Crown of Shadows is a fantasy novel by American writer C.S.  
Friedman, first published in 1995. It is part of the Coldfire Trilogy .  
[Crown of Shadows by C. S. Friedman | Audiobook | Audible.com](#)

Crown of Shadows had great actions, the same complex characters going  
through yet more changes and compromises, unlikely friendship and honor  
and struggles with faith. Questions were answered and loose ends tied,  
sometimes in unexpected, surprising ways, and I listened to the audio version  
as entranced as I was with the first two.

Crown of Shadows on Apple Books

Story. 4 out of 5 stars 1,312. The Coldfire trilogy tells a story of  
discovery and battle against evil on a planet where a force of nature  
exists that is capable of reshaping the world in response to psychic  
stimulus. This terrifying force, much like magic, has the power to prey  
upon the human mind, drawing forth a person's worst nightmare  
images or most treasured dreams and indiscriminately giving them life.

Coldfire Ser.: Crown of Shadows : The Final Volume of the ...

This closing volume of Friedman's Coldfire trilogy (When True Night  
Falls; Black Sun Rising) ably concludes one of the better fantasy series  
in recent memory. Even readers unfamiliar with the earlier volumes  
will quickly be enmeshed in the struggles of the Reverend Damien  
Vryce and The Hunter, Gerald Tarrant, to maintain the order of the  
planet Erna against the forces of the demon Calesta.

[Amazon.com: Customer reviews: Crown of Shadows \(The ...](#)

Crown of Shadows culminates the battle between the demon lezu  
against Damien and Tarrant. The ending of this novel is fabulous and  
keeps the reader questioning as to what happens next. Unfortunately,  
there is no sequel so we are left to wonder about the final person  
Damien meets on the last pages.
