Harley-Davidson Since 1965

Images Publishing

Harley-Davidson owners have a tradition of personalizing and customizing their bikes that is as long-established as The Motor Company itself. Author Marc Cook guides you through this journey to personalize your bike and really make it yours. He provides the answers to questions about how these custom accessories are made, how to know if a part is high-

quality, and how best to start accessorizing your Harley. From custom painting to seat selection, mild engine hop-ups to wheels and brakes, Accessories for Harley-Davidson Motorcycles takes you through the steps of shopping for, choosing, and installing accessories, demystifying the process along the way. It's the road map to successfully making your Harley a standout in any crowd.

Featuring the photographs of acclaimed Barcelona-based photographer Miquel Tres, Custom Motorcycles presents a

fascinating visual display of outrageous custom-built motorcycles and their colourful owners. Through his extraordinary photographs, Miquel has The Harley-Davidson Reader MBI Publishing Company LLC Many people modify their Harley-Davidson engines--and find the results disappointing. What they might not know--and what this book teaches--is that emphasizing horsepower over torque, the usual approach, makes for a difficult ride. Author Bill Rook has spent decades perfecting the art of building torque-monster V-twin Harley engines. Here he brings that experience to bear, guiding motorcycle enthusiasts through the modifications that

make a bike not just fast but comfortable to ride. With clear, step-by-step instructions, his book shows readers how to get high performance out of their Harleys--and enjoy them, too.

Harley-Davidson Motorbooks
Harley-Davidson: A name that brings a smile to anyone who loves American motorcycles. For 100 years, that name has been synonymous with freedom, open roads, raw power and good times, and the Milwaukee motorcycles have spawned legions of fans world-wide who are fiercely loyal to their V-twin-powered machines and the company that built them. Since 1903, the Harley-Davidson Motor Company has endured wars, recessions, depressions, strikes, buyouts and buybacks, foreign competition, and ever-changing markets. It has survived all that, and thrived. Harley is now stronger than it's ever been, and shows no sign of slowing down. In the fourth edition of this classic history, author David K. Wright has revised and expanded the book to include all 100 years of the company's history. He covers the motorcycles, the men who built them, the owners, the dealers, the racers, and the entire Harley scene, from celebrity owners and police bikes to one-percenters, from restorers to custom

bike builders. Wright's extensive research, candid style, and deep appreciation for Harley-Davidson's history combine to make this an important part of every Harley rider's library. This is the complete story of Harley-Davidson, the American motorcycle of the 20th Century -- and now, of the 21st Century as well. Every H-D fan, from first-time rider to grizzled veteran, will want this fascinating, all-too-true story -- now offered proudly without Harley-Davidson approval or endorsement. Book jacket.
