This volume explores

court interpreting from legal, linguistic, and pragmatic vantages. Because of the growing use of interpreters, there is an increasing demand for guidelines on how to utilize them appropriately in court proceedings, and this book provides guidance for the judiciary, attorneys, and other court personnel while standardizing practice

among court interpreters themselves. The new edition of the book, which has become the standard reference book worldwide, features separate guidance chapters for judges and lawyers, detailed information on title VI regulations and standards for courts and prosecutorial agencies, a comprehensive review of U.S. language policy, and the latest findings of research on interpreting.

The June 2019 OMB Circular No. A-11 provides guidance on preparing the FY 2021 Budget and instructions on budget execution. Released in June 2019, it's printed in two volumes. This is Volume I. Your budget submission to OMB should build on the President's

commitment to advance the vision of a Federal Government that spends taxpayer dollars more efficiently and effectively and to provide necessary services in support of key National priorities while reducing deficits. OMB looks forward to working closely with you in the coming months to develop a budget request that supports the President's vision. Most of the changes in this update are technical revisions and clarifications, and the policy requirements are largely unchanged. The summary of changes to the Circular highlights the changes made since last year. This Circular supersedes all previous versions. granted to these employees. If you are not a Special Category Employee, then you should be purchasing the FERSGUIDE for Regular FERS Employees. The FERSGUIDE is authored by Dan Jamison, CPA. Dan Jamison is a nationally recognized subject-matter expert on retirement benefits for federal law enforcement officers, firefighters, air traffic controllers and those persons covered under the Special Category Employee (SCE) Provisions. Dan has been a CPA for over 30 years and holds active licenses in good standing in Virginia and Florida. Dan holds a Master's Degree in Accounting from the University of Florida and earned his undergraduate accounting degree there as well. Dan retired from the Federal Bureau of Investigation (FBI) in 2013 after 21 years as a Special Agent Accountant. Dan started writing the

FERSGUIDE over 20 years ago, when the document lurked around only in the FBI's email system until the advent of the Joint Terrorism Task Forces (JTTFs) and then the FERSGUIDE spread from the JTTFs to the participating JTTF agencies where it quickly gained popularity outside of the FBI. Dan updates the FERSGUIDE annually with new content and updated figures.
