"Adam Rapp's brilliant and haunting story will break your heart. But then his words will mend it. . . Absolutely unforgettable." – Michael Cart On the run in a stolen car with a kidnapped baby in tow, Custis, Curl, and Boobie are three young people with deeply troubled pasts and bleak futures. As they struggle to find a new life for themselves, it becomes painfully clear that none of them will ever be able to leave the past behind. Yet for one, redemption is waiting in the unlikeliest of places. With the raw language of the street and lyrical, stream-of-consciousness prose, Adam Rapp hurtles the reader into a world of lost children, a world that is not for the faint of heart. Gripping, disturbing, and starkly illuminating, his hypnotic narration captures the voices of two damaged souls - a third speaks only through drawings - to tell a story of alienation, deprivation, and ultimately, the saving power of compassion.

The Walk-On Method features 31 underdog athletes who parlayed their college experience into habits that led to career and business success. While each walk-on's individual path is unique, the mindset, skills, and behaviors they developed and the post-college outcomes they achieved are similarly remarkable. These athletes applied The Walk-On Method first to college football, basketball, rowing, golf, or track & field, and then they parlayed that behavior pattern into success in business ownership, engineering, coaching, law, finance, broadcasting, medicine, insurance, film, management, education, banking, acting, and ministry. These former walk-ons were behaving subconsciously, unaware that scrambling to make a college sports team and fighting to keep their roster spot was foundational to their life's work. Going the extra mile in their profession is second nature, and they wonder why others don't take that same (and seemingly obvious) path. Most people don't realize they're in control of their career trajectory. When we read about a successful person, their accomplishments are often painted as a one-in-a-billion anomaly, a lightning strike of genius or opportunity. This book destroys those myths one walk-on success story at a time and reveals this important reality: your professional success is within your control. Ordinary people will accomplish extraordinary feats when their energy is properly channeled. The Walk-On Method To Career & Business Success shows you how through inspiring stories and the proven five-step Walk-On Method.

When I was a young manager, I thought I understood the importance of hiring top-notch people. Then, at age 32, I got cancer. Being forced to step away from my co-workers for an extended period of time (with one of the options being stepping away forever) made me realize that the people you hire truly make or break your business. In *Hire Like You Just Beat Cancer*, you'll read short, easy-to-digest chapters filled with detailed examples and time-tested best practices that you can implement immediately at your organization. The lessons I learned when cancer knocked me down helped build me up as a hiring manager, and I apply those lessons aggressively every time I interview a potential employee."

AUTHOR JIM RODDY A portion of the proceeds from sales of *Hire Like You Just Beat Cancer* will be donated to: The Kanzius Cancer Research Foundation and the American Cancer Society through Coaches vs. Cancer."

An army veteran with deep expertise in military and international affairs makes his fiction debut with this electrifying international thriller—the first volume in a blistering hot series in the tradition of Brad Thor, Tom Clancy, and Daniel Silva. In *Shadow War*, an elite American mercenary on a secret mission to save a businessman's family in Eastern Europe must navigate perilous setbacks and deadly enemies that threaten to tip the balance of power between Russia and the United States. Tom Locke is an elite warrior working for Apollo Outcomes, one of the world's most successful private contracting firms. Pulled out of a mission in Libya, he is tapped for an unusual and risky assignment: a top secret black op in Ukraine. He is given one week to rescue an oligarch's family and pull off a spectacular assault that could have long-lasting repercussions for this imperiled Eastern European nation and the world. What Locke doesn't know is that the operation comes with a dangerous complication: Brad Winters. Locke's ambitious and enigmatic boss is engaged in a secretive, high-stakes geopolitical chess game with several influential powerbrokers in capitals around the world. One misstep could cost him—and Locke—everything. While Locke has methodically planned the mission and hand-picked a team of trusted operatives to pull it off—and save his ass if things go south—he doesn't count on running into a former love, war correspondent Alie MacFarlane, who impulsively makes a move that risks both their lives. Locke is an intelligent, iconoclastic soldier who specializes in pulling off the impossible. But all his brilliant preparation can't prevent the kind of backstabbing and deception that could lead to catastrophe . . . and tip the balance of power toward Putin's Russia.

A pioneering revolutionary prescription for the health and long life of your pets For two decades, Dr. Martin Goldstein—America's most successful, renowned holistic veterinarian—has healed and helped his animal patients with the same natural therapies that benefit humans. The results have been so astounding that today critically sick pets are brought to him from across the country for a new chance at life and health. In this compelling, very accessible book, Dr. Goldstein explains exactly what holistic medicine is and how it works. By treating the root of a health problem instead of its symptoms, you too can help your animal to regain and maintain its own health, as nature intended. Dr. Goldstein also shares many remarkable true stories of supposedly terminally ill animals who have recovered to full wellness. Inside you'll discover • Why our animals get sick, even when we strive to give them the best of care • An exhaustive A to Z guide of pet ailments—and the best course of action • Why vaccines can do more harm than good • The link between diet and disease—and how the right diet can not only prevent disease but reverse it • How acupuncture, homeopathy, chiropractic, and other alternative options work--safely and painlessly--to restore true health • Specific guidance for the use of herbs, supplements, and natural remedies • The good news (and the bad) about cancer in animals--including extraordinary new treatments and potential cures • Coping with the inevitable death of your pet--both physically and psychologically • And much, much more Plus—the ultimate resource for holistic pet care: an extensive guide to holistic product manufacturers and stores, books, newsletters, Web sites, veterinarians, and associations!

The definitive guide to troubleshooting today's complex BGP networks This is today's best single source for the techniques you need to troubleshoot BGP issues in modern Cisco IOS, IOS XR, and NxOS environments. BGP has expanded from being an Internet routing protocol and provides a scalable control plane for a variety of technologies, including MPLS VPNs and VXLAN. Bringing together content previously spread across multiple sources, *Troubleshooting BGP* describes BGP functions in today's blended service provider and enterprise environments. Two expert authors emphasize the BGP-related issues you're most likely to encounter in real-world deployments, including problems that have caused massive network outages. They fully address convergence and scalability, as well as common concerns such as BGP slow peer, RT constraint filtering,

and missing BGP routes. For each issue, key concepts are presented, along with basic configuration, detailed troubleshooting methods, and clear illustrations. Wherever appropriate, OS-specific behaviors are described and analyzed. Troubleshooting BGP is an indispensable technical resource for all consultants, system/support engineers, and operations professionals working with BGP in even the largest, most complex environments.

- Quickly review the BGP protocol, configuration, and commonly used features
- Master generic troubleshooting methodologies that are relevant to BGP networks
- Troubleshoot BGP peering issues, flapping peers, and dynamic BGP peering
- Resolve issues related to BGP route installation, path selection, or route policies
- Avoid and fix convergence problems
- Address platform issues such as high CPU or memory usage
- Scale BGP using route reflectors, diverse paths, and other advanced features
- Solve problems with BGP edge architectures, multihoming, and load balancing
- Secure BGP inter-domain routing with RPKI
- Mitigate DDoS attacks with RTBH and BGP Flowspec
- Understand common BGP problems with MPLS Layer 3 or Layer 2 VPN services
- Troubleshoot IPv6 BGP for service providers, including 6PE and 6VPE
- Overcome problems with VXLAN BGP EVPN data center deployments
- Fully leverage BGP High Availability features, including GR, NSR, and BFD
- Use new BGP enhancements for link-state distribution or tunnel setup

One day John Freyer decided to sell everything he owned on the internet. He invited his friends over to tag all the possessions in his apartment, and he systematically put them up for sale on eBay. An unopened box of taco shells, half a bottle of mouthwash, almost all of his clothes, his records, his sideburns (in a plastic bag), his family's Christmas presents (not yet given), furniture- John didn't let sentiment or utility stand in his way. Soon his belongings were sold all over the world, with a bag of Porky's BBQ Pork Skins making its way to Japan, and a chair ending up in the Museum of Modern Art. With almost all the objects in his life now gone, he started the second phase of his journey- to visit his onetime possessions in their new homes.

While on vacation in August 2011, Robyn Gardner and Gary Giordano were enjoying a beautiful Caribbean day together on Baby Beach located on the south end of Aruba when tragedy struck as both entered the water and only one returned. A few days later, headlines from around the world reported on Gary Giordano's arrest for murder, manslaughter, kidnapping and insurance fraud. He soon found himself in the center of a worldwide witch-hunt fueled by tabloid news, outrageous headlines, fame seekers, judicial corruption, revenge and betrayal. Unrealistic comparisons of Natalee Holloway and Joran van der Sloot became the foundation of the media circus. Murder for money became the punch line. Robyn Gardner was a beautiful woman who was just beginning to realize her full potential and Gary Giordano a successful businessman and world traveler. While still grieving for the loss of his good friend and lover, Gary, caged like an animal in solitary confinement, mentally and physically tortured and repeatedly interrogated for hours, days and months in the infamous Aruba KIA prison, never gave up hope. Back home in the United States, the media firestorm raged on as the FBI entered the frenzy in a highly televised search and seizure of Gary's Maryland home and a Grand Jury was convened to address allegations of insurance fraud. Gary Giordano was released from KIA prison on November 28, 2011, after four months of torture in KIA prison. No evidence of a crime ever existed and Gary was never charged

with a crime. Now, in *The Aruba Files*, Gary Giordano breaks his silence to reveal for the very first time what really happened in Aruba and how and why the world media demonized him. In unprecedented fashion, Gary shares scores of confidential FBI reports and FBI e-mail correspondence usually sealed for decades, as well as Aruba interrogation reports and confidential recorded phone transcripts. He describes in detail the torture he endured and exposes who got away with lying to the FBI and Aruba government which resulted in prolonging his torture and ultimate destruction of his business, name and forever altering his and his three son's future. He describes in detail the media's continued manipulation of the truth following his release and the untold story of the Baby Beach cover-up and further unnecessary loss of life. As in Aruba, Gary remains a target for local law enforcement and continues to be harassed by those trying to make a name for themselves. Gary never gave up hope and remains stronger than ever. He hopes his story will empower others to persevere in the face of overwhelming adversity and expose judicial corruption and media malice. Gary Giordano received no money or financial gains associated with Robyn's death and lost millions due to the real perpetrators revealed in this book. Gary is a staunch advocate of the wrongfully accused, continues to fight for the truth, and is dedicated to exposing judicial abuse of power in the United States and abroad. This book is dedicated to the memory and life of Robyn Gardner.
