Culture As Given Cultu - [sima.notactivelylooking.com](#)

Culture is a term used by social scientists, like anthropologists and sociologists, to encompass all the facets of human experience that extend beyond our physical fact. Culture refers to the way we understand ourselves both as individuals and as members of society, and includes stories, religion, media, rituals, and even language itself.

[Culture - Wikipedia](#)

This type of culture is seen as a mercantile culture which is produced at a mass level for mass consumption. An example of how pop culture influences our lifestyle and our fashion can be seen by taking into account the most fashionable TV shows, like ' Sex and the City ' and how everybody wanted to wear clothes like the central characters of the serial. With the progress of globalization, common trends of fashion are seen all around the globe (i.e. Levi ' s jeans).

Culture As Given Cultu

Culture is a term that refers to a large and diverse set of mostly intangible aspects of social life. According to sociologists, culture consists of the values, beliefs, systems of language, communication, and practices that people share in common and that can be used to define them as a collective. Culture also includes the material objects that are common to that group or society.
