Baroota is a fictional tale of Nick

Hudson, an aging, retired cop attempting to get in one last mission to make a difference. He gets sucked into an off-the-books black ops mission to rescue victims of human trafficking being sold into sexual slavery. He meets N ò nkos Zia or N ò n, a woman born in

South Africa and a former victim of Muti-medicine - a type of medicine still practiced in South Africa that weaves the occult and human sacrifices into the locals belief system. She is also a victim of human trafficking, from which she barely escaped after taking revenge on her captors. They are outsiders in a dark twisted tale of deceit, lies, and double crosses that take them to the Darien Gap in Panama, one of the most remote areas in the world, to hunt human traffickers.

The founder of Blackwater offers the gripping true story of the world ' s most controversial military contractor. In 1997, former Navy SEAL Erik Prince started a business that would recruit civilians for the riskiest security jobs in the world. As Blackwater ' s reputation grew, demand for its services escalated, and its men eventually completed nearly 100,000 missions for both the Bush and Obama administrations. It was a huge success except for one problem:

Blackwater was demonized around the world. Its employees were smeared as mercenaries, profiteers, or worse. And because of the secrecy requirements of its contracts with the Pentagon, the State Department, and the CIA, Prince was unable to correct false information. But now he ' s finally able to tell the full story about some of the biggest controversies of the War on Terror, in a memoir that reads like a thriller. All freelance Tunneler Miles Franco wants is a bit of freedom and a couple of bucks to rub together. So when the

cops haul him downtown for smuggling people between worlds, he'll take any chance he can get to stay out of the pen. And funnily enough, the cops have just the job for him. A mysterious interdimensional drug lord is staking his claim on Miles' city, and the cops need Miles' expertise to cut off the drug lord's supply before it starts the biggest gang war in the city's history. But snooping around in gang business is a dangerous job in a town where everyone's on the take and the gangsters play for keeps. And there are a lot of ways a nosy Tunneler can disappear. Raw,

insane, and hard-boiled as hell, *The Man Who Crossed Worlds* is a violent fever-dream for those who like their urban fantasy to kick them in the teeth.

I Am Raymond Washington is the only authorized biography of the undisputed founder of the Crips and provides an unprecedented look into Raymond Washington's life. If you're looking for stories of gang violence and crimes committed by gang members, that's been done before, and this book isn't for you. But if

you're looking for a factual and intuitive look into what made Raymond Washington unique in the mean streets of Los Angeles, this is the book you want to read. Filled with stories, many never-before-seen photographs, as well as interviews and eyewitness accounts of those who knew Raymond, what he represented, and how and why the Crips were formed-and why his name is still spoken on the streets of Los Angeles today with hatred, fear, awe, and reverence. Entering the world of Raymond Washington with an open mind was difficult for me; however,

the story of who Raymond Washington was as a leader, warrior, tactician, and mentor became clear. Learn why the gang was so successful and how an unremarkable fifteen-year-old kid in the fall of 1969 sat down with his best friend and formed what later became one of the most successful, and yet feared and hated gangs in the world--the Crips.

When the Grand Design is finally revealed it will spell the last ride for Mr. Armed and Brokenhearted. In this final installment of the widely popular "Animal" series, we

find our anti-hero on a hunt for the woman who forced him to pick his guns back up when she burned his entire world down. The traitorous, Red Sonja. She alone holds the key to saving his children and avenging his murdered wife, Gucci, but first he has to find her. To do this, Animal reassembles his old gang: The Dog Pound for what will prove to be their most dangerous mission yet. The stakes are higher than ever and not everyone is expected to make it, but the members of the Pound readily accept the task and the risks that come with it. With his old friends, and a few new ones, Animal is on the hunt for his elusive prey. Then the unthinkable happens and there is an earth-shattering discovery that will change everything, including loyalties. Meanwhile, the Black Lotus finds herself a prisoner in a place she had once called home. Having been branded a traitor by the Brotherhood of Blood, she is remanded to the mountain fortress while awaiting trial for the crimes she stands accused of. Unbeknownst to her, there are some within the Brotherhood who would rather see her dead than exonerated. Kahllah has unearthed a dark conspiracy which could clear her name, but at the cost of destroying the Brotherhood of Blood, which makes her a threat to the conspirators and a moving target. The hunter finds herself the hunted and her only chance of surviving the mountain will be to place her fate in the hands of an unlikely champion. The table is set finally set and the meal served. The classic memoir of life as a Crip, written in solitary confinement: “A shockingly raw, frightening portrait of gang life in South Central Los Angeles.” —Michiko Kakutani, *The New York Times* After pumping eight blasts from a sawed-off shotgun at a group of rival gang members, twelve-year-old Kody Scott was initiated into the L.A. gang the Crips. He quickly matured into one of the most formidable Crip combat soldiers, earning

the name “Monster” for committing acts of brutal violence that repulsed even his fellow gang members. When the inevitable jail term confined him to a maximum-security cell, a complete political and personal transformation followed: from Monster to Sanyika Shakur, black nationalist, member of the New Afrikan Independence Movement, and crusader against the causes of gangsterism. In a work that has been compared to *The Autobiography of Malcolm X* and *Eldridge Cleaver’s Soul on Ice*, Shakur makes palpable the despair and decay of America’s inner cities and gives eloquent voice to one aspect of the black ghetto experience.
