My name is Reverend Dr. Verdree B. Stanley, I am an ordained minister and a professor who teaches theology, psychology and sociology. I have previously written several books in the areas of human growth and

development. My reason for writing this book (Can you complete the puzzle? A journey towards spiritual growth and direction) is to challenge the individual's spiritual success and spirituality. The Bible which is the word of God is an awesome book, I believe that reading, studying, and exercising God's word will bring great rewards. It is my goal that the more an individual read about the word of God the more he or she will be inspired to read. Life can be a puzzle on a daily basis if the individual has no directions. As humans we face challenges, obstacles, and distractions etc. If one is to live life in its fullness, growth must be the foundation. I ask everyone who read my book to challenge yourself daily. I believe that trusting God and putting faith in God will manifest blessings within your life.
