Sam Shepard is arguably America's finest working dramatist, as well as an accomplished screenwriter, actor, and director. Winner of a Pulitzer Prize, he has written more than forty-five plays, including True West,

Fool for Love, and Buried Child. Shepard has also appeared in more than fifty films, beginning with Terrence Malick's Days of Heaven, and was nominated for an Academy Award for his performance in The Right Stuff. Despite the publicity his work and life have attracted, however, Shepard remains a strongly private man who has said many times that he will never write a memoir. But he has written intensively about his inner life and creative work to his former father-in-law and

housemate, Johnny Dark, who has been Shepard's closest friend, surrogate brother (they're nearly the same age), and even artistic muse for forty-five years and counting. Two Prospectors gathers nearly forty years of correspondence and transcribed conversations between Shepard and Dark. In these gripping, sometimes gut-wrenching letters, the men open themselves to each other with amazing honesty. Shepard's letters give us the deepest look we may ever get into his personal philosophy

and creative process, while in film, Shepard & Dark. Dark's letters we discover insights into Shepard's character that only an intimate friend could provide. The writers also reflect on the books and authors that stimulate their thinking, their relationships with women (including Shepard's anguished decision to leave his wife and son—Dark's stepdaughter and grandson—for actress Jessica Lange), personal struggles, and accumulating years. Illustrated with Dark's candid, revealing photographs of Shepard and their mutual family across many years, as well as facsimiles of numerous letters, *Two Prospectors* is a compelling portrait of a complex friendship that has anchored both lives for decades, a friendship also poignantly captured in Treva Wurmfeld's

The setting is a farmhouse in the American West, inhabited by a family who has enough to eat but not enough to satisfy the other hungers that bedevil them. The father is a drunk; the mother a frowzy slattern; the daughter precocious beyond her years; and the son a deranged idealist. As the family decides to sell the house to raise money, the mother talks of running off to Europe or Mexico; the father sobers up and tries to take control; the daughter is blown up in the family car; and the son is left brutalized and bloodied. In the end the characters become a metaphor for the underside of American life—benighted innocents pursuing a dream that remains beyond their reach.

Dramatic Realism, since its birth in the hectic late years of the nineteenth century, gave theatrical and thematic energy to the interaction between a play's text and the way that it looked on the stage. Characters began to find themselves in rooms and settings that played an active and changing role in the drama, and their dialogue and

reactions evolved in time with these changes. As life itself became more elaborate during the 20th Century, so these rooms were invaded and then defined by the outside world. Fred Miller Robinson's enjoyable and stimulating essays on this enduring genre tackle the dreams and anxieties of the middle classes of the Industrial Revolution – dreams of domestic comfort and refuge, and anxieties about how entrapping that comfort could be. Moving from Ibsen to Chekhov and onwards into later plays in which the reality of 'Realism' comes under scrutiny, this is a book to dip into before a performance or to study during a class.

Motel Chronicles reveals the fast-moving and

sometimes surprising world of the man behind the plays that have made Sam Shepard a live legend in the theater. Shepard chronicles his own life birth in Illinois, childhood memories of Guam, Pasadena and rural Southern California, adventures as ranch hand, waiter, rock musician, dramatist, and film actor. Scenes from this book form the basis of his play *Superstitions*, and of the film (directed by Wim Wenders) *Paris, Texas*, winner of the Golden Palm Award at the 1984 Cannes Film Festival.

Pulitzer Prize winner Sam Shepard ' s latest play is an uproarious, brilliantly provocative farce that brings the gifts of a quintessentially American playwright to bear on the current American dilemma. Frank and Emma are a quiet, respectable couple who raise cows on their

Wisconsin farm. Soon after they agree to put up Frank ' s old friend Haynes, who is on the lam from a secret government project involving plutonium, they ' re visited by Welch, an unctuous government bureaucrat from hell. His aggressive patriotism puts Frank, Emma, and Haynes on the defensive, transforming a heartland American household into a scene of torture and promoting a radioactive brand of conformity with a dangerously long half life. Curse of the starving class Indianapolis : Bobbs-Merrill
Hailed by critics during the 1980s as the decade's 'Great American Playwright', Sam Shepard continued to produce work in a wide array of media including short prose, films, plays, performances and screenplays until his death in 2017. Like Samuel Beckett and Tennessee Williams in their autumnal years, Shepard relentlessly pressed the potentialities and possibilities of theatre. This is the first volume to consider Shepard's later work and career in detail and ranges across his work produced since the late 1980s. Shepard's motion picture directorial debut Far North (1988) served as the beginning of a new cycle of work. He returned to the stage with the politically engaged States of Shock (1991) which resembled neither his earlier plays nor his family cycle. With both Far North and States of Shock, Shepard signaled

a transition into a phase in which he would experiment in form, subject and media for the next two decades. Skelton's comprehensive study includes consideration of his work in films such as Hamlet (2000), Black Hawk Down (2001), The Assassination of Jesse James by the Coward Robert Ford (2007) and Brothers (2009); issues of authenticity in the film and screenplay Don't Come Knocking (2005) and the play Kicking a Dead Horse (2007); of memory and trauma in Simpatico, The Late Henry Moss and When the World was Green, and of masculine and conservative narratives in States of Shock and The God of Hell. Lauded by critics in his lifetime and since his death in July 2017 as 'one of the most important and influential writers of his generation' (NY Times), Shepard 'excelled as an actor, screenwriter, playwright and director' (Guardian); this is a timely and important assessment of his work spanning the last three decades of his life.

Set within the netherworld of thoroughbred racing, this hair-raisingly funny new play by the Pulitzer Prize-winning author of *True West* explores the classical themes of memory, loyalty, and restitution. *Simpatico* launches readers into regions where high society meets the low life, and where, as one of the main characters observes, "someone is cutting someone else's throat."

The Letters of Sam Shepard and Johnny Dark

Dramatists Play Service, Inc.

In eighteen stories unlike any in our contemporary literature, Sam Shepard explores the vast and rugged American West with the same parched intensity that has made him "the great playwright of his generation" (*The New York Times*). A boy watches a "remedy man" tame a wild stallion, a contest that mirrors his own struggle with his father. A woman driving her mother's ashes across the country has a strangely transcendent run-in with an injured hawk. Two aging widowers, in Stetsons and bolo ties, together make a daily pilgrimage to the local Denny's, only to be divided by the attentions of their favorite waitress. Peering

unblinkingly into the chasms that separate fathers and sons, husbands and wives, friends and strangers, these powerful tales bear the unmistakable signature of an American master.
