Remnants of You

When letting go isn't an option...Together since they were seventeen, Andy and Phoebe were college sweethearts with big dreams to change the world together. All that ended, however, after Andy enlisted, leaving a broken-hearted Phoebe behind. Five years later, their paths collide in the most unexpected way. Sitting on opposite sides of a legal dispute, they are forced to spend time together in Andy's hometown. The past and present start to mix as they try to navigate between old and new feelings. One thing is certain, though - they're not the same people they fell in love with all those years ago. Now, they have to figure out if they have a future together or if they're risking it all for feelings that only exist in their memories.....Remnants of You is the third and final installment of the BFF Series. This series of steamy contemporary romance books introduces us to the world of Zoe, Trista and Phoebe, three lifelong best friends, and their journey to find love. While each book can be read as a standalone, I recommend reading them in order as they are interconnected
