A guide to reading The Crucible with a critical and appreciative mind. Includes background on the author's life and times, sample tests, term paper suggestions, and a reading list.

CliffsNotes on Miller's The Crucible Little, Brown

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Arthur Miller, two-time Tony Winner and 1949 Pulitzer Prize Winner for Drama. Titles in this study guide include All My Sons, Death of a Salesman, The Crucible, A Memory Of Two Mondays, A View From The Bridge, After The Fall, and Incident at Vichy. As an influential, yet controversial, figure of American theatre, Miller expertly combined social awareness with a searching concern for his characters' inner ambitions. Moreover, Miller offered his audiences great entertainment mixed with thought-provoking social criticism. This Bright Notes Study Guide explores the context and history of Miller's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

The Portable Arthur Miller Houghton Mifflin Harcourt

"Created by Harvard students for students everywhere, SparkNotes give you just what you need to succeed in school."--Back jacket.

The Crucible GRIN Verlag

"The 1953 premiere of The Crucible confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, Death of a Salesman. While dealing with the 1692 witch trials in Salem, Massachusetts, The Crucible reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend time and place, including national borders, The Crucible remains one of the most often produced American plays worldwide." "In The Crucible: Politics, Property, and Pretense, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of American theatre, and as a basis for later adaptations. In his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine argues convincingly that The Crucible should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama.

Martine's multi-leveled exploration enables the reader to understand and thus appreciate The Crucible and Arthur Miller more fully."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

A Study Guide for Arthur Miller's The Crucible Perfection Learning
The great play 'The Crucible' exposed the paranoia and suspicion that permeated American society during the Cold War. This collection of essays by Miller reveals the author's thinking, personal peril and despair at that crucial time.

The Crucible BookCaps Study Guides

Pre-University Paper from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 1,7, , language: English, abstract: Arthur Miller, one of the most important sociocritical dramatists of the 20th century, treats in his famous play The Crucible the witch hunts of Salem in 1692. Considering this drama, the biography of Miller and the political situation in the date of origin of The Crucible, I would like to clarify the coherences between the drama and the highhanded persecution of inculpable humans in the American 1950s, at the time of McCarthyism. The first part of my work deals with Arthur Miller, his life and his play The Crucible. In this part I would like to elucidate Miller's personal connection to the anti-communist campaign. Furthermore, I would like to show the destructiveness of rumours with regard to the executions happened in the late 17th century and accurate reflected in The Crucible. Moreover, I will enlarge upon the effects of the religion, in this case Puritanism, on the behaviour of the bourgeois and the justice. The second part of my work deals with Joseph McCarthy, his life, the commencements of McCarthyism, the course of the trials and decline of McCarthyism. In this part I would like to show the

arbitrariness of Joseph McCarthy with which he accused innocent people. Furthermore, I will enlarge on the cruelly effects of such persecutions, which destroy the person's futures and, as to The Crucible, the whole life. Part three of my work will consist of conclusions about the impact of McCarthyism and Arthur Miller's drama The Crucible.

Notes on Arthur Miller's The Crucible Influence Publishers
Here, especially for high school students, is an analysis and summary of Arthur Miller's famous play. The Crucible by Arthur Miller (Book Analysis) Methuen Publishing Seminar paper from the year 2000 in the subject American Studies - Literature, grade: 1,7 (A-), University of Münster (Anglistics/American Studies), course: Advanced Seminar Modern American Drama,

13 entries in the bibliography, language: English, abstract: As Arthur Miller states in his autobiography,¹ The Crucible has become his most frequently produced play. This great success of a conventional drama can certainly not be explained without regard to its political message. When the play was first performed in 1953, its audiences were quick to recognize the connections between the witch craze in 17th century Massachusetts and the American anti-communist hysteria of their own time. Like any literary text, The Crucible reflects the conditions under which it was produced, and Miller himself says that he could not have written it at any other time.² Since in this case parallels between the events in both times are extremely striking, it seems necessary for the understanding and interpretation of the play to explain its dual historical context. At the same time, it would be wrong to interpret Miller's drama against this background only. Or, as Reitz puts it: "The Crucible ist kein Schlüsseldrama, das auf die vordergründige Aktualität von Wiedererkennungseffekten setzt und zu diesem Zweck Anhänger und Gegner McCarthys als Puritaner (...) kostümiert".³ Miklos Trocsanyi argues similarly, pointing out that Miller was glad, when in the contemporary criticism (...) less and less mention was made of and parallel drawn between the witchcraft hysteria and McCarthyism. It meant that the deeper message was more and more appreciated.⁴ Finding out about this "deeper message" is what the analysis of the dual historical context aims at. Therefore this research paper will, after explaining the historical circumstances of both the Salem witch hunt and the American anticommunism under McCarthy, focus on parallel phenomena underlying the events in both times. This comparison, whic

The Crucible Heinemann

The Pulitzer Prize-winning author of Cleopatra, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, THE WITCHES is Stacy Schiff's account of this fantastical story—the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

Arthur Miller's The Crucible Research & Education Assoc.

Seminar paper from the year 2009 in the subject American Studies - Literature, grade: 1,3, Johannes Gutenberg University Mainz, language: English, abstract: One of the group members of an experimental theatre ensemble of the 1970s and 80s, called Wooster Group, commented on The Crucible that "the play was interesting to us because Arthur Miller wrote it as a moral play. He took responsibility, social responsibility. There was a hero." Since the hero is the most important character who has the task to convey this moral message, this paper will mainly concentrate on his role, his character development, his portrayal by Arthur Miller and how the author realized his moral concept in the character of John Proctor. When Arthur Miller wrote The Crucible, he envisioned the "concept of unity, in which positive and negative are attributes of the same force, in which good and evil are relative".
