Single White Vampire Harper Collins

From the grand master of international suspense comes his most intriguing story ever—his own. For more than forty years, Frederick Forsyth has been writing extraordinary real-world novels of intrigue, from *The Day of the Jackal* on. Whether writing about the murky world of arms dealers or the intricacies of worldwide drug cartels, every plot has been

chillingly plausible because every detail has been minutely researched. But what most people don't know is that some of his greatest stories of intrigue have been in his own life. He was the RAF's youngest pilot at the age of nineteen, barely escaped the wrath of an arms dealer in Hamburg, got strafed by a MiG during the Nigerian Civil War, landed during a bloody coup in Guinea-Bissau (and has himself been accused of helping fund a 1973 coup in Equatorial Guinea). The Stasi arrested him, the Israelis feted him, the IRA threatened him, and a certain attractive Czech secret police agent, well, her actions were a bit more . . . intimate. And that's just for starters. Nominated for the Edgar Award for best critical/biographical work of 2015. Stone Cold Touch Harper Collins Aisling Grey is a courier enjoying a free, work-related trip to Paris when she learns she's a Guardian. That's a keeper of the Gates of Hell, for those
