Buried deep in the soul of every man is a tormented child, some more terrified than others. When Karen Tyler agrees to write the sad story of Tony Carlton's childhood, she's unaware of the peril it will unleash upon herself. Each page she pens fuels the fires of her own nightmares and by the time she is aware of what's happening she's knee deep in blood. So reader beware of the ghosts that taunt you as you sleep, because once you break the binding of Abigail's Cries there's no turning back. Just as the author couldn't stop writing, so will you not stop reading.

One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Man Who Had All the Luck Penguin Books

First published in England in 1782, Crèvecoeur's Letters from an American Farmer was one of the first works to describe the character of the average American at the close of the Revolutionary War. His famous question, "What, then, is the American, this new man?", summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and post-colonial Americans were attempting to describe themselves in a new way. Through the character of James, the letters celebrate the land of America, its space and fertility, and the character of Americans themselves, their work ethic and spirit of personal determination. The Letters also look at the darker side of American life, particularly the issue of slavery. The discussions of American identity, participation in war (or not), and the perception of immigrants and their ethnicity make this book as relevant to our understanding of ourselves today as it was in 1782.

The Crucible: Deluxe Edition Simon and Schuster  
The definitive memoir of Arthur Miller—the famous playwright of The Crucible, All My Sons, Death of a Salesman, A View from the Bridge, and other plays—Timebends reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for Death of a Salesman and the New York Drama Critics Circle Award in 1947 for All My Sons. Miller also wrote the screenplay for The Misfits, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia

Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

A new Penguin Plays edition of the forgotten classic that launched the career of one of America's greatest playwrights. It took more than fifty years for *The Man Who Had All the Luck* to be appreciated for what it truly is: the first stirrings of a genius that would go on to blossom in such masterpieces as *Death of a Salesman* and *The Crucible*. This striking new edition finally adds Miller's first major play to the Penguin Plays series—now in beautifully redesigned covers. Infused with the moral malaise of the Depression era, this parable-like drama centers on David Beeves, a man before whom every obstacle to personal and professional success seems to crumble with ease. But his good fortune merely serves to reveal the tragedies of those around him in greater relief, offering what David believes to be evidence of a capricious god or, worse, a godless, arbitrary universe. David's journey toward fulfillment becomes a nightmare of existential doubts, a desperate grasp for reason in a cosmos seemingly devoid of any, and a struggle that will take him to the brink of madness.
