A classic account of the Reformation, revealing the issues and preoccupations which seemed central to the age and portraying its leading figures with vigour and realism. The book is an analysis of the religious, economic, cultural and political history of Europe during the period of the Reformation. Author G. R. Elton examines the history of the period through the interrelationships between different forces in Europe at the time, such as the Holy Roman Emperor Charles V, the Papacy, reformers such as Martin Luther, John Calvin, Martin Bucer and Zwingli, and explores the resultant Counter-Reformation and the beginnings of European colonisation of other parts of the world such as South America. Its central focus is upon the conflict between Luther and Charles V. "A masterly survey by a fine historian. He has gone to great pains to understand and do justice to the theological side, and if political history is still his strength there

is no doubt that this paperback in scholarship, perspective and information far outweighs in value and importance most of the hard-bound studies of the 16th century in the last fifty years."—E. GORDON RUPP "It is extremely pleasant to welcome a new History of Europe series in which the inaugural volume is of such high merit. Dr. Elton sets himself a difficult task; the result is a book written with the bold, subtle, assured pen of an accomplished scholar."—JOEL HURSTFIELD "Not since Ranke has any	historian described the religious and political history of Central Europe during the Reformation with as much insight and authority."—H. G. KOENIGSBERGER, History (London) "Dr. Elton has put all students in his debt by providing an up-to-date and highly readable account of the ecclesiastical, political, and social history of Europe during the vital years 1517 to 1559...This book can be unreservedly commended."—C. W. DUGMORE, The Journal of Ecclesiastical History

In Seven Ways We Lie, a chance encounter tangles the lives of seven high school students, each resisting the allure of one of the seven deadly sins, and each telling their story from their seven distinct points of view. The juniors at Paloma High School all have their secrets, whether it's the thespian who hides her trust issues onstage, the closeted pansexual who only cares about his drug-dealing profits, or the neurotic genius who's planted the seed of a

school scandal. But it's Juniper Kipling who has the furthest to fall. No one would argue that Juniper—obedient daughter, salutatorian, natural beauty, and loyal friend—is anything but perfect. Everyone knows she's a saint, not a sinner; but when love is involved, who is Juniper to resist temptation? When she begins to crave more and more of the one person she can't have, her charmed life starts to unravel. Then rumors of a student–teacher affair hit the fan. After Juniper accidentally exposes her secret at a party, her fate falls into the hands of the other six sinners, bringing them into one another's orbits. All seven are guilty of something. Together, they could save one another from their temptations—or be ruined by them. Riley Redgate's twisty YA debut effortlessly weaves humor, heartbreak, and redemption into a drama that fans of Jenny Han and Stephanie Perkins will adore. *Prisoner 155: Simón Radowitzky* Wentworth Press

Bernarda Alba is a widow, and her five daughters are incarcerated in mourning along with her. One by one they make a bid for freedom, with tragic consequences. Lorca's tale depicts the repression of women within Catholic Spain in the years before the war. *The House of Bernarda Alba* is Lorca's last and possibly finest play, completed shortly before he was murdered by Nationalist sympathisers at the outbreak of the Spanish Civil War. The Wolf Princess Simon

and Schuster

A beautifully illustrated graphic novel that tells the story of Simón Radowitzky (1891-1956), a gentle soul caught up in a cruel world. The author/illustrator is an Argentinian living in Spain where the book was first published in 2016.

Radowitzky appears in a few books (recently *The Anarchist Expropriators and Rebellion in Patagonia*--both from AK Press), but this is the first English-language book devoted solely to him. His tumultuous life begins with his immigration from Ukraine to Argentina, followed by his assassination of Colonel Falcon (who presided over the slaughter of 100 workers) in 1909. Banished to a penal colony, he escaped, was recaptured and tortured, serving a total of twenty years. Upon release he joined the Spanish Revolution, after which he decamped for Mexico, where he died in 1956 while employed at a toy factory. Stuart Christie, author

of *Granny Made Me an Anarchist*, introduces the AK Press edition. "While Radowitzky's story has been told ... it has never been told in quite the way Agustín Comotto tells it. Through a series of flashbacks [Prisoner 155] examines the agonies and survival of an exceptional individual." —Guardian "Comotto's *Prisoner 155* is, in my view, a truly great work, comparable to Art Spiegelman's *Maus* and Marjane Satrapi's *Persepolis*, rich with complexity and ambiguity, and whose shy and sensitive central character, a committed humanist imbued with a deep sense of justice who never expressed regret for the two lives he took, remains an enigma. He was one of countless men and women, the salt of the earth, most of them anonymous, who chose to resist against an unjust, class-ridden society in the hope of building a better world for humanity." —Stuart Christie, from the foreword *Beautiful Dead: Arizona*
