and the lives of dogs have  
been interwoven. Dogs  
have worked for us as

Dogs have gone through

dash of magical realism. Established by the leaders of the country's only successful slave revolt in the mid- nineteenth century, Cross River still evokes the fierce rhythms of its founding. In lyrical prose and singular dialect, a saga beats forward that echoes the fables carried down for generations—like the screecher birds who swoop down for their	periodic sacrifice, and the water women who lure men to wet deaths. Among its residents—wildly spanning decades, perspectives, and species—are David Sherman, a struggling musician who just happens to be God's last son; Tyrone, a ruthless PhD candidate, whose dissertation about a childhood game ignites mayhem in the neighboring, once- segregated town of	Port Yooga; and Jim, an all-too-obedient robot who serves his Master. As the book builds to its finish with Special Topics in Loneliness Studies, a fully- realized novella, two unhinged professors grapple with hugely different ambitions, and the reader comes to appreciate the intricacy of the world Scott has created—one where fantasy and reality are eternally at war.

Contemporary and essential, *The World Doesn't Require You* is a "leap into a blazing new level of brilliance" (Lauren Groff) that affirms Rion Amilcar Scott as a writer whose storytelling gifts the world very much requires.

Desert Lake is a book combining artistic, scientific and Indigenous views of a

striking region of north-western Australia. Paruku is the place that white people call Lake Gregory. It is Walmajarri land, and its people live on their Country in the communities of Mulan and Billiluna. This is a story of water. When Sturt Creek flows from the north, it creates a massive inland Lake among the sandy deserts. Not only is Paruku of national significance for waterbirds, but it has also helped uncover the past climatic and human history of Australia. Paruku's cultural and environmental values inspire Indigenous and other artists, they define the

place as an enduring home, and have led to its declaration as an Indigenous Protected Area. The Walmajarri people of Paruku understand themselves in relation to Country, a coherent whole linking the environment, the people and the Law that governs their lives. These understandings are encompassed by the Waljirri or Dreaming and expressed through the songs, imagery and narratives of enduring traditions. Desert Lake is embedded in this broader vision of Country and provides a rich visual and cross-cultural portrait of an extraordinary

## The Story of the Good Little Boy Laurel Leaf

From the acclaimed author of *Conquistador* comes this thrilling account of one of history's greatest adventures of discovery.

With cinematic immediacy and meticulous attention to historical detail, here is the true story of a legendary sixteenth-century explorer and his death-defying navigation of the Amazon—river of darkness, pathway to gold. In 1541, the brutal conquistador

Gonzalo Pizarro and his well-born lieutenant Francisco Orellana set off from Quito in search of La Canela, South America's rumored Land of Cinnamon, and the fabled El Dorado, "the golden man." Driving an enormous retinue of mercenaries, enslaved natives, horses, hunting dogs, and other animals across the Andes, they watched their proud expedition begin to disintegrate even before they descended into the nightmarish jungle, following the course of a powerful river. Soon hopelessly lost in the swampy labyrinth, their numbers diminishing daily through disease, starvation, and Indian attacks, Pizarro and Orellana made a fateful decision to separate. While Pizarro eventually returned home barefoot and in rags, Orellana and fifty-seven men, in a few fragile craft, continued downriver into the unknown reaches of the mighty Amazon, serenaded by native war drums and the eerie cries of exotic predators. Theirs would be the greater glory.

---

Interweaving eyewitness accounts of the quest with newly uncovered details, Buddy Levy reconstructs the seminal journey that has electrified adventurers ever since, as Orellana became the first European to navigate and explore the entire length of the world ' s largest river. Levy gives a long-overdue account of the native populations—some peaceful and welcoming, offering sustenance and life-saving guidance, others ferociously hostile, subjecting the invaders to gauntlets of

unremitting attack and intimations of terrifying rituals. And here is the Amazon itself, a powerful presence whose every twist and turn held the promise of new wonders both natural and man-made, as well as the ever-present risk of death—a river that would hold Orellana in its irresistible embrace to the end of his life. Overflowing with violence and beauty, nobility and tragedy, *River of Darkness* is both riveting history and a breathtaking adventure that will sweep readers along on

an epic voyage unlike any other.

A classic Canadian story of the bravery and ingenuity of three animals who find their way home. First published in 1961, *The Incredible Journey* tells the story of three pets: a young Labrador retriever, an old bull terrier, and a Siamese cat.

While their owners are away in England, they are being cared for by a family friend at his home in the country. But a miscommunication occurs

---

between the friend and his housekeeper when he goes on a hunting trip, and the animals are left alone for a several hours, with a gnawing instinct that something has gone wrong. They soon set off on a journey to find home, which instinct tells them is to the west. They travel 400 kilometres across the Northern Ontario wilderness, facing many obstacles along the way: swift-flowing rivers and the rugged landscape; wild animals and unsympathetic humans; starvation, injuries and sheer exhaustion. Separately they would not have survived, but together this disparate

group prevails, and they find their way home to the family they love.

Caddie is friends with Indians, who scare most of the neighbors—neighbors who, like her mother and sisters, don't understand her at all. Caddie is brave, and her story is special because it's based on the life and memories of Carol Ryrie Brink's

grandmother, the real Caddie Woodlawn. Her spirit and sense of fun have made this book a classic that readers have taken to their hearts for more than seventy years.

A Life on Hold Thomas Nelson

This action packed reader-gripping book is a grueling harsh journey of Zimbabweans who cross borders into South Africa illegally, in search of greener pastures. Their worst nightmare is not only the crocodile infested river Limpopo that they cross, but also what they locally call Amagumaguma, a notorious gang of thieves and contract

---

slayers who prey on the little possessions they migrate with, rape or sodomize them and ruthlessly butcher the vulnerable in order to sell their body parts to local witchdoctors and those afar. These grisly murderers have laid into graves many lives! The ill-fated border jumpers also have to contend with vicious, ravenous predators like lions, leopards and hyenas and other such carnivores in search of easy prey. Brutal soldiers vigilantly guarding these borders for trespassers also add to their woes. Of course, these law-breaking border-jumpers have

those who help them out. For a fee of a thousand five hundred rands or two hundred American dollars, the Malayisha (cross-border taxi drivers) transport them from various parts of Zimbabwe to the Beit-Bridge border post, where they are handed over to the Impisi (escorts) at secluded rendezvous outside the border posts. These Impisi are paid by the Malayisha to escort their passengers without passports, across river Limpopo right up to near Musina in South Africa where they pick them up again and take them to Johannesburg. The border jumpers however

risk all these predators that hunt down anything that moves throughout the night. In the novel, we meet Themba Khumalo who had always wanted to go to the lucrative South Africa but did not have Malayisha's fees until when his father died, he inherited two of his father's donkeys and gave them to a local Malayisha as payment in kind, for the fees to take him to Johannesburg. What he did not know was that where he was going, the familiar became mysterious and the unfamiliar, gruesome and bizarre indeed! It was a place of delusion and paradox with a
