Suburban Remix Hachette UK
Investment has flooded back to cities because dense, walkable, mixed-use urban environments offer choices that support diverse dreams. Auto-oriented, single-use suburbs have a hard time competing. *Suburban Remix* brings together experts in planning, urban design, real estate development, and urban policy to demonstrate how suburbs can use growing demand for urban living to renew their appeal as places to live, work, play, and invest. The case studies and analysis show how compact new urban places are being created in suburbs to produce health, economic, and environmental benefits, and contribute to solving a growing equity crisis.
