The Year's Best Science Fiction: Thirteenth Annual Collection Springer Nature
Collection of classic macabre and fantastic tales from a master of pulp fiction.

Knowing Fear U of Nebraska Press

This reference work covers the supernatural and speculative fiction published by Arkham House Publishers, Inc., of Sauk City, Wisconsin. In 1937, promising Wisconsin writer August Derleth decided to publish a collection of the stories of his recently deceased friend, H. P. Lovecraft. After two years of failed attempts, Derleth and another Lovecraft fan, Donald Wandrei, published the collection themselves under the name of Arkham. In the years that followed, Arkham House published the works of many of the foremost American and British writers of weird fiction, including Basil Copper, Lord Dunsany, Robert E. Howard, and Robert Bloch. Arkham published Ray Bradbury's first book, *Dark Carnival*, in 1947. The work begins with a history of the house and biography of August Derleth; it also includes a chapter on H. P. Lovecraft's connection to Arkham. The main body of the text consists of chronologically listed descriptions and current values of the more than 230 titles published by Arkham House and its two imprints, Mycroft & Moran and Stanton & Lee. These entries detail editions, reprints, special points, restoration, care, buying and selling, investment, and future trends. Other features include alphabetical indexes of titles and authors, lists of scarcity and value ranking, a list of annual stock lists and catalogs, and a bibliography of reference literature. The book is illustrated throughout with dust jacket reproductions and photographs.

Genreflecting Penn State Press

Interest in preternatural and supernatural themes has revitalized the Gothic tale, renewed explorations of psychic powers and given rise to a host of social and religious movements based upon claims of the fantastical. And yet, in spite of this widespread enthusiasm, the academic world has been slow to study this development. This volume rectifies this gap in current scholarship by serving as an interdisciplinary overview of the relationship of the paranormal to the artefacts of mass media (e.g. novels, comic books, and films) as well as the cultural practices they inspire. After an introduction analyzing the paranormal's relationship to religion and entertainment, the book presents essays exploring its spiritual significance in a postmodern society; its (post)modern representation in literature and film; and its embodiment in a number of contemporary cultural practices. Contributors from a number of disciplines and cultural contexts address issues such as the shamanistic aspects of Batman and lesbianism in vampire mythology. Covering many aspects of the paranormal and its effect on popular culture, this book is an important statement in the field. As such, it will be of utmost interest to scholars of religious studies as well as media, communication, and cultural studies.

The Encyclopedia of Fantasy Springer

The literature of the supernatural has had a distinguished history over the past two centuries, and the incorporation of the supernatural in literary works can be traced back as far as classical antiquity.

Supernatural Literature of the World: P-Z Wildside Press LLC

A collection of short stories showing the influence of H.P. Lovecraft.

The Best New Horror 7 Wildside Press LLC

When unworldly fantasist H.P. Lovecraft was approached by crafty fanatic George Sylvester Viereck to write an American *Mein Kampf*, the bait was almost irresistible. If Lovecraft would lend his pen and his Anglo-Saxon stock to the fascist cause, Viereck would arrange the publication in proper book form of a volume of his stories, hitherto scattered in pulp magazines. Whilst the famous horror writer had some pretty obnoxious political opinions, his friends didn't really believe he knew what deep waters he was getting himself into. And so began a concerted effort to keep H.P. Lovecraft out of the clutches of the forces of darkness that were to plunge the world into war...

The Year's Best Fantasy and Horror McFarland

"The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In *Tales of the Cthulhu Mythos*, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: *The Call of Cthulhu* by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. *Notebook Found in a Deserted House* by Robert Bloch: A lone farmboy chronicles his last stand against a hungering

backwoods evil. *Cold Print* by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. *The Freshman* by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. PLUS EIGHTEEN MORE SPINE-TINGLING TALES!

The News-letter of the Society for the Study of Southern Literature Macmillan

A host of horror and fantasy's top authors captures the spirit of supreme supernatural storyteller H. P. Lovecraft with eighteen chilling contemporary tales that would have made the master proud. "The Barrens" by F. Paul Wilson: In a tangled wilderness, unearthly lights lead the way to a world no human was meant to see. "His Mouth Will Taste of Wormwood" by Poppy Z. Brite: Two dabblers in black magic encounter a maestro of evil enchantment. "On the Slab" by Harlan Ellison: The corpse of a one-eyed giant brings untold fortune—and unspeakable fear—to whoever possesses it. "Pickman's Modern" by Lawrence Watt-Evans: Horror is a keystone away when an ancient evil lurks in modern technology. PLUS FOURTEEN MORE BLOOD-CURDLING STORIES "Shaft Number 247" by Basil Copper "The Adder" by Fred Chappell "Fat Face" by Michael Shea "The Big Fish" by Kim Newman "I Had Vacantly Crumpled It into My Pocket . . . But by God, Eliot, It Was a Photograph from Life!" by Joanna Russ "H.P.L." by Gahan Wilson "The Unthinkable" by Bruce Sterling "Black Man with a Horn" by T. E. D. Klein "Love's Eldritch Ichor" by Esther M. Friesner "The Last Feast of Harlequin" by Thomas Ligotti "The Shadow on the Doorstep" by James P. Blaylock "Lord of the Land" by Gene Wolfe "The Faces at Pine Dunes" by Ramsey Campbell "24 Views of Mt. Fuji, by Hokusai" by Roger Zelazny

The Gothic Imagination Macmillan

This book studies the role of subterranean spaces in literary works about Mexico City. It analyzes how underground spaces such as the subway, the sewage system, tunnels, crypts, and the subsoil itself relate to the whole of the city in a body of works published after 1985, the year of the deadliest earthquake in the capital's history. The texts belong to the most important genres in urban literature (the novel, the short story, and the crónica) and demonstrate the crucial role played by the underground in contemporary imaginings of the megalopolis, as it condenses and confronts the tensions that run through them. This central idea is developed through four analytical chapters focusing on the political, ecological, historical, and aesthetic dimension of subterranean imaginaries.

Cthulhu 2000 Universidad de Salamanca

Tracing the development of horror entertainment since the late 18th century, this study argues that scientific discovery, technological progress, and knowledge in general have played an unparalleled role in influencing the evolution of horror. Throughout its many subgenres (biological horror, cosmic horror and others) and formats (film, literature, comics), horror records humanity's uneasy relationship with its own ability to reason, understand, and learn. The text first outlines a loose framework defining several distinct periods in horror development, then explores each period sequentially by looking at the scientific and cultural background of the period, its expression in horror literature, and its expression in horror visual and performing arts.

Father Gaetano's Puppet Catechism St. Martin's Griffin

A micro-biography of horror fiction's most influential author and his love-hate relationship with New York City. By the end of his life and near financial ruin, pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten. Today, Lovecraft stands alongside J. R. R. Tolkien as the most influential genre writer of the twentieth century. His reputation as an unreformed racist and bigot, however, leaves readers to grapple with his legacy. *Midnight Rambles* explores Lovecraft's time in New York City, a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work. Initially, New York stood as a place of liberation for Lovecraft. During the brief period between 1924 and 1926 when he lived there, Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States. He also married fellow writer Sonia H. Greene, a Ukrainian-Jewish émigré in the fashion industry. However, cascading personal setbacks and his own professional ineptitude soured him on New York. As Lovecraft became more frustrated, his xenophobia and racism became more pronounced. New York's large immigrant population and minority communities disgusted him, and this mindset soon became evident in his writing. Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes, most notably his overtly racist short story, "The Horror at Red Hook," set in Red Hook, Brooklyn. His personal letters reveal an even darker bigotry. Author David J. Goodwin presents a chronological micro-biography of Lovecraft's New York years, emphasizing Lovecraft's exploration of the city environment, the greater metropolitan region, and other locales and how they molded him as a writer and as an individual. Drawing from primary sources (letters, memoirs, and published personal reflections) and secondary sources (biographies and scholarship), *Midnight Rambles* develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race, ethnicity, and immigration.

The Paranormal and Popular Culture Del Rey

En *Cthulhu 2000*, una horda de prestigiosos autores de horror y fantasía refleja el espíritu narrativo de H.P. Lovecraft, narrador supremo de lo sobrenatural, a lo largo de dieciocho escalofriantes relatos contemporáneos que habrían hecho sentirse orgulloso al maestro.

BP 250 New York : Daw Books ; [Scarborough, Ont.] : New American Library of Canada

These thirteen tales are populated by an assortment of fictional as well as real characters, all of them vividly sketched and true-to-life: the botanist Linnaeus, the composer Offenbach, the poet Hart Crane, the visionary horror writer H. P. Lovecraft, a southern sheriff, a dealer in rare books, a country singer, an old maid (and her suitor), and a mathematician. Whether these stories are deemed disquieting, comic, prophetic, or tall in the telling, they show us worlds where the truth reveals itself in many shapes. Throughout the writings comprising *More Shapes Than One*, Fred Chappell's storytelling magic transforms the commonplace.

Lovecraft's Book La Factoría de Ideas

"These 29 essays on fantasy, skepticism, writing, and related topics--spanning nearly two decades--are filled with the insightful observations of a literary master. Schweitzer is one of the best critics in the field."--John Gregory Betancourt. (Criticism)
