Cry of the Kalahari - Wikipedia

When Mark and Delia Owens first went to Africa in 1974, they bought a thirdhand Land Rover, drove deep into the Kalahari Desert, and lived there for seven years. They are the authors of Cry of the Kalahari, an international bestseller and winner of the John Burroughs Medal, The Eye of the Elephant, and Secrets of the Savanna. After more than 30 years in Africa, they returned to the United States to carry on

their conservation work.

Cry of the Kalahari by Mark Owens, Delia Owens / Audiobook ...

After writing their remarkable bestseller Cry of the Kalahari, Delia and Mark Owens set off on another African odyssey in search of a new wilderness Eden. They thought they had found it in a remote valley of Zambia, where the hippos swam in the river just below their tents, lions stalked the bush, and elephants wandered into camp to eat marula fruits.

Cry of the Kalahari:
Amazon.co.uk: Owens, Mark, Owens ...

When Mark and Delia Owens first went to Africa in 1974, they

bought a thirdhand Land Rover, drove deep into the Kalahari Desert, and lived there for seven years. They are the authors of Cry of the Kalahari, an international bestseller and winner of the John Burroughs Medal, The Eye of the Elephant, and Secrets of the Savanna. After more than 30 years in Africa, they returned to the United States to carry on their conservation work.

Cry of the Kalahari, Owens, Mark, Owens, Delia - Amazon.com

Cry of the Kalahari (1984) is an autobiographical book detailing two young American zoologists, Mark and Delia Owens, and their experience studying wildlife in the Kalahari desert in Botswana in the mid-1970s. There they lived and worked for seven years in an uninhabited area named Deception Valley in the Central Kalahari Game Reserve.

By the time the Owens arrived in the Kalahari during the mid

1970's, the Bushmen had been driven off the land and it had been turned into a game reserve. In a way, I found this book to be a continuation of Elizabeth Marshall Thomas's story of the Kalahari , its' people and its' animals. As for the narration, it is excellent.
