A Century of Artists Books Henry Holt and Company (BYR)

"This book is GOOD!" --Faith Hunter, NYT and USA Today bestselling author of the Jane Yellowrock series My name is Rebecca, but everyone calls me Becs. Years ago, a mark appeared on my inner wrist--The Kiss, they call it--and it makes me a summoner. I can summon, well, things...entities of power, including demons. Which, I did, until recently. I quit, because I summoned a demon on behalf of a client and things went south. I fixed it, but now I owe that demon a favor and I don't know when he's going to call it in, or, what he's going to ask. One thing's for sure, it won't be kosher. Now I work in a fae bar, trying to stay out of trouble, waiting for the hammer to drop. But trouble tends to follow me. And my upstairs neighbor, Ash, seems to be right in the thick of it. He's gorgeous, with sexy curls, kissable lips, and a body to match. I can't

believe someone like him even glanced my way. Things get complicated when a local mob boss wants my help, a warlock decides I'm next on the menu, and my six-foot-tall fairy friend can't find his way home. What's a Jewish, bird-watching summoner with family and friends to protect, to do? Praise for Demon Kissed: "A fantastic protagonist, killer magic system, and a supporting cast you'll fall in love with, J. D. Blackrose's Demon Kissed is a fantastic new urban fantasy. I loved this book and can't wait to read more!" --John G. Hartness, Award-Winning Author of The Black Knight Chronicles "This book is GOOD! Blackrose proves that a creative writer can grab you with an original twist." --Faith Hunter, NYT and USA Today bestselling author of the Jane Yellowrock series "Magic, snark, a dash of romance, and a ton of action. Demon Kissed offers a compelling blend of fun and edge-of-your-seat excitement. Compulsively readable

---

and highly recommended!" --David B. Coe/D. B. Jackson, author of Radiants and the Thieftaker Chronicles "J. D. Blackrose's latest tale spins together demons, mobsters, fairies, and a kick-ass heroine under a curse that may end up being her salvation. \*Chef's Kiss\*." --Darin Kennedy, Author of Fugue & Fable and The Pawn Stratagem About the author: The Summoner's Mark is J. D. Blackrose's first series with Bell Bridge Books. Previously, she's published The Soul Wars, The Devil's Been Busy, and the Zombie Cosmetologist novellas through Falstaff Books. She's also published multiple short stories, enjoying the art of brevity now and then. She's always lived in her head and is often accused of not listening. To make up for it, she's mastered the art of looking interested. Follow her on Facebook and Twitter.

[The Brain That Changes Itself](#)  
Penguin

When Haven Ashwood's best friend is taken by a curse, she's forced to partner with an immortal Lord she'd rather kill than trust. The rules are simple: break the curse or die. The rare magic flowing through Haven's veins gives her a fighting chance, but mixing light and dark magic might just cost Haven her soul.

**Accordion Crimes** Simon and Schuster Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts. **Divine Scapegoats** is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic

---

figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: 2 Enoch and the Apocalypse of Abraham. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the Apocalypse of Abraham, the divine light and darkness of 2 Enoch, and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov ' s

consideration. Andrei A. Orlov is Professor of Judaism and Christianity in Antiquity at Marquette University. He is the author of several books, including *Dark Mirrors: Azazel and Satanael in Early Jewish Demonology*, also published by SUNY Press.

*Lips Touch: Three Times* Springer Science & Business Media

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Ignition! Knopf Books for Young Readers  
This newly reissued debut book in the Rutgers University Press Classics Imprint is the story of the search for a rocket propellant which could be trusted to take man into space. This search was a hazardous enterprise carried out by rival labs who worked against the known laws of nature, with no guarantee of success or safety. Acclaimed scientist and sci-fi author John Drury Clark writes with irreverent and eyewitness immediacy about the development of the explosive fuels strong enough to negate the relentless restraints of gravity. The resulting volume is as much a memoir as a work of history, sharing a behind-the-scenes view of an enterprise which eventually took men to the moon, missiles to the planets, and satellites to outer space. A classic work in the history of science, and described as “ a good book on

rocket stuff...that ' s a really fun one ” by SpaceX founder Elon Musk, readers will want to get their hands on this influential classic, available for the first time in decades. Demon Kissed State University of New York Press  
It's 369 days before Ivy loses her soul to a demon kiss. Collin Smith, the most powerful Valefar this side of Hell, wants his soul back. He thinks he'll get it too, until a bargain with a powerful demon proves to be more costly than he hoped. As his world shifts, Collin tries to protect Ivy, but he knows he can't be with her. Torn between his affection for the girl and his loyalty, Collin is forced to be the evil creature he tries so hard to deny... A Valefar.

## Killer Heart Penguin UK

One grim reaper. Three hellhounds who refuse to bow down to her. A monster hunting them in the shadows...Ten years ago, I was judged worthy of life after death and returned to the mortal realm as a grim reaper. Scythe in hand, I guide souls to deliverance-and it's time for a promotion.My new territory is triple the size of any I've worked before. High death rates mean one busy reaper, and the only way to keep up is with a pack of hellhounds. Faithful. Strong. Merciless. Hellhound shifters are a reaper's right hand in the field, shepherding and guarding souls until they can be reaped.We get our pick of the litter from the best breeders in Hell, but for some reason, I'm drawn to the pack no one wants.An alpha who refuses to yield.A beta who doesn't take me seriously.A runt who flinches at every command.I want

them-even if they don't want me.Because the hunger in their eyes tells a different story. But the fact that they can't decide whether to love me or hate me, fight me or screw me, is making our situation way too complicated.Still, I refuse to give up. If this infuriatingly handsome trio can't be trained, if we don't pass the trials, they go back to a cage and a cruel demon master.Yeah. Not happening.Reapers and hellhounds are natural allies, and the sooner we secure our bond, the better, because as it turns out...All our lives depend on it.Reaper's Pack is a standalone why-choose paranormal romance and is part of the ALL THE QUEEN'S MEN series. Each book in the series is a full-length standalone featuring layered heroes and a headstrong heroine who never has to settle for just one happily-ever-after. The books can be read in any order and are part of the same

---

supernatural universe.

### Cursed Zebra Books

Investigating the theft of an old samurai sword forged by a legendary smith who infused the weapon with magical powers, Tokyo police officer Mariko Oshiro finds herself threatened by the power of the blade in unexpected ways.

Valefar Rutgers University Press

The Open Access version of this book, available at [www.taylorfrancis.com/books/9781472453983](http://www.taylorfrancis.com/books/9781472453983), has been made available under a Creative Commons Attribution-Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of

mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some

---

voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

Awaken the Curse Simon and Schuster

The Valefar boy tricked Ivy Taylor into kissing him, but he took much more than a kiss—he stole her soul and left her within inches of death. By surviving, Ivy is drawn into the conflict between the Martis and the Valefar. The war between these two immortal forces has raged for millennia without distraction. Until now. Ivy is an anomaly—she is the only person who has ever walked away from a demon kiss alive. Her survival gives her unique and

deadly abilities. Too powerful to ignore, Ivy is a threat to both armies. These two ancient enemies will stop at nothing to kill the seventeen-year-old. Surviving is nothing new for headstrong Ivy, but her survival has never depended on another person before. This time it does. And if she misplaces her trust, she's dead. To her horror, she starts falling in love at the worst possible time—with the enemy. He appears to be protecting her. But she can't be certain if he is trying to help her, or help himself to her power. For Ivy, trusting the right person is the difference between love and survival, or a deadly demon kiss. *Demon Kissed #2 - CURSED* - anticipated release date is August 31, 2011. Codi Malpass' Review - May 8, 2011 5 out of 5 stars "I was sucked into this book as soon as I read the first few pages. The amount of detail about the setting and the characters is amazing as well as the length of imagination in this book. There's enough romance in the story to keep you satisfied...even if it is kind of challenging for it to happen. I don't really

---

like books with sloppy kisses and "I love you"s on every page. I can't really think of any other word for it other than phenomenal. H.M. Ward deserves a freaking award to rival all awards ever given.

Another thing I like was the ending line...that made me smile and laugh when I read it. I can't wait for the second book to come out and I just hope that it's as good as this book was. Something else I'd like to say is that if I was a producer, I'd probably do anything to make this into a movie and if they ever do...they will have a lot of weight on their shoulders because it'd be hard to make a movie as good as this book." Amy's review Apr 10, 2011 5 out of 5 stars

"Wow! The story line was great, and the concept of the book was something I've never read before. There were so many twists that I couldn't predict anything that happened. I was kept guessing the entire time. Books like this are a rare find, especially when not that many people know about them. So I'm spreading the word! Read this book! You won't regret it! The sequel can't come out soon enough!"

Allie B.'s review - April 20, 2011 5 out of 5 stars  
"This is one of the rare finds where the story draws you in and refuses to let go. Narrated in such detail, you are taken on an epic journey that will make you feel a part of Ivy Taylor's world, with a vested interest in each character. It takes an extraordinary piece of literature to drive the emotions and senses felt while reading this novel. Demon Kissed is the beginning of an amazing adventure...."

Shady Lady All the Queen's Men

Now available only as an eBook, the dark and sexy prequel to the Imnada Brotherhood series about a clan of shape-shifters and telepaths living secretly as humans for centuries. One very passionate and very scandalous kiss separated university student James Farraday and professor 's daughter Katherine Lacey. Now five years later, James, the new Lord Duncallan, receives an unexpected summons from Kate 's father begging him to come to Wales. When James arrives, he finds Professor Lacey has vanished while studying a

---

mysterious ancient obelisk and everyone blames the nightwalkers; sinister creatures said to haunt the surrounding remote Welsh mountains. Do these legends point to the existence of the Imnada; a race of shape-shifters said to have died off a thousand years ago? Or is the professor's disappearance the result of a very human villain? James and Kate are determined to find out the truth, knowing it may be the only way to find her father. Even as they work to unravel the mystery, they find that they're not the only ones interested in the obelisk and the lost race of Imnada. Treasure hunter Gilles d'Espe believes the ancient dolmen is the focal point of the shape-shifters' power and would do anything to lay his hands on the last of four silver disks he needs to unlock the dolmen. A disk that hangs around the neck of James Farraday. While Cade, a local villager, is determined to refute both the claims of nightwalker sightings and the power of the dolmen as superstitious nonsense. James and Kate soon find themselves fighting for their lives. Yet every hour

they spend together makes it harder to lay aside the bitterness of the past and a very new and very real temptation...

Sapphire Blue Verso Books

Black Gold and Blackmail seeks to explain why great powers adopt such different strategies to protect their oil access from politically motivated disruptions. In extreme cases, such as Imperial Japan in 1941, great powers fought wars to grab oil territory in anticipation of a potential embargo by the Allies; in other instances, such as Germany in the early Nazi period, states chose relatively subdued measures like oil alliances or domestic policies to conserve oil. What accounts for this variation? Fundamentally, it is puzzling that great powers fear oil coercion at all because the global market makes oil sanctions very difficult to enforce. Rosemary A. Kelanic argues that two variables determine what strategy a great power will adopt: the petroleum deficit, which measures how much oil the state produces domestically compared to

---

what it needs for its strategic objectives; and disruptibility, which estimates the susceptibility of a state's oil imports to military interdiction—that is, blockade. Because global markets undercut the effectiveness of oil sanctions, blockade is in practice the only true threat to great power oil access. That, combined with the devastating consequences of oil deprivation to a state's military power, explains why states fear oil coercion deeply despite the adaptive functions of the market. Together, these two variables predict a state's coercive vulnerability, which determines how willing the state will be to accept the costs and risks attendant on various potential strategies. Only those great powers with large deficits and highly disruptible imports will adopt the most extreme strategy: direct control of oil through territorial conquest.

### The Darkest Kiss Penguin

Gwen's life has been a rollercoaster since she discovered she was the Ruby, the final

member of the secret time-traveling Circle of Twelve. In between searching through history for the other time-travelers and asking for a bit of their blood (gross!), she's been trying to figure out what all the mysteries and prophecies surrounding the Circle really mean. At least Gwen has plenty of help. Her best friend Lesley follows every lead diligently on the Internet. James the ghost teaches Gwen how to fit in at an eighteenth century party. And Xemerius, the gargoyle demon who has been following Gwen since he caught her kissing Gideon in a church, offers advice on everything. Oh, yes. And of course there is Gideon, the Diamond. One minute he's very warm indeed; the next he's freezing cold. Gwen's not sure what's going on there, but she's

---

pretty much destined to find out.
