Two popular practices—crystal and energy healing—in one great, expert handbook! Krista Mitchell (*Change Your Energy*) is a master at crystal healing, and with Crystal Reiki, she has created a handbook for practitioners both amateur and professional. This hot new technique combines crystal layouts with energy healing to treat a variety of ailments. Fully illustrated and easy to use, this comprehensive guide teaches the fundamentals of working with crystals and chakras; explains how healers should prepare themselves, their space, and their tools; covers four levels of healing that include auras, body, mind, and spirit; and stresses the importance of self-care for healers themselves. Known as the “Rock Whisperer,” Krista N. Mitchell has created an informative handbook for professional Reiki practitioners who would like to learn how to combine crystal healing with their Reiki sessions. She takes a thorough and practical approach, beginning with the history and science of the combined modality, and its healing impact on the human energy body including the aura and chakra systems. Krista outlines the process from the beginning, discussing ways of preparing your energy, tools and space and starting a session with a client, and provides crystal healing layouts along with case studies as examples of how she applies the protocols for physical, emotional, mental, spiritual, and aura

healing. She ends with self-care and spiritual support recommendations for the healer. Mitchell's highly personal book is also her story as a healer: how she started, and what she's learned along the way. Krista N. Mitchell is a crystal healing expert and the author of *Change Your Energy: Healing Crystals for Health, Wealth, Love & Luck* (Sterling 2016). She has been providing crystal therapy, spiritual counsel, and professional certification programs throughout North America since 2004. She is an Ordained Interfaith Minister who has been certified as a Reiki Master-Teacher, Akashic Record Reader, and Hypnotherapist, and has trained in the Breakthrough Shadow Coaching Program at the Ford Institute for Transformational Training founded by Debbie Ford.

Usui Ryoho Reiki Manual iUniverse

This is something different. Rather than being a book about Reiki for the general public to read, this is a copy of the actual training manual given to First Degree students of Reiki Evolution, the well-known UK Reiki training organisation. The manual is different for several reasons. Firstly, it is easy-to-read, down-to-earth and really comprehensive, a complete and clear guide to the practice of Reiki at First Degree, ideal for people finding out about Reiki for the first time, and ideal for practitioners and Master alike. The manual is all about Reiki, and Reiki alone, rather than about various New Age practices that have crept into Reiki over the years, like crystals and Angels and spirit

guides. And rather than presenting the Western style of Reiki that is covered in most Reiki books on the market (usually described as traditional Usui Reiki), this manual focuses on the form of Reiki that was taught by Reiki's founder, Mikao Usui, in the 1920s in Japan, and is based on information coming from a group of elderly students of Reiki's founder. In its original form Reiki was not so much a treatment method as a simple self-healing and self/spiritual-development method which could potentially be used on other people. So in this manual you will learn authentic energy practices that you can use on yourself each day to further your self-healing and your spiritual development, you will focus on the Reiki precepts (in their original form, not the altered Western version), and you will learn about the role of mindfulness in the original system. The manual presents a wealth of background information about Reiki, including an up to date history of Reiki, and you will also learn a simple and non-dogmatic approach to working on yourself and treating others. Many people attending Reiki courses do not receive any sort of a course manual, or perhaps just a few sheets of paper, and the Reiki Evolution Shoden manual will be of great help to those who have already learned Reiki, but who want to have more of a solid introduction to the subject, or who want to learn more about the system that Reiki's founder was teaching, rather than the Western version taught on most Reiki courses. It also provides a comprehensive introduction to Reiki for those who are interested in finding out about Reiki for the first time.

Crystals and Gemstones have long been recognized for their unique energies. Modern science uses quartz crystal to run precision timepieces, computers, radio transmitters, lasers, and more. This is because of its electromagnetic conductivity. The human body, too, is a complex electromagnetic system. Holistic wellness practitioners believe that blockages and disruptions in the flow of its natural energy or "chi" can be assisted with the use of crystals and gemstones. In our program, assorted stones are placed on and around the body in a pattern designed to resonate with "Chakras" or energy vortexes of the body. These patterns create a matrix of energy that assists the body in releasing blockages and refining the energy flow. It is believed there is a stone or combination of stones to help alleviate almost any issue, and this practice that can be learned by anyone and used alone or in conjunction with other holistic or traditional therapies.
