In 1735, five Maroon boys are ready to be initiated as warriors. They have prepared long and hard for this day, and must now pass a sequence of tests. How the boys approach this, the most important day of their lives, says much about how they will respond to the challenges ahead. When they encounter a Redcoat troop in the forest near their village, the defence of the village and surrounding Maroon communities will depend on these boys, their training, courage, and intelligence. On this occasion, their community depends on them for its survival, but their initiation as warriors also teaches them lifelong lessons about loyalty, responsibility, trustworthiness and friendship.

II for the Caribbean Grades 7-9: A Three-Year Workbook is a workbook for the first three years

of high school Spanish that mimics the structure and items given by the new CSEC Spanish examination (as of 2017). The workbook focuses on the reading and writing (Paper II )

components of the CSEC examination. All items are original. The examining body (CXC)

consistently reports that students continually perform poorly on the paper II (reading and writing paper) compared to the other papers. It

also recommends that students be exposed to these types of items from as early as possible. It is

with these in mind that the author decided to compose a workbook that seeks to expose

students to the types of questions and the structure of the exam paper itself, and how they

can interpret and manipulate the items from as early as first form; Grade 7. This is the teacher's

workbook for the ¡ Necesario! Pre-CSEC Spanish Practice Paper II for the Caribbean

Grades 7-9. Libro de Estudiantes accompanies this text.
