The Crucible Dave Burgess Consulting
An unforgettable German bestseller
about the European refugee crisis:
“ Erpenbeck will get under your skin ”
(Washington Post Book World) Go,
Went, Gone is the masterful new novel
by the acclaimed German writer Jenny
Erpenbeck, “ one of the most
significant German-language novelists
of her generation ” (The Millions). The
novel tells the tale of Richard, a
retired classics professor who lives in
Berlin. His wife has died, and he lives
a routine existence until one day he
spies some African refugees staging a
hunger strike in Alexanderplatz.
Curiosity turns to compassion and an
inner transformation, as he visits their

shelter, interviews them, and becomes
embroiled in their harrowing fates. Go,
Went, Gone is a scathing indictment of
Western policy toward the European
refugee crisis, but also a touching
portrait of a man who finds he has
more in common with the Africans than
he realizes. Exquisitely translated by
Susan Bernofsky, Go, Went, Gone
addresses one of the most pivotal
issues of our time, facing it head-on in
a voice that is both nostalgic and
frightening.

The Answer McClelland & Stewart
You just can't keep a good girl down . . . unless
you use the proper methods. Piper McCloud can
fly. Just like that. Easy as pie. Sure, she hasn't
mastered reverse propulsion and her turns are
kind of sloppy, but she's real good at loop-the-
loops. Problem is, the good folk of Lowland
County are afraid of Piper. And her ma's at her
wit's end. So it seems only fitting that she leave
her parents' farm to attend a top-secret,
maximum-security school for kids with
exceptional abilities. School is great at first with a
bunch of new friends whose skills range from

super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."--Booklist, Starred Review "Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review The Girl Who Could Fly is a 2009 Bank Street - Best Children's Book of the Year.

The Crucible "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government

blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller. This insightful book offers a careful, intelligent look at doubt--at some of its common sources, the challenges it presents, and the opportunities it may open up in a person's quest for faith.

The Girl Who Could Fly Corwin Press

It was a beautiful day. It was a beautiful field. Except for the body. Jazz is a likable teenager. A charmer, some might say. But he's also the son of the world's most infamous serial killer, and for *Dear Old Dad*, "Take Your Son to Work Day" was year-round. Jazz has witnessed crime scenes the way cops wish they could--from the criminals' point of view. And now, even though Dad has been in jail for years, bodies are piling up in the sleepy town of Lobo's Nod. Again. In an effort to prove murder doesn't run in the family, Jazz joins the police in the hunt for this new serial killer. But Jazz has a secret--could he be more like his father than anyone knows? From acclaimed author Barry Lyga comes a riveting thriller about a teenager trying to control his own destiny in the face of overwhelming odds.

Management decisions on appropriate practices and policies regarding tropical forests often need to be made in spite of innumerable uncertainties and complexities. Among the uncertainties are the lack of formalization of lessons learned regarding the impacts of previous programs and projects. Beyond the challenges of generating the proper information on these impacts, there are other difficulties that relate with how to socialize the information and knowledge gained so that change is transformational and enduring. The main complexities lie in understanding the interactions of social-ecological systems at different scales and how they varied through time in response to policy and other processes. This volume is part of a broad research effort to develop an independent evaluation of certification impacts with stakeholder input, which focuses on FSC certification of natural tropical forests. More specifically, the evaluation program aims at building the evidence base of the empirical biophysical, social, economic, and policy effects that FSC certification of natural forest has

had in Brazil as well as in other tropical countries.

The contents of this volume highlight the opportunities and constraints that those responsible for managing natural forests for timber production have experienced in their efforts to improve their practices in Brazil. As such, the goal of the studies in this volume is to serve as the foundation to design an impact evaluation framework of the impacts of FSC certification of natural forests in a participatory manner with interested parties, from institutions and organizations, to communities and individuals.

Author and pastor Craig Groeschel helps you uncover who you really are—a man created in the image of God with a warrior’s heart—and how to fight the good fight for what’s right. You will find the strength to fight the battles you know you need to fight—the ones that determine the state of your heart, the quality of your marriage, and the spiritual health of your family. Craig will also look at examples from the Bible, including our good buddy Samson. Yep, the dude with the rippling biceps and hippie hair and a thing for Delilah. You may be surprised how much we have in common with this guy. By looking at his life, you’ll learn how to defeat the demons that make strong men weak. You’ll become who God made you to be: A man who knows how to fight for what’s right. And don’t you dare show up for this fight unarmed. Learn how to fight with faith, with prayer, and with the Word of God. It’s time to fight like a man. For God’s Sake, FIGHT.
