running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and,

beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. written to Bloom's Taxonomy. *The Butter Battle Book* Penguin A darkly satirical novel of love, revenge, and 1950s haute couture—now a major motion picture starring Kate Winslet, Judy Davis, Liam Hemsworth, and Hugo Weaving After twenty years spent mastering the art of dressmaking at couture houses in Paris, Tilly Dunnage returns to the small Australian town she was banished from as a child. She plans only to check on her ailing mother and leave. But Tilly decides to stay, and though she is still an outcast, her lush, exquisite dresses prove irresistible to the prim women of Dungatar. Through her fashion business,

her friendship with Sergeant Farrat—the town's only policeman, who harbors an unusual passion for fabrics—and a budding romance with Teddy, the local football star whose family is almost as reviled as hers, she finds a measure of grudging acceptance. But as her dresses begin to arouse competition and envy in town, causing old resentments to surface, it becomes clear that Tilly's mind is set on a darker design: exacting revenge on those who wronged her, in the most spectacular fashion. We live in a challenging, complex, inter-connected and unpredictable world beset by a range of seemingly insoluble problems. But, says Michael Fullan—an internationally acclaimed authority on organizational change—we have an increasing understanding of how

---

to tackle complex change. This involves developing a new kind of leader: one who recognizes what is needed to bring about deep and lasting changes in living systems at all levels. These leaders need a deep understanding of what motivates us as human beings and how we tap into and influence other people's self-motivation. In his previous best-selling books *The Six Secrets of Change*, *Leading in a Culture of Change*, and *Turnaround Leadership*, Michael Fullan examined the concepts and processes of change. In *Change Leader* he turns his focus to the core practices of leadership that are so vital for leading in today's complex world. He reveals

seven core practices for today's leaders, all of which appear to be deceptively simple but actually get to the essence of what differentiates a powerful leader from one who is merely competent: Practice Drives Theory Be Resolute Motivate the Masses Collaborate to Compete Learn Confidently Know Your Impact Sustain Simplicity Throughout the book Fullan argues that powerful leaders have built bedrocks of credibility, have learned how to identify the few things that matter most, and know how to leverage their skills in ways that benefit their entire organization. The author shows leaders how to avoid policies and strategies that focus on shallow and

short-term goals and develop leadership skills for long-term success. With a wealth of illustrative examples from business, education, nonprofit, and government sectors *Change Leader* provides a much-needed leadership guide for today's turbulent climate. Cannot See is a magnificent, deeply moving novel from a writer “ whose sentences never fail to thrill ” (Los Angeles Times). The Treasure in the Forest (Illustrated) Guilford Press

Quentin is a successful lawyer in New York, but inside his head he is struggling with his own sense of guilt and the shadows of his past relationships. One of these an ill-fated marriage to the charming and beautiful Maggie, who went from operating a switchboard to become a self-destructive star - a singer everyone wanted a piece of.

After the Fall is often seen as the most explicitly autobiographical of Arthur Miller's plays, and Maggie as an unflinching portrait of Miller's ex-wife Marilyn Monroe, only two years after her suicide. But in its psychological acuity and depth, and its brilliant, dreamlike structure, it is a literary, and not just biographical, masterpiece.
