with a deep insight into and a better understanding for the reasons, the acts, and the consequences of mass violence and genocide from a global perspective. Titles of the series will be published in print and OPEN ACCESS.

Duke of Sin Merlin in Love Somewhere in the fifth century AD, the Lady of the Lake trapped Merlin in a cave and left him there to die. Many believe the legend that the story of Merlin ended there. But what if he didn't die. What if he found a way to survive? What if he absolutely had to survive at whatever cost, because he had left a powerful amulet unguarded, a magical amulet he had created to grant King Arthur immortality. Kendra Westbrook met a strange old man in Cheddar Gorge in the middle of May in 2019. A man who said he could take her to Merlin who desperately needed her help. But Merlin was dead, wasn't he, and if not, how would he survive in today's modern world, and where was the amulet, and King Arthur? Join Kendra as she falls under Merlin's spell, and discovers that his magic has endured through the centuries, and that he might be her second chance at love.

latest steamy romance, a determined debutante discovers that making a deal with a notorious rake might just give her more than she ever bargained for... Ruined debutante Prudence Thorogood lost everything when she was ousted from polite society, including her inheritance. Now she'll do anything to take back what's hers... even if she has to steal it. Accepting a scandalous offer from Lord Savage seems like the perfect solution to disguise her criminal intentions from the ton. Until she discovers that there's more to this scoundrel than meets the eye. Leo Ramsgate, Marquess of Savage, has everything except for a heart. That organ dried up long ago after a devastating betrayal. Since then, he vowed never to trust or love again. He ensures that his dalliances are mutually satisfying, but always temporary... until he meets the reserved Miss Thorogood. Not one of his previous lovers has ever beguiled him the way she does. Not one has made him want to break his own rules. Not one has tempted him to keep her... forever. Prue has every intention of disappearing from London after their affair ends. But her plan falters when she finds herself falling hopelessly in love with a man who may never love her in return. With time running out and so much at stake, she cannot help but wonder... Twelve Years a Slave Grand Central Publishing
An Irish mobster. A missing friend. Two loyalties, ripping me apart. I had a plan. Get in, get my information, and get out. Easy, right? Turns out, infiltrating the Irish mafia isn't exactly what I thought it would be. I just wanted a soldier. Someone I could flirt with to get me in the door. That's when Lachlan Crow noticed me. Problem was, he wasn't a soldier. No, he was next in line for the throne of the Irish underworld. And he was determined to hate me from the outset. My sob story about needing a job? Yeah, he wasn't buying that either. Too bad for him, I won't let anyone get in the way of my mission. Who cares if we have some kind of crazy chemistry? He's the worst kind of wrong- and I would never in a million years be with a guy like him. Because they took her from me, and I'm going to make them pay

"I am a good guy. Good guys don't do bad things. Good guys understand that no means no, and so I could not have done this

because I understand." Keir Sarafian knows many things about himself. He is a talented football player, a loyal friend, a devoted son and brother. Most of all, he is a good guy. And yet the love of his life thinks otherwise. Gigi says Keir has done something awful. Something unforgivable. Keir doesn't understand. He loves Gigi. He would never do anything to hurt her. So Keir carefully recounts the events leading up to that one fateful night, in order to uncover the truth. Clearly, there has been a mistake. But what has happened is, indeed, something inexcusable.

From the incomparable New York Times bestselling author Bertrice Small comes a heroine as breathtaking as she is legendary. Indomitable and bold in an era of royalty and rogues, Skye O'Malley is a woman who embraces her unbridled sensuality as valiantly as she fights for her children, her lovers, her empire. A woman of justice and honor, she will match wits with and challenge the most dangerous and powerful woman of her time: Queen Elizabeth I. Though Skye is the object of every man's fantasy, only a handful have had the thrill of tasting her enticing passions—men whose own daring adventures match her exotic forays into a world of lust, longing, and remarkable destiny. Skye's is a stunning tale that reaches from the emerald hills of Ireland to the lush palaces of Algiers to the helm of a shipping empire, where she will wage her greatest battle for love and vengeance against the crown itself. Praise for Skye O'Malley "Small creates cover-to-cover passion, a keen sense of history, and suspense."—Publishers Weekly "Small continues to prove herself worthy of the title queen of sensuality!"—Literary Times

A MAN OF SIN Devastatingly handsome. Vain. Unscrupulous. Valentine Napier, the Duke of Montgomery, is the man London whispers about in boudoirs and back alleys. A notorious rake and blackmailer, Montgomery has returned from exile, intent on seeking revenge on those who have wronged him. But what he finds in his own bedroom may lay waste to all his plans. A WOMAN OF HONOR Born a bastard, housekeeper Bridget Crumb is clever, bold, and fiercely loyal. When her aristocratic mother becomes the target of extortion, Bridget joins the Duke of Montgomery's household to search for the incriminating evidence-and uncovers something far more dangerous. A SECRET THAT THREATENS TO DESTROY THEM BOTH Astonished by the deceptively prim-and surprisingly witty-domestic spy in his chambers, Montgomery is intrigued. And try as she might, Bridget can't resist the slyly charming duke. Now as the two begin their treacherous game of cat and mouse, they soon realize that they both have secrets-and neither may be as nefarious-or as innocent-as they appear . . .

Implement machine learning and deep learning methodologies to build smart, cognitive AI projects using Python Key FeaturesA go-to guide to help you master AI algorithms and concepts8 real-world projects tackling different challenges in healthcare, e-commerce, and surveillanceUse TensorFlow, Keras, and other Python libraries to implement smart AI applicationsBook Description This book will be a perfect companion if you want to build

insightful projects from leading AI domains using Python. The book covers detailed implementation of projects from all the core disciplines of AI. We start by covering the basics of how to create smart systems using machine learning and deep learning techniques. You will assimilate various neural network architectures such as CNN, RNN, LSTM, to solve critical new world challenges. You will learn to train a model to detect diabetic retinopathy conditions in the human eye and create an intelligent system for performing a video-to-text translation. You will use the transfer learning technique in the healthcare domain and implement style transfer using GANs. Later you will learn to build AI-based recommendation systems, a mobile app for sentiment analysis and a powerful chatbot for carrying customer services. You will implement AI techniques in the cybersecurity domain to generate Captchas. Later you will train and build autonomous vehicles to self-drive using reinforcement learning. You will be using libraries from the Python ecosystem such as TensorFlow, Keras and more to bring the core aspects of machine learning, deep learning, and AI. By the end of this book, you will be skilled to build your own smart models for tackling any kind of AI problems without any hassle. What you will learnBuild an intelligent machine translation system using seq-2-seq neural translation machinesCreate AI applications using GAN and deploy smart mobile apps using TensorFlowTranslate videos into text using CNN and RNNImplement smart AI Chatbots, and integrate and extend them in several domainsCreate smart reinforcement, learning-based applications using Q-LearningBreak and generate CAPTCHA using Deep Learning and Adversarial Learning Who this book is for This book is intended for data scientists, machine learning professionals, and deep learning practitioners who are ready to extend their knowledge and potential in AI. If you want to build real-life smart systems to play a crucial

role in every complex domain, then this book is what you need. Knowledge of Python programming and a familiarity with basic machine learning and deep learning concepts are expected to help you get the most out of the book
