Cthulhurotica**

Cthulhurotica got a
great new review! I
grant you, by staying
away from porn, Cuinn
ended up treading a
line in many places
between Cthulhurotica
and Cthulhuromance,
which is not
necessarily an awful
thing at all (the most
obvious example of
this is Don Pizarro's
"The C-Word", which,
perhaps not
coincidentally, ended
up being my favorite
story in the volume).

Books, a small press founded by

the book ' s editor, Carrie Cuinn.

The book is meant to show that

women, people of color, and

people of different sexualities have

a place in HP Lovecraft ' s

Mythos universe — even if ...

Cthulhurotica Carrie Cuinn

If I was reading this book

again, I would start back to front, because the essays at the back set up the novel (albeit there may be a few spoilers) perfectly, giving the reader a greater understanding and appreciation for why someone would want to eroticize the Lovecraftian Universe, and how that Universe has evolved from 1920's pulp fiction to modern cult fiction.

Cthulhurotica — Where Sex and Madness Meet

Cthulhurotica is the place where sex and madness meet. Volume 2, edited by Carrie Cuinn and Don Pizarro, is currently in production.

Carrie Cuinn | Press and Reviews

The world outlined by Carrie Cuinn in this short story is

clinical, sterilized and strange beyond belief. Its main character might be an antisocial, objective narrator but the rest of the people occupying the setting aren't all that better off.

Read "Cthulhurotica" by Carrie Cuinn available from Rakuten Kobo. REVISED EDITION! From independent publisher Dagan Books, Cthulhurotica is an exciting new anthology of erotic horror, in...

This Book and I Could Be Friends: Cthulhurotica
Hermetic Library fellow T Polyphilus reviews
Cthulhurotica edited by Carrie Cuinn, from Dagan Books. This collection of Yog-Sothothery has some stories with the sort of explicit sex the title might suggest, but in others, the authors simply offer stories of the "Mythos" where sex is not thoroughly ignored (in

contrast to Lovecraft's originals)!

Publication: Cthulhurotica
I grant you, by staying away from porn, Cuinn ended up treading a line in many places between Cthulhurotica and Cthulhuromance, which is not necessarily an awful thing at all (the most obvious example of this is Don Pizarro ' s “ The C-Word ” , which, perhaps not coincidentally, ended up being my favorite story in the volume).

So anyway, Cthulhurotica was published last year and edited by Carrie Cuinn, who had long wondered at the near-complete lack of any sort of romance, sexuality, or even female characters in the works of H.P. Lovecraft. His heroes are invariably chaste, bookish Anglo-Saxon men from New England who stumble upon nameless
