About the tests. The examinations of the CSET are criterion referenced. A criterion-referenced test is designed to measure an examinee's knowledge and skills in relation to an established standard rather than in

relation to the performance of other examinees.

CSET Flashcards
[with CSET Practice Questions]

Here's a little secret about the CSET: the CSET is what we in the test preparation field call a content-driven test. While some tests are looking to see what you are ABLE to learn, the purpose of the California Subject Examinations for Teachers (CSET), offered by the Commission on Teacher Credentialing (CTC) and Pearson Education, Inc., is to test your

understanding of what you have already learned.

Prepare. Find study guides, including test content, practice test questions, score scales for written assignments, computer-based testing tutorials, annotated bibliographies, and test results explanations, as applicable.
