There are many reasons why someone would seek to be a notary public. You might be the owner of a small business; you may work in an office where clients and customers have frequent need of a notary's services; you may enjoy the official nature of the duties; or it may be a requirement of your job. No matter what the reason, appointment as a notary public is a serious undertaking. The notary is a public official, a person given a public trust, a person whose duties and responsibilities cannot be taken lightly. The notary serves a vital role in the execution of a wide range of documents. Whenever individuals see a document that has been notarized, they should be confident that the notarial act has been performed correctly. As a notary public it is your responsibility to use intelligence and judgment, and always perform your duties as required by Connecticut State law. You must remember that others are relying on your honesty and integrity

Connecticut Reports

WHAT IS A NOTARY PUBLIC?- A Notary Public is an official of integrity commissioned to a four year term by the Governor to serve the public as an impartial witness to the identity, comprehension, and intent of a person requesting a notarial act. Each act requires a notary to attest that certain formalities have been observed. Every notarial act affects the legal rights of others. A notary may be held personally responsible for improper, negligent or fraudulent acts.

JURISDICTION- Rhode Island Notaries Public may perform notarial acts anywhere within the boundaries of the State of Rhode Island. They may NOT perform notarial acts outside of the State of Rhode Island. Notarial practices in the State of Rhode Island are governed by RIGL 42-30.1 and the Standards of Conduct for Notaries Public in the State of Rhode Island and Providence Plantations.

A Handbook for Notaries Public and Commissioners of Deeds of New York

Promises of justice and equality made in the U.S. Constitution, numerous Amendments, and decisions of the Supreme Court are hallmarks of American civil rights. Yet the realities of inequality remain facts of modern life for too many Native Americans, African Americans, and Latino Americans, even though state-mandated racial segregation has been outlawed for years. Women still face a variety of forms of discrimination—some subtle and others more overt. There remain many laws that treat people differently because of sexual orientation. People with disabilities are supposed to be protected by a variety of statutes, but many of these policies remain unfulfilled promises. These are just some of the many challenges of civil rights that persist in a nation that proudly points to the words above the

entrance to the U.S. Supreme Court that read "Equal Justice Under Law." This text is for current and future public service professionals —whether they are in government agencies, in nonprofit organizations that provide social services for government, or contractors who operate as state actors—who increasingly serve diverse communities with a range of complex challenges, while working and managing within organizations that, fortunately, are themselves more diverse than ever before. For those who work and serve in such settings, civil rights is not an abstract academic study, but a critically important and very practical fact of daily life. This book may also be used on civil rights law, policy, and public administration courses, and each chapter ends with a section on ' Issues for Policy and Practice ' to guide an examination of key public policy hurdles in the fight for civil rights as well as the implications for public service practice. Through an engaging exploration of edited court cases, legislation, and speeches, the reader is encouraged to think critically about civil rights law and policy pertaining to African Americans, Native Americans, Latinos/Latinas, gender, sexual orientation, and disabilities, to learn what civil rights require, but also to come to a more empathetic understanding of how different groups of people experience civil rights and the unique challenges they face.
