Cunt: A Declaration of Independence - Wikipedia
The Declaration of Independence (1776) unambiguously condemned the king as a tyrant. The so-called 19th-century British Whig historians also criticized the king in very harsh terms,

maintaining, at their most extreme, that as a young prince he was indoctrinated with archaic and inflated ideas of royal... History at your fingertips

An ancient title of
respect for women, the

word "cunt" long ago veered off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim "cunt" as a positive and powerful force in their lives. In this fully revised edition, she explores, with candidness and humor, such traditional feminist issues as birth control, sexuality, jealousy ...
