[She Wants to Dance With Me: - a Script for a Theatrical Play](#) Lulu Press, Inc

[Script Analysis for Actors, Directors, and Designers](#) Faber Music Ltd
Brimming with advice and techniques, this essential reference for book- and songwriters clearly explains the fundamentals of the three crafts of a musical—book, music, and lyrics. Using copious examples from classic shows, Frankel has created the quintessential musical writers' how-to. Among the topics: definitions of musical theater; differences between musical books and straight plays and between poetry and lyrics; what a score is and how it develops; how to write for the voice; and how to audition musicals for producers. With a new introduction and revised text, Frankel's work is ready to guide a new generation of aspiring writers.

[In People of Paradox](#), Terryl Givens traces the rise and development of Mormon culture from the days of Joseph Smith in upstate New York, through Brigham Young's founding of the Territory of Deseret on the shores of Great Salt Lake, to the spread of the Latter-Day Saints around the globe. Throughout the last century and a half, Givens notes, distinctive traditions have emerged among the Latter-Day Saints, shaped by dynamic tensions--or paradoxes--that give Mormon cultural expression much of its vitality. Here is a religion shaped by a rigid authoritarian hierarchy and radical individualism; by prophetic certainty and a celebration of learning and intellectual investigation; by existence in exile and a yearning for integration and acceptance by the larger world. Givens divides Mormon history into two periods, separated by the renunciation of polygamy in 1890. In each, he explores the life of the mind, the emphasis on education, the importance of architecture and urban planning (so apparent in Salt Lake City and Mormon temples around the world), and Mormon accomplishments in music and dance, theater, film, literature, and the visual arts. He situates such cultural practices in the context of the society of the larger nation and, in more recent years, the world. Today, he observes, only fourteen percent of Mormon believers live in the United States. Mormonism has never been more prominent in public life. But there is a rich inner life beneath the public surface, one deftly captured in this sympathetic, nuanced account by a leading authority on Mormon history and thought.

[People of Paradox](#) Hal Leonard Corporation

"We'd like to wrap this musical in gold paper with spangles all over it and attach a card saying Merry Christmas! Remember the wonderful Victor Herbert music? Remember the lyrics? "Toyland, toyland, little girl and boy land." There are wonderful roles for everyone: Mary, Mary, Quite Contrary; Tom-Tom, the Piper's Son; Jack and Jill; Little Miss Muffet; Wicked Uncle Barnaby who runs the toy shop (and his comic-ruffian assistants, Roderigo and Gonzorgo) and can turn children into dolls and sell them for gold; and lovable Jane and Alan who are his next victims. The adaptation uses the original music of Victor Herbert and much of Glen MacDonough's libretto and lyrics."--Publisher website.

[Hedwig and the Angry Inch](#) Dramatic Publishing
(Vocal Score). Vocal score with 15 songs from one of musical theatre's masterpieces.

Includes: Climb Ev'ry Mountain * Do-Re-Mi * Edelweiss * The Lonely Goatherd * Maria * My Favorite Things * Sixteen Going on Seventeen * So Long, Farewell * The Sound of Music * and more!

6 easy piano arrangements of songs from this Broadway classic, including: Many a New Day • Oh, What a Beautiful Mornin' • Oklahoma • Out of My Dreams • People Will Say We're in Love • The Surrey with the Fringe on Top.

[Oklahoma!](#) Perfection Learning

From patriotic "God Bless America" to wistful "White Christmas," Irving Berlin's songs have long accompanied Americans as they fall in love, go to war, and come home for the holidays. Irving Berlin's American Musical Theater is the first book to fully consider this songwriter's immeasurable influence on

the American stage. Award-winning music historian Jeffrey Magee chronicles Berlin's legendary theatrical career, providing a rich background to some of the great composer's most enduring songs, from "There's No Business Like Show Business" to "Puttin' on the Ritz." Magee shows how Berlin's early experience singing for pennies made an impression on the young man, who kept hold of that sensibility throughout his career and transformed it into one of the defining attributes of Broadway shows. Magee also looks at darker aspects of Berlin's life, examining the anti-Semitism that Berlin faced and his struggle with depression. Informative, provocative, and full of colorful details, this book will delight song and theater aficionados alike as well as anyone interested in the story of a man whose life and work expressed so well the American dream.

(Piano and Voice Selections) Duke University Press (Vocal Selections). Based on the macabre cartoon Charles Addams created in 1938 for The New Yorker, this Broadway musical was nominated for multiple awards in 2010, including two Tony nods. Our songbook features vocal lines with piano accompaniment for 14 fantastic tunes by Andrew Lipka: The Addams Family Theme * Crazier Than You * Happy/Sad * In the Arms * Just Around the Corner * Let's Not Talk About Anything Else but Love * Live Before We Die * The Moon and Me * Morticia * One Normal Night * Pulled * Waiting * What If * When You're an Addams.

[The Addams Family \(Songbook\)](#) Oxford University Press

This is a book-length study of the intense creative relationship between Tennessee Williams and Elia Kazan.

The Most Valuable Players of the Past 50 Seasons Cambridge University Press

By the Tony-award winning authors of *Falsettos*, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.

(Applause Books). Every year, Major League Baseball, the National Football League, the National Basketball Association, and the National Hockey League name a Most Valuable Player an MVP. The Broadway musical community doesn't. Oh, there are the Tony Awards, the Drama Desk Awards, and the Theatre World Awards. But what if Broadway selected a MVP each season? In *Broadway Musical MVPs: 1960-2010, The Most Valuable Players of the Past 50 Seasons*, Peter Filichia names his choices for the MVPs of each of the past 50 Broadway seasons they might be performers, producers, directors, or choreographers. Not surprisingly, many of the featured MVPs are multitaskers, such as directors who also choreographed, or wrote the book, or even designed the costumes! Also included are awards in categories such as Comeback Player of the Year, Reliever of the Year, Rookie of the Year, and Led League in Errors. From Tammy Grimes, MVP of the 1960-61 season for *The Unsinkable Molly Brown*, to Joe DiPietro, MVP of the 2009-10 season for *Memphis*, Filichia recognizes the best and the brightest that have appeared on Broadway. *The Man in the Ceiling* Dramatists Play Service Inc

"The best book of its kind for the inexperienced producer or director of

nonprofessional theater, this is a most welcomed addition to both personal and library shelves. [It] is also an excellent auxiliary text for the beginning directing class. High-school, lower-division undergraduate, and public libraries." Choice
Babes in Toyland Da Capo Press
Script Analysis for Actors, Directors, and Designers applies directly to the experience of theatrical production. You will immediately be able to incorporate the concepts and processes you learn into both your practical and creative work. Whether you are an actor, a director, or a designer, you will benefit from clear and comprehensive examples, end-of-chapter questions, and summaries meant to stimulate their creative process as they engage in production work. Based on the premise that plays should be objects of study in and of themselves, *Script Analysis for Actors, Directors, and Designers* teaches an established system of classifications that examines the written part of a play. This fourth edition will include in-depth analysis of unconventional plays, which are more frequent on amateur and professional stages. These plays present unique analytical challenges that the author teaches you the unusual ways in which the subject matter operates in unconventional plays. [Vocal Selections \(Vocal Line with Piano Accompaniment\)](#) Hal Leonard Publishing Corporation

A Documentary History of Early Phonograph, Cinema, and Radio Motilal Banarsidass Publishe

Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into

their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

Pippin Springer

Believing that transformation is possible and that it must come from within, Clar Doyle illustrates the vital connection between drama and critical pedagogy. Presuming that a practice informed by the theory of critical pedagogy is essential to achieve an emancipatory education, Doyle shows how well drama and aesthetic education can encourage a pedagogy that is critical. He explores the real as well as the perceived values and understandings given to the aesthetic in school settings, how tastes and awareness are produced and how students' backgrounds inform the way in which art and drama are experienced. Furthermore, Doyle shows the ways in which the dominant cultural agencies rob both teachers and students of creativity through their reproductive policies. The book explores such critical questions as: the nature of culture; the historical place of drama within education; and the debate between drama and theatre as it applies to schooling. With a critical perspective, he reviews the current status of drama education and suggests ways in which educators can redefine their mission and refine their practice. By examining the influence of the culture industry and the issues surrounding style choices, Doyle highlights the challenge that teachers must meet in order to use performance skills to tease out attitudes and understandings. He concludes by showing how drama can help students, not only to bring about change in their own lives, but to effect change in the world around them.

Seven Disciplines for Excellence in Conducting CRC Press

Lady Macbeth has haunted American history since the conflicts of Shakespeare's England spilled over into New England's real witch hunts. To reveal how Lady Macbeth entered American politics as an icon for the First Lady, this investigation focuses on the prominent actresses in the role, how they performed, and their effect on audiences anxious about the country's First Lady and her influence over the President - especially at times of war. Smith ably shows how the various Lady Macbeths have both reflected and shaped the image their contemporaries have of the ambitious political wife, producing parallels that converge dramatically in twentieth-century "witch hunts."

Dramatic Mirror and Theatre World Hal Leonard Corporation

This text is a unique find for the aspiring conductor -- a sequenced approach to the many musical and extra-musical conducting skills that doesn't find itself mired in a complex presentation. Revised to include additional step-by-step exercises and examples, it remains rooted in its "Seven Disciplines for Excellence in Conducting." Promoting the kind of focused, dedicated study that conducting requires, these seven disciplines -- analyzing, internalizing, researching, marking and conducting the score, and planning and rehearsing the rehearsal -- build on each other to continually reinforce earlier disciplines. Well suited for both self study and use in a conducting course or seminar, Precision Conducting is also an excellent resource for those looking to refresh an existing skill set.

Broadway Musical MVPs: 1960-2010 Samuel French, Inc.

(Applause Libretto Library). This edition features the complete libretto from the musical. "Richly illustrated, it is ideal for fans of the show, as well as admirers of musical theatre." Variety * "Anybody who has

seen the show (who hasn't?) should read the book" Entertainment Today * "The perfect present for any Fantasticks fans." Cleveland Plain Dealer * "A valuable resource. Recommended for all collections." Choice A Collaboration in the Theatre Pearson UK Although Jimmy is not good at sports and not much better in school, he can draw, and his greatest dream is to be a cartoonist. So when Charlie Beemer, the greatest pre-teen athlete in the history of Montclair, New Jersey, suggests that he and Jimmy create comics together, Jimmy can't believe that life will get any better!
