Cultures In Contrast 2nd Edition Officeore

Hodkinson's book is an exceptionally useful introduction for those studying the relationship between media and society. This is a carefully updated second edition, with a stronger emphasis on the important links between the digital, media and society and on critical issues around identity, 'community' and difference in media cultures.

Description. Cultures in Contrast is designed for students who are entering college or university life in the 21st century. It provides challenging readings and comprehension questions in every unit, accompanied by updated suggested films and additional readings. In each unit, students move from a general exploration of their beliefs to an analysis of a case study, a discussion of readings, and finally a specific choice of a coping strategy for a hypothetical dilemma.
Media, Culture and Society | SAGE Publications Ltd
The occupational cultures of criminal justice practitioners are an under-researched area. In this article we argue that amidst changes in training regimes and in ways of working with offenders, different probation worker cultures co-exist which share common central values, including the belief in people to change and the importance of the relationship between probation worker and probationer ...
