Soon after the beginning of the 'Great
War', Sir Robert Baden-Powell

published his 9th military title, *Quick
Training For War*, as his personal
contribution to the British war effort.

Having previously retired from
service in 1910 to promote the
Scouting movement, this short manual
promoted his ideas for preparing new
recruits to be smart and efficient
soldiers. In contrast to the long
established British army training
regime of pomp, stark discipline and
'marching round the square' drill; he
urges instead a focus on the "Four
C's" : Courage, Common Sense,
Cunning, Cheerfulness as a way of
more realistically training recruits to
better meet the rigors and reality of
modern combat. Drawing heavily on
his own combat experiences in India
and Africa, he outlines a clear and
simple course of study to help the
new soldier develop his field skills and
spirit. His noting of the superior Boer
use of earthworks/trench fortifications
certainly seem to have been proved
topical and forward-thinking
considering how trench warfare
became the defining characteristic of
the World War One battlefield. Each
chapter includes many personal
anecdotes to illustrate his theories on
best training practices. This booklet is
well written and interesting for any
student of military history,
particularly those with an interest in
how war-fighting practices and
mindset changed radically from the
early 1900's and forward. It features
18 illustrations by Baden-Powell as
well. It makes a great companion read
to his 1899 book on reconnaissance
training, *Aids to Scouting*. (also

Boy Scouts of America
Beginning Boy Scouts is an introduction to the youth program of the Boy Scouts of America. It is an unofficial guide to Boy Scouting to help parents, new leaders, and even scouting youth to better understand scouting goals and participate in Boy Scouting. It quickly answers numerous common questions and provides instruction and advice for parents and leaders -- to help know "what is first?" and how to get started, preparing for outdoor activities and summer camp, uniforms, leadership and the Patrol Method, earning awards and badges, Eagle planning and Eagle paperwork, and how to participate. It introduces the terminology and defines the common scouting lingo.
