Unlike some other  
reproductions of classic texts (1)  
We have not used  
OCR(Optical Character  
Recognition), as this leads to

bad quality books with  
introduced typos. (2) In books  
where there are images such as  
portraits, maps, sketches etc We  
have endeavoured to keep the  
quality of these images, so they  
represent accurately the  
original artefact. Although  
occasionally there may be  
certain imperfections with these  
old texts, we feel they deserve to  
be made available for future  
generations to enjoy.
